(3) At the time of the second oral request, the physician offered the patient an opportunity to rescind the request.

1	and attested that the patient appeared to understand the nature of the document and to be free
2	from duress or undue influence at the time the request was signed.
3	(5) The physician determined that the patient:
4	(i) Was suffering a terminal condition, based on the physician's physical examination of
5	the patient and the physician's review of the patient's relevant medical records;
6	(ii) Was capable;
7	(iii) Was making an informed decision;
8	(iv) Had made a voluntary request for medication to hasten their death; and
9	(v) Was a Rhode Island resident.
10	(6) The physician informed the patient in person, both verbally and in writing, of all the
11	following:
12	(i) The patient's medical diagnosis;
13	(ii) The patient's prognosis, including an acknowledgement that the physician's prediction
14	of the patient's life expectancy was an estimate based on the physician's best medical judgment
15	and was not a guarantee of the actual time remaining in the patient's life, and that the patient
16	could live longer than the time predicted;
17	(iii) The range of treatment options appropriate for the patient and the patient's diagnosis;
18	(iv) If the patient was not enrolled or participating in hospice care, all feasible end-of-life
19	services, including palliative care, comfort care, hospice care, and pain control;
20	(v) The range of possible results, including potential risks associated with taking the
21	medication to be prescribed; and
22	(vi) The probable result of taking the medication to be prescribed.
23	(7) The physician referred the patient to a second physician for medical confirmation of
24	the diagnosis, prognosis, and a determination that the patient was capable, was acting voluntarily,
25	and had made an informed decision.
26	(8) The physician either verified that the patient did not have impaired judgment or
27	referred the patient for an evaluation by a psychiatrist, psychologist, or clinical social worker,
28	licensed in Rhode Island, for confirmation that the patient was capable and did not have impaired
29	judgment.
30	(9) If applicable, the physician consulted with the patient's primary care physician with
31	the patient's consent.
32	(10) The physician informed the patient that the patient may rescind the request at any
33	time and in any manner and offered the patient an opportunity to rescind after the patient's second
34	oral request.

1	(11) The physician ensured that all required steps were carried out in accordance with this
2	section and confirmed, immediately prior to writing the prescription for medication, that the
3	patient was making an informed decision.
4	(12) The physician wrote the prescription no fewer than forty-eight (48) hours after the
5	last to occur of the following events:
6	(i) The patient's written request for medication to hasten their death;
7	(ii) The patient's second oral request; or
8	(iii) The physician's offering the patient an opportunity to rescind the request.
9	(13) The physician either:
10	(i) Dispensed the medication directly, provided that at the time the physician dispensed
11	the medication, they were licensed to dispense medication in Rhode Island, had a current Drug
12	Enforcement Administration certificate, and complied with any applicable administrative rules; or
13	(ii) With the patient's written consent:
14	(A) Contacted a pharmacist and informed the pharmacist of the prescription; and
15	(B) Delivered the written prescription personally or by mail or electronically to the
16	pharmacist, who dispensed the medication to the patient, the physician, or an expressly identified
17	agent of the patient.
18	(14) The physician recorded and filed the following in the patient's medical record:
19	(i) The date, time and detailed description of all oral requests of the patient for
20	medication to hasten their death;
21	(ii) All written requests by the patient for medication to hasten their death;
22	(iii) The physician's diagnosis, prognosis, and basis for the determination that the patient
23	was capable, was acting voluntarily, and had made an informed decision;
24	(iv) The second physician's diagnosis, prognosis, and verification that the patient was
25	capable, was acting voluntarily, and had made an informed decision;
26	(v) The physician's attestation that the patient was enrolled in hospice care at the time of
27	the patient's oral and written requests for medication to hasten their death or that the physician
28	informed the patient of all feasible end-of-life services;
29	(vi) The physician's verification that the patient either did not have impaired judgment or
30	that the physician referred the patient for an evaluation and the person conducting the evaluation
31	has determined that the patient did not have impaired judgment;
32	(vii) A report of the outcome and determinations made during any evaluation which the
33	patient may have received;
34	(viii) The date, time, and detailed description of the physician's offer to the patient to

