It is enacted by the General Assembly as follows:

SECTION 1. Title 34 of the General Laws entitled "PROPERTY" is hereby amended by adding thereto the following chapter:

CHAPTER 44.1
THE RHODE ISLAND MUSEUM PROPERTY ACT

34-44.1-1. Definitions. -- As used in this chapter, the following words and terms shall have the following meanings, unless the context indicates another or different meaning or intent:

(1) "Museum" means an organized and permanent nonprofit or public institution in Rhode Island operated by, or a division of, of nonprofit corporation, trust, association, educational institution or public agency, which is primarily educational, scientific, historic or aesthetic in purpose, and which owns, borrows, cares for, studies, archives or exhibits property. Museums may include, but not be limited to, historical societies, parks, historic sites and monuments, archives and libraries;

(2) "Property" means any tangible object in the possession of and under a museum's care that has intrinsic educational, scientific, historical, artistic, aesthetic or cultural value;

(3) "Loan" or "loaned" means a deposit with a museum that: (i) Title to the property is not transferred to the museum, (ii) The loan agreement for such deposit does not include a provision that the museum acquire title at some time after such deposit is made; or (iii) The loan agreement for such deposit includes an option for the museum to acquire title at some time after such deposit is made;
(4) “Lender” means a person (an individual, association, partnership, corporation, trust, estate, or other entity) whose name appears on the records of a museum as the person legally entitled to, or claiming to be legally entitled to, property held by the museum or, if such person is deceased, the legal heirs of such person.

(5) “Undocumented property” means property under a museum’s care whose ownership cannot be determined by reference to the museum’s records, and for which the museum does not have a reasonable means of determining the owner.

(6) “Publication” means inclusion in the online publication of lists of abandoned property established pursuant to section 33-21.1-18.

34-44.1-2. Property held subject to a loan agreement. -- (a) Any property on loan to a museum that is subject to a loan agreement shall be deemed to be donated to the museum if:

(1) No claim of ownership is made or action filed to recover such property by the owner or lender after termination or expiration of the loan; and

(2) The museum has given notice, in accordance with the provisions of section 34-44.1-5 of this chapter, and no claim of ownership is made or action to recover such property is filed on or before sixty (60) days after the publication of the notice.

(b) A museum may terminate a loan of property for any property that was loaned to the museum for an indefinite term if the property has been in the possession of the museum for at least five (5) years. Any property on loan to a museum and whose loan agreement indicates that such property is on permanent loan to the museum shall be considered loaned for an indefinite term for purposes of this subsection. The property for any loan of property that has been terminated pursuant to this subsection shall be deemed donated to the museum.

(c) A museum may terminate a loan of property for any property that was loaned to the museum for a specified term after the expiration of such specified term, provided the museum provides notice of such termination in accordance with the provisions of section 34-44.1-5 of this chapter. The property for any loan of property that has been terminated pursuant to this subsection shall be deemed donated to the museum.

(d) It shall be the responsibility of the lender of property loaned to a museum to provide the museum with written notice of any change of the lender’s address, of the lender’s designated agent, of the designated agent’s address, and of the name of the new owner or lender if there is a change in the ownership of the property loaned to the museum.

(e) A museum accepting a loan of property shall inform the lender of such property in writing of the provisions of this chapter.

34-44.1-3. Property held without a loan agreement. -- (a) Any property in the
possession of a museum that is not subject to a loan agreement shall be deemed to be abandoned
if:

(1) The property is unclaimed and has been in the possession of the museum as unclaimed property for at least five (5) years;

(2) The museum has given notice, in accordance with the provisions of section 34-44.1-5;

and

(3) No claim of ownership is made or action to recover such property is filed on or before sixty (60) days after the publication of the notice.

(b) Any abandoned property in the possession of a museum shall become the property of such museum.

34-44.1-4. Maintenance of records. -- On or after the effective date of this chapter, each museum shall maintain a record of all property on loan to the museum which shall include, if known, the name and address of the lender and the dates that the property is to be on loan to the museum and a copy of the loan agreement for the property. The museum shall provide a copy of the record and the loan agreement to the lender of property at the time that the lender makes the loan of property to the museum. If a museum is notified of a change in ownership of any property on loan to the museum, the museum shall create a new record for the property and update the existing loan agreement and shall provide a written copy of the new record and the updated loan agreement to the new owner of the property. A museum shall retain all written records regarding property acquired under this chapter for at least ten (10) years from the date that the museum acquired title to the property or until dissolution of the museum, whichever occurs first.

34-44.1-5. Notice requirements. -- (a) Prior to a museum accepting donated property pursuant to section 34-44.1-2, or taking ownership of abandoned property pursuant to section 34-44.1-3, the museum shall make a reasonable good faith effort to find the address of the lender and provide notice that the museum may become the owner of the property. The notice shall be sent by certified mail, return receipt requested, to the address of the lender on record with the museum.

(b) If the museum does not have an address on record for the lender of the property, or the museum does not receive written proof of receipt of the mailed notice within thirty (30) days after the date the notice was mailed, notice shall be published for a duration of six (6) months in the lists of abandoned property advertised by the general treasurer as prescribed in section 33-21.1-18. The museum shall provide to the general treasurer the following information to be included in the notice:

(1) The name and address of the museum and a brief and general description of the
unclaimed property, including date of the property or the approximate date the property came into
the custody of the museum;

(2) If known, the name and address of the lender on record with the museum, if any;

(3) A request that all persons who may have any knowledge of the whereabouts of the
lender provide written notice to the museum;

(4) The name and contact information of the person at the museum to be contacted
regarding the property; and

(5) A statement that if no claim of ownership is made or action to recover the property is
filed with the museum on or before sixty (60) days from the last day that the notice is included in
the unclaimed property publication, the property shall be deemed donated or abandoned and shall
become the property of the museum.

