AN ACT APPROVING THE ISSUANCE OF REVENUE BONDS BY THE RHODE ISLAND CONVENTION CENTER AUTHORITY

Mr. Speaker:

I hereby move to amend 2004 -- H 8011 SUBSTITUTE A, entitled "AN ACT APPROVING THE ISSUANCE OF REVENUE BONDS BY THE RHODE ISLAND CONVENTION CENTER AUTHORITY", as follows:

By striking all of the language following the enactment clause and inserting in place thereof the following language:

"SECTION 1. The State shall directly benefit economically from the ability of the Convention Center authority to attract larger conventions and organized events to the Rhode Island Convention Center through, among other things, increases in sales tax and income tax revenues and the creation of jobs for its residents.

SECTION 2. Title 44 of the General Laws entitled "Taxation" is hereby amended by adding thereto the following chapter:

CHAPTER 33.3
HOTEL -- TAX CREDIT

44-33.3-1. Tax credit. – (a) Any person, firm, partnership, trust, estate, limited liability company, corporation (whether for profit or non-profit) or other business entity that incurs expenditures for the development of a hotel of at least two hundred forty (240) rooms on certain

property located at 111 Fountain Street in the City of Providence and known as the Fogarty Building, shall be entitled to a credit against the taxes imposed on such person or entity pursuant to chapter 11, 12, 13, 14, 17 or 30 of this title in an amount equal to forty percent (40%) of the expenditures, but not more than twenty million dollars ($20,000,000).

(b) The tax credit allowed pursuant to this chapter shall be allowed for the taxable year in which such hotel is placed in service, provided that it is placed in service no later than December 31, 2007.

(c) If the amount of tax credit exceeds the taxpayer's total tax liability for the year in which the hotel is placed in service, the amount that exceeds the taxpayer's tax liability may be carried forward for credit against the taxes imposed for the succeeding ten (10) years, or until the full credit is used, whichever occurs first for the tax credit. A credit allowed to a partnership, a limited liability company taxed as a partnership or multiple owners of property shall be passed through to the persons designated as partners, members or owners respectively pro rata or pursuant to an executed agreement among such persons designated as partners, members or owners documenting an alternate distribution method without regard to their sharing of other tax or economic attributes of such entity.

(d)(1) Provided, that the taxpayer has not claimed the tax credit in whole or in part, taxpayers eligible for the tax credit may assign, transfer or convey the credit, in whole or in part, by sale or otherwise to any individual or entity. The assignee of the tax credit may use the acquired credit to offset up to one hundred percent (100%) of the tax liabilities otherwise imposed pursuant to chapter 11, 12, 13 (other than the tax imposed under section 44-13-13), 14, 17 or 30 of this title. The assignee may apply the tax credit against taxes imposed on the assignee until the end of the tenth (10th) calendar year after the year in which the hotel is placed in service or until the full credit assigned is used, whichever occurs first. Fiscal year assignees may claim the credit until the expiration of the fiscal year that ends within the tenth (10th) year after the year in which the hotel is placed in service. The assignor shall perfect the transfer by notifying the state of Rhode Island division of taxation in writing within thirty (30) calendar days following the effective date of the transfer and shall provide any information as may be required by the division of taxation to administer and carry out the provisions of this section.

(2) For purposes of this chapter, any assignment or sales proceeds received by the taxpayer for its assignment or sale of the tax credits allowed pursuant to this section shall be exempt from this title.

(e) In the case of a corporation, this credit is only allowed against the tax of a corporation included in a consolidated return that qualifies for the credit and not against the tax of other corporations that may join in the filing of a consolidated tax return.

44-33.3-2. Administration. – (a) To claim the tax credit authorized in this chapter, taxpayers shall apply to the tax administrator after the completion of the hotel for a certification as to the amount of tax credit for which the hotel qualifies. The tax administrator shall be entitled to rely on the facts represented in the application without independent investigation and, with respect to the amount of tax credit for which the hotel qualifies, upon the certification of a certified public accountant licensed in the state of Rhode Island. The application shall be developed by the tax administrator.

(b) Within ninety (90) days after the tax administrator's receipt of the taxpayer's application requesting certification for the completed work, the tax administrator shall issue the taxpayer a certification of the amount of credit for which the hotel qualifies. To claim the tax credit, the tax administrator's certification as to the amount of the tax credit shall be attached to

all state tax returns on which the credit is claimed.

