RELATING TO EDUCATION - THE BRIGHT TODAY SCHOLARSHIP AND OPEN  
ENROLLMENT EDUCATION ACT

Introduced By: Representatives Hull, Chippendale, Malik, and Corvese

Date Introduced: March 05, 2015

Referred To: House Finance

It is enacted by the General Assembly as follows:

1 SECTION 1. TITLE 16 of the General Laws entitled "EDUCATION" is hereby amended  
2 by adding thereto the following chapter:

3 CHAPTER 105

4 THE BRIGHT TODAY SCHOLARSHIP AND OPEN ENROLLMENT EDUCATION ACT

5 **16-105-1. Short title.** -- This act shall be known and may be cited as "The Bright Today  
6 Scholarship and Open Enrollment Education Act."

7 **16-105-2. Purpose.** -- (a) The purpose of this chapter is to provide parents of K-12  
8 students in Rhode Island with an opportunity to enroll their child in an educational program of  
9 their choosing, either via open enrollment in a traditional public school in their own district or in  
10 any other public school district, or by receiving a scholarship, with designated public monies to  
11 follow the student to the private school or private curriculum program selected by the parent.

12 (b) National research demonstrates that with scholarships, similar to those provided for in  
13 this chapter, public school districts can actually save money and in most instances also see  
14 improved academic outcomes because of the new "parental" accountability standards they will be  
15 held to.

16 (c) Further, this chapter has been crafted to ensure that more money per pupil remains in  
17 public school districts, even after scholarships have been awarded from the state portion of  
18 educational funding to districts.

1           **16-105-3. Definition of Terms.** -- As used in this chapter, the following terms shall have  
2 the following meanings unless the context clearly indicates otherwise:

4 sources to serve and educate students on a per pupil basis. Federal funds are not included.

6 "Educations savings accounts (ESAs)," means and will be offered to all students that are, or will

8 scholarships allow parents to utilize certain funds that would normally be allocated to their child  
9 at their resident school district for an educational program as determined by the parents or  
10 guardian of the child.

3 eligible student.

4 (11) "Qualified school" means a nongovernmental primary or secondary school or a  
5 preschool for handicapped students that is located in this state and that conforms with the  
6 requirements for such schools within Rhode Island.

8 who is any of the following:

23           (d) Department scholarship account fund. In exchange for the parent's agreement  
24 pursuant to subsection (b) of this section, the department shall transfer from the aggregate monies  
25 that would otherwise be allocated to the participating student's resident school district a payment  
26 for base funding or qualified funding as described in subsections (e), (f), and (g) of this section, to  
27 the general treasurer for deposit into an individual bright today scholarship account to be  
28 managed by the parents of the student. The department may retain a maximum of three percent

30 plan for that student; provided that such reimbursements shall not exceed five percent (5%) of the  
31 additional qualified funding award.

5 bright today scholarship account and shall notify the treasurer. A parent, student, or vendor may
