STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2016

—————  
A N A C T

RELATING TO TAXATION -- LITTLE CIGAR TAX

Introduced By: Representatives Diaz, Blazejewski, Barros, Tobon, and Abney

Date Introduced: January 28, 2016

Referred To: House Finance

It is enacted by the General Assembly as follows:

1           SECTION 1. Legislative intent. – The use of tobacco and nicotine products by Rhode  
2   Island youth is a serious health and addiction problem. Cigarette use has greatly declined among  
3   Rhode Island youth, to eight percent (8%), but as the National Youth Tobacco Survey reports, in  
4   2014 overall use of tobacco among youth rose, exposing dangerous new trends. Clever marketing  
5   by the tobacco industry, pushing little cigars, hookahs, e-cigarettes, and flavored vaping products,  
6   has put millions of young people at risk of lifelong lethal nicotine addiction. The general  
7   assembly finds that each year, five hundred (500) children under the age of eighteen (18) in  
8   Rhode Island become daily smokers. There are sixteen thousand (16,000) children currently alive  
9   in Rhode Island today who will ultimately die prematurely from smoking. The department of  
10   health reports that while eight percent (8%) of Rhode Island high school students currently smoke  
11   cigarettes, eleven percent (11%) of Rhode Island public high school students currently smoke  
12   cigars, cigarillos, or little cigars. Rhode Island's annual health care costs due to smoking are  
13   \$639,604,224.

14           SECTION 2. Section 44-20-13.2 of the General Laws in Chapter 44-20 entitled  
15   "Cigarette Tax" is hereby amended to read as follows:

19   payment of the tax to be accomplished according to a mechanism established by the

1 administrator, division of taxation, department of administration. Any tobacco product on which  
2 the proper amount of tax provided for in this chapter has been paid, payment being evidenced by