44-33.3-3. Information requests. – The tax administrator and his or her agents, for the purpose of ascertaining the correctness of any credit claimed under the provisions of this chapter, may examine any books, papers, records, or memoranda bearing upon the matters required to be included in the return, report, or other statement, and may require the attendance of the person executing the return, report, or other statement, or of any officer or employee of any taxpayer, or the attendance of any other person, and may examine the person under oath respecting any matter which the tax administrator or his or her agent deems pertinent or material in determining the eligibility for credits claimed.

SECTION 3. Notwithstanding the provisions of Rhode Island General Laws sections 35-18-3 and 35-18-4, this General Assembly hereby authorizes the Authority's issuance of not more than five million dollars ($5,000,000) in revenue bonds to augment the hotel project described in Section 2 to include, but not be limited to, costs associated with the construction of a sky bridge from the properties of the Convention Center Authority.

The Bonds will be special obligations of the Convention Center Authority payable from the Authority's revenues and thus the Authority's maximum liability will be for the total debt service on the Bonds which is approximately ($400,000 per year or sixteen million $16,000,000) in the aggregate. Such estimates are based on Taxable Variable and/or Fixed Bonds with an average combined interest cost of seven and one-half percent (7.5%) and a forty (40) year maturity. One or more of the series may involve an interest rate exchange agreement.

The Bonds will not constitute indebtedness of the state or any of its subdivisions or a debt for which the full faith and credit of the state or any of its subdivisions is pledged except to the extent the state provides the Authority with payments pursuant to the state lease and the Authority's revenues are not otherwise sufficient to pay debt service on the Bonds. The maximum possible financial obligation of the state under the Bonds will be to appropriate for all debt service to the extent the Authority's revenues are insufficient.

The Authority shall provide one parking space per room of the hotel referenced in Section 2 at the existing Rhode Island Convention Center parking garage, not to exceed two hundred forty (240) spaces, at the lesser of fifteen dollars ($15.00) per day for overnight parking or the rate charged or any other customer.

The General Assembly considers the hotel project an economic development project and is granted relief from sales tax on building materials, furniture, fixture and equipment for the project.

SECTION 4. This act shall take effect upon passage."

Respectfully submitted,

REPRESENTATIVE CARTER

Representatives Costantino, McCauley, McManus, Long, and Trillo, discuss the amendment.

By unanimous consent, Representative Trillo, seconded by Representatives Watson and Long offers a written motion to amend the amendment.

AN ACT RELATING TO CRIMINAL PROCEDURE - EYEWITNESS IDENTIFICATION

Mr. Speaker:

I hereby move to amend 2004 -- H 7575, entitled "AN ACT RELATING TO CRIMINAL PROCEDURE - EYEWITNESS IDENTIFICATION", as follows:

By deleting all of the language following the enactment clause and inserting in place thereof the following:

"SECTION 1. Chapter 12-7 of the General Laws entitled "Arrest" is hereby amended by adding thereto the following section:

12-7-20.2. Eyewitness identification procedure. - - (a) Legislative purpose. The purpose of this section is to improve the reliability and accuracy of eyewitness identification procedures as mandated by the United States and Rhode Island Supreme courts by requiring that the protocols contained in subsections (b) through (g) be adhered to by all state law enforcement agencies when conducting live lineups and photographic displays as part of their investigations into criminal matters. The protocols contained in subsections (b) through (g) shall serve as predicates for the admissibility of evidence of live lineups and photographic displays at trial.

(b) Eyewitnesses shall be explicitly told that:

(1) the suspected perpetrator might not be in the live lineup or photographic display and therefore they are not required to make an identification; and

(2) they should not assume that the person administering the live lineup or photographic display knows which person is the suspect in the case.

(c) When an eyewitness is asked to view a live lineup or photographic display a sequential viewing procedure shall be used so that the eyewitness views only one member of the live lineup or photographic display at a time and makes a decision that the person viewed is the perpetrator or not individually and before viewing another member of the live lineup or photographic display.

(d) Suspects shall not stand out in the live lineup or photographic display as being different from the nonsuspects, based upon the eyewitness' previous description of the perpetrator, or based on other factors that would draw attention to the suspect.

(e) At the conclusion of the identification procedure a clear written statement shall be made of any statements made by the eyewitness at the time of the live lineup or photographic display as to his or her confidence that the identified person is or is not the perpetrator. This statement shall be recorded prior to any further interviews with the eyewitness by the police.

SECTION 2. This act shall take effect upon passage."
