It is enacted by the General Assembly as follows:

1 SECTION 1. Section 31-27-2 of the General Laws in Chapter 31-27 entitled "Motor
2 Vehicle Offenses" is hereby amended to read as follows:

3 **31-27-2. Driving under influence of liquor or drugs.** -- (a) Whoever drives or
4 otherwise operates any vehicle in the state while under the influence of any intoxicating liquor,
5 drugs, toluene, or any controlled substance as defined in chapter 28 of title 21, or any
6 combination of these, shall be guilty of a misdemeanor except as provided in subdivision (d)(3)
7 and shall be punished as provided in subsection (d) of this section.

8 (b) (1) Any person charged under subsection (a) of this section whose blood alcohol
9 concentration is eight one-hundredths of one percent (.08%) or more by weight as shown by a
10 chemical analysis of a blood, breath, or urine sample shall be guilty of violating subsection (a) of
11 this section. This provision shall not preclude a conviction based on other admissible evidence.
12 Proof of guilt under this section may also be based on evidence that the person charged was under
13 the influence of intoxicating liquor, drugs, toluene, or any controlled substance defined in chapter
14 28 of title 21, or any combination of these, to a degree which rendered the person incapable of
15 safely operating a vehicle. The fact that any person charged with violating this section is or has
16 been legally entitled to use alcohol or a drug shall not constitute a defense against any charge of
17 violating this section.

18 (2) Whoever drives or otherwise operates any vehicle in the state with a blood presence
19 of any scheduled controlled substance as defined within chapter 28 of title 21, as shown by

1 analysis of a blood or urine sample, shall be guilty of a misdemeanor and shall be punished as
2 provided in subsection (d) of this section.

3 (c) In any criminal prosecution for a violation of subsection (a) of this section, evidence
4 as to the amount of intoxicating liquor, toluene, or any controlled substance as defined in chapter
5 28 of title 21, or any combination of these, in the defendant's blood at the time alleged as shown
6 by a chemical analysis of the defendant's breath, blood, or urine or other bodily substance shall be
7 admissible and competent, provided that evidence is presented that the following conditions have
8 been complied with:

9 (1) The defendant has consented to the taking of the test upon which the analysis is
10 made. Evidence that the defendant had refused to submit to the test shall not be admissible unless
11 the defendant elects to testify.

12 (2) A true copy of the report of the test result was mailed within seventy-two (72) hours
13 of the taking of the test to the person submitting to a breath test.

14 (3) Any person submitting to a chemical test of blood, urine, or other body fluids shall
15 have a true copy of the report of the test result mailed to him or her within thirty (30) days
16 following the taking of the test.

17 (4) The test was performed according to methods and with equipment approved by the
18 director of the department of health of the state of Rhode Island and by an authorized individual.

19 (5) Equipment used for the conduct of the tests by means of breath analysis had been
20 tested for accuracy within thirty (30) days preceding the test by personnel qualified as
21 hereinbefore provided, and breathalyzer operators shall be qualified and certified by the
22 department of health within three hundred sixty-five (365) days of the test.

23 (6) The person arrested and charged with operating a motor vehicle while under the
24 influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of
25 title 21, or, any combination of these in violation of subsection (a) of this section was afforded the
26 opportunity to have an additional chemical test. The officer arresting or so charging the person
27 shall have informed the person of this right and afforded him or her a reasonable opportunity to
28 exercise this right, and a notation to this effect is made in the official records of the case in the
29 police department. Refusal to permit an additional chemical test shall render incompetent and
30 inadmissible in evidence the original report.
