The senators and representatives in the general assembly shall be elected on the Tuesday after the first Monday in November, biennially in even numbered years, and shall severally hold their offices for two (2) years from the first Tuesday of January next succeeding their election and until their successors are elected and qualified.

The representatives and senators in the general assembly shall be elected on the Tuesday...

Recall is authorized in the case of a general officer who has been indicted or informed against for a felony, convicted of a misdemeanor, or against whom a finding of probable cause of violation of the code of ethics has been made by the ethics commission. Recall shall not, however be instituted at any time during the first six (6) months or the last year of an individual's term of office. Such a recall may be instituted by filing with the state board of elections an application for issuance of a recall petition against said general officer which is signed by duly qualified electors equal to three percent (3%) of the total number of votes cast at the last preceding general election for that office. If, upon verification, the application is determined to contain signatures of the required number of electors, the state board of elections shall issue a recall petition for circulation amongst the electors of the state. Within ninety (90) days of issuance, recall petitions containing the signatures of duly qualified electors constituting fifteen percent (15%) of the total number of votes cast in the last preceding general election for said office must be filed with the state board of elections. The signatures to the application and to the recall petition need not all be on one (1) sheet of paper, but each such application and petition must contain an identical statement naming the person to be recalled, the general office held by said person, and the grounds for such recall set forth in a statement of one hundred (100) words or less approved by the board of elections. Each signatory must set forth his or her signature as it appears on the voting list, the date of signing, and his or her place of residence. The person witnessing the signatures of each elector on said petition must sign a statement under oath on said sheet attesting that the signatures thereon are genuine and were signed in his or her presence. If the requisite number of signatures are not obtained within said ninety (90) days period, the recall effort shall terminate. Upon verification of the requisite number of signatures, a special election shall be scheduled at which the issue of removing said office holder and the grounds therefor shall be placed before the electors of the state. If a majority of those voting support removal of said office holder, the office shall be immediately declared vacant and shall be filled in accordance with the constitution and laws of the state. The person so removed shall not be eligible to fill the unexpired portion of the term of office. The general assembly shall provide by statute for implementation of the recall process.
