technologically feasible and economically practical:

(1) Identify each producer’s participation in the program;

(2) Describe the fee structure for the program and propose a uniform stewardship fee that
is sufficient to cover the costs of operating and administering the program;

(3) Establish performance goals for the first two (2) years of the program;

(4) Identify proposed recycling facilities to be used by the program, such facilities shall
not require a solid waste management facilities license;

(5) Detail how the program will promote the recycling of discarded mattresses;

(6) Include a description of the public education program;

(7) Describe fee disclosure language that retailers will be required to prominently display
that will inform consumers of the amount and purpose of the fee; and

the corporation shall make a determination whether to:

(2) Deny the plan.

(d) The corporation director shall approve the plan for the establishment of the mattress stewardship program, provided such plan reasonably meets the requirements of this section. Not later than forty-five (45) days after receipt of the revised plan, the corporation director shall review and approve or deny the revised plan. The council may resubmit a revised plan to the corporation director for approval on not more than two (2) occasions. If the council fails to submit a plan that is acceptable to the corporation director, because it does not meet the criteria pursuant to subdivision (b)(1-8), the corporation director shall have the ability to modify the submitted plan and approve it. Not later than one hundred twenty (120) days after the approval of a plan pursuant to this section, the council shall implement the mattress stewardship program.

(f) It is the responsibility of the council to:

The council may propose a change to the uniform fee more frequently than once every two (2) years if the council determines such change is needed to avoid funding shortfalls or excesses. Any proposed fee shall be reviewed by an independent auditor to assure that such assessment does not exceed the costs of the mattress stewardship program described in subsection (b) of this section and to maintain financial reserves sufficient to operate the program over a multi-year period in a fiscally prudent and responsible manner. Not later than sixty (60) days after the council proposes a mattress stewardship fee, the auditor shall render an opinion to the corporation director as to whether the proposed mattress stewardship fee is reasonable to achieve the goals set forth in this section. If the auditor concludes that the mattress stewardship fee is reasonable, then the proposed fee shall go into effect not less than ninety (90) days after the auditor notifies the corporation director that the fee is reasonable. If the auditor concludes that the mattress stewardship fee is not reasonable, the auditor shall provide the council with written notice explaining the auditor's opinion. Not later than fourteen (14) days after the council's receipt of the auditor's opinion, the council may either propose a new mattress stewardship fee or provide written comments on the auditor's opinion. If the auditor concludes that the fee is not reasonable, the corporation director shall decide, based on the auditor's opinion and any comments provided by the council, whether to approve the proposed mattress stewardship fee. Such auditor shall be selected by the council. The cost of any work performed by such auditor pursuant to the provisions of the subsection and paragraph (i) of this section shall be funded by the council.

(i) (A) On and after the implementation of the mattress stewardship program, the fee, established pursuant to subsection (b) of this section, and described in subsection (h) of this section, shall be added to the cost of all mattresses sold to retailers and distributors in this state by each producer. On and after such implementation date, each retailer or distributor, as applicable, each retailer shall add the amount of such the fee established pursuant to subsection (b) of this section and described in subsection (h) of this section to the purchase price of all mattresses sold in this state. The fee shall be remitted by the retailer to the council. The council may, subject to the corporation director's approval, establish an alternative, practicable means of collecting or remitting such fee.

(B) On and after the implementation date of the mattress stewardship program, no producer, distributor or retailer shall sell or offer for sale a mattress to any person in the state if
the producer is not a member of the council.

(C) No retailer or distributor shall be found to be in violation of the provisions of this section, if, on the date the mattress was ordered from the producer or its agent, the producer of said mattress was listed on the corporation's website in accordance with the provisions of this chapter.

(j) Not later than October 1, 2016 an annually thereafter, the council shall submit an annual report to the corporation director. The corporation director shall post such annual report on the corporation's website. Such report shall include, but not be limited to

(9) Recommendations for any changes to the program.

(k) Two (2) years after the implementation of the program and upon the request of the corporation director but not more frequently than once a year, the council shall cause an audit of the program to be conducted by the auditor describe in subsection (h) of this section. Such audit shall review the accuracy of the council's data concerning the program and provide any other information requested by the corporation director. Such audit shall be paid for by the council. The council shall maintain all records relating to the program for not less than three (3) years.

(l) No covered entity that participates in the program shall charge for receipt of mattresses generated in the state. Covered entities may charge a fee for providing the service of
collecting mattresses and may restrict the acceptance of mattresses by number, source or physical
condition.

(m) Covered entities that, upon the date of this act's passage, have an existing program
for recycling discarded mattresses may continue to operate such program without coordination of
the council, so long as the entities are able to demonstrate, in writing, to the corporation director
that the facilities to which discarded mattresses are delivered are engaged in the business of
recycling said mattresses and the corporation director approves the written affirmation that the
facility engages in mattress recycling of mattresses received by the covered entity. A copy of the
written affirmation and the corporation's approval shall be provided to the council by the