1	rescind the request for medication at the time of the patient's second oral request; and
2	(ix) A note by the physician indicating that all requirements under this section were
3	satisfied and describing all of the steps taken to carry out the request, including a notation of the
4	medication prescribed.
5	(15) After writing the prescription, the physician promptly filed a report with the
6	department of health documenting completion of all of the requirements under this section.
7	(b) This section shall not be construed to limit civil or criminal liability for gross
8	negligence, recklessness, or intentional misconduct.
9	23-4.13-4. No duty to aid A patient with a terminal condition who self-administers a
0	lethal dose of medication shall not be considered to be a person exposed to grave physical harm
11	under §11-56-1, and no person shall be subject to civil or criminal liability solely for being
12	present when a patient with a terminal condition self-administers a lethal dose of medication
13	pursuant to this chapter, or for not acting to prevent the patient from self-administering a lethal
14	dose of medication pursuant to this chapter, or for not rendering aid to a patient who has self-
15	administered medication pursuant to this chapter.
16	23-4.13-5. Limitations on actions (a) A physician, nurse, pharmacist, or other person
17	shall not be under any duty, by law or contract, to participate in the provision of a lethal dose of
18	medication to a patient.
19	(b) A health care facility or health care provider shall not subject a physician, nurse,
20	pharmacist, or other person to discipline, suspension, loss of license, loss of privileges, or other
21	penalty for actions taken in good faith reliance on the provisions of this chapter or refusals to act
22	under this chapter.
23	(c) Except as otherwise provided in this chapter herein, nothing in this chapter shall be
24	construed to limit liability for civil damages resulting from negligent conduct or intentional
25	misconduct by any person.
26	23-4.13-6. Health care facility exception A health care facility may prohibit a
27	physician from writing a prescription for a dose of medication intended to be lethal for a patient
28	who is a resident in its facility and intends to use the medication on the facility's premises,
29	provided the facility has notified the physician in writing of its policy with regard to the said
30	prescriptions. Notwithstanding the provisions of §23-4.13-5(b), any physician who violates a
31	policy established by a health care facility under this section may be subject to sanctions
32	otherwise allowable under law or contract.
33	23-4.13-7. Insurance policies; prohibitions (a) A person and their beneficiaries shall
34	not be denied benefits under any life insurance policy, as defined in §27-4-0.1, for actions taken

2	(b) The sale, procurement, or issue of any medical malpractice insurance policy or the
3	rate charged for the policy shall not be conditioned upon or affected by whether the physician is
4	willing or unwilling to participate in the provisions of this chapter.
5	23-4.13-8. No effect on palliative sedation This chapter shall not limit or otherwise
6	affect the provision, administration, or receipt of palliative sedation consistent with accepted
7	medical standards.
8	23-4.13-9. Protection of patient choice at end-of-life A physician with a bona fide
9	physician-patient relationship with a patient with a terminal condition shall not be considered to
10	have engaged in unprofessional conduct under §5-37-5.1 if:
11	(1) The physician determines that the patient is capable and does not have impaired
12	judgment; and
13	(2) The physician informs the patient of all feasible end-of-life services, including
14	palliative care, comfort care, hospice care, and pain control; and
15	(3) The physician prescribes a dose of medication that may be lethal to the patient; and
16	(4) The physician advises the patient of all foreseeable risks related to the prescription;
17	<u>and</u>
18	(5) The patient makes an independent decision to self-administer a lethal dose of the
19	medication.
20	23-4.13-10. Immunity for physicians A physician shall be immune from any civil or
21	criminal liability or professional disciplinary action for actions performed in good faith
22	compliance with the provisions of this chapter.
23	23-4.13-11. Safe disposal of unused medications The department of health shall
24	adopt rules providing for the safe disposal of unused medications prescribed under this chapter.
25	23-4.13-12. Statutory construction Nothing in this chapter shall be construed to
26	authorize a physician or any other person to end a patient's life by lethal injection, mercy killing,
27	or active euthanasia. Action taken in accordance with this chapter shall not be construed for any
28	purpose to constitute suicide, assisted suicide, mercy killing, or homicide under the law. This
29	section shall not be construed to conflict with section 1553 of the Patient Protection and
30	Affordable Care Act, Pub.L. No. 111-148, as amended by the Health Care and Education
31	Reconciliation Act of 2010, Pub.L. No. 111-152.
32	SECTION 2. This act shall take effect upon passage.
