

1 states as a condition precedent to the continuance or issuance of any license to hunt, fish, trap, or  
2 possess wildlife.

3 (5) Violation of wildlife laws interferes with the management of wildlife resources and  
4 may endanger the safety of persons and property.

5 (6) The mobility of many wildlife law violators necessitates the maintenance of channels  
6 of communication among the various states.

7 (7) In most instances, a person who is cited for a wildlife violation in a state other than  
8 his/her home state:

9 (i) Is required to post collateral or a bond to secure appearance for a trial at a later date; or

10 (ii) Is taken into custody until the collateral or bond is posted; or

11 (iii) Is taken directly to court for an immediate appearance.

12 (8) The purpose of the enforcement practices set forth in subdivision (7) is to ensure  
13 compliance with the terms of a wildlife citation by the cited person who, if permitted to continue  
14 on his/her way after receiving the citation, could return to his/her home state and disregard his/her  
15 duty under the terms of the citation.

16 (9) In most instances, a person receiving a wildlife citation in his/her home state is  
17 permitted to accept the citation from the officer at the scene of the violation and immediately  
18 continue on his/her way after agreeing or being instructed to comply with the terms of the  
19 citation.

20 (10) The practices described in subdivision (7) cause unnecessary inconvenience and, at  
21 times, a hardship for the person who is unable at the time to post collateral, furnish a bond, stand  
22 trial, or pay a fine, and thus is compelled to remain in custody until some alternative arrangement  
23 is made.

24 (11) The enforcement practices described in subdivision (7) consume an undue amount of  
25 law enforcement time.

26 (b) It is the policy of the participating states to:

27 (1) Promote compliance with the statutes, laws, ordinances, regulations, and  
28 administrative rules relating to management of wildlife resources in their respective states.

29 (2) Recognize the suspension of wildlife license privileges of any person whose license  
30 privileges have been suspended by a participating state and treat such suspension as if it had  
31 occurred in their state.

32 (3) Allow a violator, except as provided in subsection (b) of Article III, to accept a  
33 wildlife citation and, without delay, proceed on his/her way, whether or not a resident of the state  
34 in which the citation was issued, provided that the violator's home state is party to this compact.

1 (4) Report to the appropriate participating state, as provided in the compact manual, any  
2 conviction recorded against any person whose home state was not the issuing state.

3 (5) Allow the home state to recognize and treat convictions recorded against its residents,  
4 which convictions occurred in a participating state, as though they had occurred in the home state.

5 (6) Extend cooperation to its fullest extent among the participating states for enforcing  
6 compliance with the terms of a wildlife citation issued in one participating state to a resident of  
7 another participating state.

8 (7) Maximize effective use of law enforcement personnel and information.

9 (8) Assist court systems in the efficient disposition of wildlife violations.

10 (c) The purpose of this compact is to:

11 (1) Provide a means through which participating states may join in a reciprocal program  
12 to effectuate the policies enumerated in subsection (b) in a uniform and orderly manner.

13 (2) Provide for the fair and impartial treatment of wildlife violators operating within  
14 participating states in recognition of the violator's right to due process and the sovereign status of  
15 a participating state.

## 16 ARTICLE II

1 (a) When issuing a citation for a wildlife violation, a wildlife officer shall issue a citation  
2 to any person whose primary residence is in a participating state in the same manner as though  
3 the person were a resident of the issuing state and shall not require such person to post collateral  
4 to secure appearance, subject to the exceptions noted in subsection (b) if the officer receives the  
5 recognizance of such person that he/she will comply with the terms of the citation.

6 (b) Personal recognizance is acceptable:

7 (1) If not prohibited by state or local law or the compact manual; and

8 (2) If the violator provides adequate proof of identification to the wildlife officer.

9 (c) Upon conviction or failure of a person to comply with the terms of a wildlife citation,  
10 the appropriate official shall report the conviction or failure to comply to the licensing authority  
11 of the participating state in which the wildlife citation was issued. The report shall be made in  
12 accordance with procedures specified by the issuing state and shall contain information as  
13 specified in the compact manual as minimum requirements for effective processing by the home  
14 state.

15 (d) Upon receipt of the report of conviction or noncompliance pursuant to subsection (c),  
16 the licensing authority of the issuing state shall transmit to the licensing authority of the home  
17 state of the violator the information in form and content as prescribed in the compact manual.

#### 18 ARTICLE IV

##### 19 Procedure for Home State

20 (a) Upon receipt of a report from the licensing authority of the issuing state reporting the  
21 failure of a violator to comply with the terms of a citation, the licensing authority of the home  
22 state shall notify the violator and shall initiate a suspension action in accordance with the home  
23 state's suspension procedures and shall suspend the violator's license privileges until satisfactory  
24 evidence of compliance with the terms of the wildlife citation has been furnished by the issuing  
25 state to the home state licensing authority. All member states may honor a suspension based on  
26 failure to comply. Due process safeguards will be accorded.

27 (b) Upon receipt of a report of conviction from the licensing authority of the issuing state,  
28 the licensing authority of the home state may enter such conviction in its records and may treat  
29 such conviction as though it occurred in the home state for the purposes of the suspension of  
30 license privileges if the violation resulting in a suspension could have been the basis for  
31 suspension of license privileges in the home state.

32 (c) The licensing authority of the home state shall maintain a record of actions taken and  
33 shall make reports to issuing states as provided in the compact manual.

#### 34 ARTICLE V

1 Reciprocal Recognition of Suspension

2 (a) All participating states shall recognize the suspension of license privileges of any  
3 person by any participating state as though the violation resulting in the suspension had occurred  
4 in their state and could have been the basis for suspension of license privileges in their state.