34-44.1-6. Property vested in museum. -- (a) If a museum receives a timely written
claim of ownership for any property for which notice of donation or abandonment was made,
pursuant to section 34-44.1-5, from the lender on record with the museum, or the designated
agent of such lender, the museum shall return the property to the lender or carry out the
disposition of such property as the lender requests not later than sixty (60) days after receipt of
such written claim of ownership, provided the lender shall advise the museum in writing as to the
disposition of such property or how such property is to be returned to the lender. Any costs
incurred as a result of returning such property or the disposition of such property shall be the
responsibility of the lender unless the lender and the museum have mutually agreed to alternate
arrangements.

(b) If a museum receives a written claim of ownership for any property for which notice
of donation or abandonment was made, pursuant to section 34-44.1-5, from a person other than
the lender on record with the museum, the museum shall, not later than sixty (60) days after
receipt of such written claim of ownership, determine if such ownership claim is valid. A
claimant shall submit proof of ownership to the museum with such written claim of ownership. If
more than one person submits a written claim of ownership, the museum may delay its
determination of ownership until the competing claims are resolved by agreement or legal action.
A museum shall not be obligated to initiate legal action to resolve competing claims. If the
museum determines that the written claim of ownership is valid or if the competing claims are
resolved by agreement or judicial action, the museum shall return the property to the claimant
submitting the valid claim of ownership or dispose of the property as the valid claimant requests.
Any costs incurred as a result of returning the property or the disposition of the property shall be
the responsibility of the valid claimant unless the valid claimant and the museum have mutually
agreed to alternate arrangements.

(c) If no written claim of ownership is presented to the museum on or before sixty (60) days after the publication of the notice, the property shall be deemed donated or abandoned and title to the property shall vest in the museum.

(d) Any person who purchases or otherwise acquires property from a museum that obtained the property by donation or abandonment pursuant to this section and sections 34-44.1-2 and 34-44.1-3, shall acquire good title to such property.

34-44.1-7. Application of conservation measures to property on loan to a museum. --

(a) Unless a written loan agreement provides otherwise, a museum may apply conservation or protective measures to, or dispose of, undocumented property or property on loan to the museum without the lender’s or claimant’s permission or formal notice if immediate action is required to protect the property on loan or other property in the custody of the museum, or because the property on loan has become a hazard to the health and safety of the public or to the museum’s staff, and if one of the following applies:

(1) The property poses an immediate risk of harm to the museum’s staff or collection or to the general public, in which case the museum may dispose of the property without delay and shall notify the lender or claimant of the action taken within thirty (30) days; or

(2) The museum is unable to contact the lender at the address on record for the lender within three (3) days before the time the museum determines action is necessary; or

(3) The lender does not: (i) Respond or agree to the conservation or protective measures recommended by the museum; and (ii) Does not or is unable to terminate the loan and take possession of such property within the time the museum determines that action is necessary.

(b) If a museum applies conservation or protective measures to any property on loan to the museum under this section, unless the written loan agreement for the property provides otherwise, the museum shall acquire a lien on the property in an amount equal to the costs incurred by the museum for any conservation or protective measures taken.

(c) The museum shall not be liable for injury to or loss of any property that was on loan to the museum and for which conservation or protective measures were taken under this section, if the museum: (1) Had a reasonable belief at the time the conservation or protective measures were taken that such measures were necessary to protect the property or other property in the possession of the museum, or that the property was a hazard to the health and safety of the public or museum staff, and (2) Exercised reasonable care in the choice and application of the conservation and protective measures.

34-44.1-8. Scope. -- (a) The provisions of this chapter shall:
(1) Not be construed to abrogate the rights and obligations of a lender, claimant or museum identified in a written loan agreement, unless the requirements of section 34-44.1-2 have been fulfilled;

(2) Not preclude a museum from availing itself of any other means of establishing or perfecting title to property in the possession of the museum.

(b) This chapter applies to all property held by or in the custody of a museum on or after the effective date of the chapter.

SECTION 2. Section 33-21.1-18 of the General Law in Chapter 31-21.1 entitled "Unclaimed Intangible and Tangible Property" is hereby amended to read as follows:

33-21.1-18. (2) A statement that information concerning the property and the name and last known address of the holder may be obtained by any person possessing an interest in the property by addressing an inquiry to the administrator; and

(4) This section is not applicable to sums payable on travelers checks, money orders, and other written instruments presumed abandoned under section 33-21.1-4 or museum property subject to chapter 34-44.1.

(c)(1) Part two (2) of the unclaimed property publication must be entitled "Names of Persons Appearing to be Owners of Abandoned Museum Property" and contain the following information that a museum, as defined in chapter 34-44.1, has provided to the administrator;

(2) After notice has been posted in part two (2) of the unclaimed property publication for six (6) months, the administrator shall provide in writing to each museum confirmation of the dates that the properties were included in the unclaimed property publication.

(3) The administrator shall have the authority to establish procedures to implement the provisions of this subsection (c); provided however, that at no time shall any property be placed in the custody of the administrator and provided further that the administrator shall have no authority to determine any claim of ownership. All claims shall be directed to the museum that has custody of the property and any claim of ownership shall be determined in accordance with the provisions of chapter 34-44.1. The administrator, and the administrator’s employees and agents, shall not be liable for any actions taken in carrying out the requirements of this subsection (c).

(d) The administrator is not required to publish in the unclaimed property publication any items of less than fifty dollars ($50.00) unless the administrator considers their publication to be in the public interest or a museum’s requests that an item be published in the unclaimed property publication.

(d) This section is not applicable to sums payable on travelers checks, money orders, and other written instruments presumed abandoned under § 33-21.1-4.