5 (b) Each participating state shall communicate suspension information to other  
6 participating states in form and content as contained in the compact manual.

7 ARTICLE VI

8 Applicability of Other Laws

9 Except as expressly required by provisions of this compact, nothing herein shall be  
10 construed to affect the right of any participating state to apply any of its laws relating to license  
11 privileges to any person or circumstance or to invalidate or prevent any agreement or other  
12 cooperative arrangement between a participating state and a nonparticipating state concerning  
13 wildlife law enforcement.

14 ARTICLE VII

15 Compact Administrator Procedures

16 (a) For the purpose of administering the provisions of this compact and to serve as a  
17 governing body for the resolution of all matters relating to the operation of this compact, a board  
18 of compact administrators is established. The board shall be composed of one representative from  
19 each of the participating states to be known as the compact administrator. The compact  
20 administrator shall be appointed by the head of the licensing authority of each participating state  
21 and shall serve and be subject to removal in accordance with the laws of the state he or she  
22 represents. A compact administrator may provide for the discharge of his or her duties and the  
23 performance of his or her functions as a board member by an alternate. An alternate shall not be  
24 entitled to serve unless written notification of his or her identity has been given to the board.

25 (b) Each member of the board of compact administrators shall be entitled to one vote. No  
26 action of the board shall be binding unless taken at a meeting at which a majority of the total  
27 number of the board's votes are cast in favor thereof. Action by the board shall be only at a  
28 meeting at which a majority of the participating states are represented.

29 (c) The board shall elect annually from its membership a chairperson and vice-  
30 chairperson.

31 (d) The board shall adopt bylaws not inconsistent with the provisions of this compact or  
32 the laws of a participating state for the conduct of its business and shall have the power to amend  
33 and rescind its bylaws.

1 and all donations and grants of moneys, equipment, supplies, materials, and services, conditional  
2 or otherwise, from any state, the United States, or any governmental agency, and may receive,  
3 utilize and dispose of same.

4 (f) The board may contract with, or accept services or personnel from, any governmental  
5 or intergovernmental agency, individual, firm, or corporation, or any private nonprofit  
6 organization or institution.

7 (g) The board shall formulate all necessary procedures and develop uniform forms and  
8 documents for administering the provisions of this compact. All procedures and forms adopted  
9 pursuant to board action shall be contained in a compact manual.

## 10 ARTICLE VIII

22 with all additional states legally becoming a party to the compact.

23 (3) The effective date of entry shall be specified by the applying state, but shall not be  
24 less than sixty (60) days after notice has been given:

27 applying state has been received.

28 (c) A participating state may withdraw from participation in this compact by official  
29 written notice to each participating state, but withdrawal shall not become effective until ninety  
30 (90) days after the notice of withdrawal is given. The notice shall be directed to the compact  
31 administrator of each member state. No withdrawal of any state shall affect the validity of this  
32 compact as to the remaining participating states.

## 33 ARTICLE IX

### 34 Amendments to the Compact

1 (a) This compact may be amended from time to time. Amendments shall be presented in  
2 resolution form to the chairman of the board of compact administrators and shall be initiated by

5 become effective thirty (30) days after the date of the last endorsement.

11 This compact must be liberally construed so as to effectuate the purposes stated herein.  
12 The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision  
13 of this compact is declared to be contrary to the constitution of any participating state or of the  
14 United States, or the applicability thereof to any government, agency, individual, or circumstance  
15 is held invalid, the validity of the remainder of this compact shall not be affected thereby. If this  
16 compact shall be held contrary to the constitution of any participating state, the compact shall

33 department determines that the person's privileges could have been forfeited, the department may  
34 suspend the person's privileges to hunt, trap, or fish in this state for the same period as imposed

3 (b) When the department receives notice of a conviction of a state resident from the  
4 licensing authority of the issuing state, the department may, if the conviction is final, treat the  
5 conviction as if it had occurred in Rhode Island and shall determine whether the conviction could  
6 have led to the forfeiture of the resident's hunting, trapping, or fishing privileges under state law.  
7 If the department determines that the resident's privileges could have been forfeited, the  
8 department may suspend the resident's privileges to hunt, trap, or fish in this state for the same  
9 period as the issuing state, not to exceed the limit that could have been imposed under Rhode  
10 Island law, provided the department has complied with the requirements of section 20-39-5.

14 state, who applies for or purchases any licenses or permits to hunt, trap, or fish in this state, or

18 **participating state - Penalty.** – (a) The department of environmental management may suspend  
19 the hunting, trapping, or fishing privileges of any resident of this state upon notification from the  
20 licensing authority of an issuing state that the resident has failed to comply with the terms of a  
21 citation issued for a wildlife violation, provided the department has complied with the  
22 requirements of section 20-39-5. The suspension remains in effect until the department receives  
23 satisfactory evidence of compliance from the issuing state.

29 **20-39-5. Hearing on suspension.** – (a) Prior to suspending the hunting, trapping, or  
30 fishing privileges of any person under sections 20-39-3 or 20-39-4, the department of

32 within twenty (20) days of the notice, request a hearing before the department on whether the  
33 requirements for suspension have been met.

34 (b) Upon request, the department shall set a hearing as early as practicable.

1           (c)(1) The requesting person may present evidence and arguments at the hearing  
2 contesting whether:

3           (i) A participating state suspended the person's privileges;

4           (ii) There was a final conviction in the participating state;

5           (iii) The person failed to comply with the terms of a citation issued for a wildlife
