1 SECTION 1. Section 5-75-9 of the General Laws in Chapter 5-75 entitled "Professional  
2 Employer Organizations Act of 2004" is hereby amended to read as follows:

3 **5-75-9. Workers' compensation. --** (a) The responsibility to obtain workers'  
4 compensation coverage for covered employees, from a carrier licensed to do business in this state  
5 and otherwise in compliance with all applicable requirements, shall be specifically allocated in  
6 the professional employer agreement to either the client or the PEO. If such responsibility is  
7 allocated to the PEO under any such agreement, such agreement shall require that the PEO  
8 maintain and provide to client, at the termination of the agreement if requested by the client,  
9 records regarding the loss experience related to workers' compensation insurance provided to  
10 covered employees pursuant to such agreement. A certificate of insurance as proof of workers'  
11 compensation coverage shall be issued to the client if the PEO is to provide coverage or to the  
12 PEO if the client is to provide coverage with notification of cancellation to be issued immediately  
13 to either entity. In the case of cancellation, the other entity must immediately obtain coverage.

14 (b) Workers' compensation. - Except as is otherwise provided in chapters 29 through 38  
15 of title 28 for "temporary employees" provided to the client, and as to the furnishing of  
16 "temporary help services" as defined in this chapter, both ~~Both~~ client and the PEO shall be  
17 considered the employer for the purpose of coverage under the workers' compensation act and  
18 both the PEO and its client shall be entitled to protection of the exclusive remedy provision of the

1 workers' compensation act irrespective of which co-employer obtains such workers'  
2 compensation coverage.

3 SECTION 2. Sections 28-29-2 and 28-29-6.1 of the General Laws in Chapter 28-29  
4 entitled "Workers' Compensation - General Provisions" are hereby amended to read as follows:

5 **28-29-2. Definitions.** -- In chapters 29 -- 38 of this title, unless the context otherwise  
6 requires:

7 (1) "Department" means the department of labor and training.

8 (2) "Director" means the director of labor and training or his or her designee unless  
9 specifically stated otherwise.

10 (3) (i) "Earnings capacity" means the weekly straight time earnings which an employee  
11 could receive if the employee accepted an actual offer of suitable alternative employment.  
12 Earnings capacity can also be established by the court based on evidence of ability to earn,  
13 including, but not limited to, a determination of the degree of functional impairment and/or  
14 disability, that an employee is capable of employment. The court may, in its discretion, take into  
15 consideration the performance of the employee's duty to actively seek employment in scheduling  
16 the implementation of the reduction. The employer need not identify particular employment  
17 before the court can direct an earnings capacity adjustment. In the event that an employee returns  
18 to light duty employment while partially disabled, an earnings capacity shall not be set based  
19 upon actual wages earned until the employee has successfully worked at light duty for a period of  
20 at least thirteen (13) weeks.

21 (ii) As used under the provisions of this title, "functional impairment" means an  
22 anatomical or functional abnormality existing after the date of maximum medical improvement as  
23 determined by a medically or scientifically demonstrable finding and based upon the Sixth (6th)  
24 edition of the American Medical Association's Guide to the Evaluation of Permanent Impairment  
25 or comparable publications of the American Medical Association.

26 (iii) In the event that an employee returns to employment at an average weekly wage  
27 equal to the employee's pre-injury earnings exclusive of overtime, the employee will be presumed  
28 to have regained his/her earning capacity.

29 (4) "Employee" means any person who has entered into the employment of or works  
30 under contract of service or apprenticeship with any employer, except that in the case of a city or  
31 town other than the city of Providence it shall only mean that class or those classes of employees  
32 as may be designated by a city, town, or regional school district in a manner provided in this  
33 chapter to receive compensation under chapters 29 -- 38 of this title. Any person employed by the  
34 state of Rhode Island, except for sworn employees of the Rhode Island State Police, or by the

1 Rhode Island Airport Corporation who is otherwise entitled to the benefits of chapter 19 of title  
2 45 shall be subject to the provisions of chapters 29 -- 38 of this title for all case management  
3 procedures and dispute resolution for all benefits. The term "employee" does not include any  
4 individual who is a shareholder or director in a corporation, general or limited partners in a  
5 general partnership, a registered limited liability partnership, a limited partnership, or partners in  
6 a registered limited liability limited partnership, or any individual who is a member in a limited  
7 liability company. These exclusions do not apply to shareholders, directors and members who  
8 have entered into the employment of or who work under a contract of service or apprenticeship  
9 within a corporation or a limited liability company. The term "employee" also does not include a  
10 sole proprietor, independent contractor, or a person whose employment is of a casual nature, and  
11 who is employed other than for the purpose of the employer's trade or business, or a person  
12 whose services are voluntary or who performs charitable acts, nor shall it include the members of  
13 the regularly organized fire and police departments of any town or city except for appeals from an  
14 order of the retirement board filed pursuant to the provisions of Rhode Island general law § 45-  
15 21.2-9; provided, however, that it shall include the members of the police and aircraft rescue and  
16 firefighting (ARFF) units of the Rhode Island Airport Corporation. Whenever a contractor has  
17 contracted with the state, a city, town, or regional school district any person employed by that  
18 contractor in work under contract shall not be deemed an employee of the state, city, town, or  
19 regional school district as the case may be. Any person who on or after January 1, 1999, was an  
20 employee and became a corporate officer shall remain an employee, for purposes of these  
21 chapters, unless and until coverage under this act is waived pursuant to subsection 28-29-8(b) or §  
22 28-29-17. Any person who is appointed a corporate officer between January 1, 1999 and  
23 December 31, 2001, and was not previously an employee of the corporation, will not be  
24 considered an employee, for purposes of these chapters, unless that corporate officer has filed a  
25 notice pursuant to subsection 28-29-19(b). In the case of a person whose services are voluntary or  
26 who performs charitable acts, any benefit received, in the form of monetary remuneration or  
27 otherwise, shall be reportable to the appropriate taxation authority but shall not be deemed to be  
28 wages earned under contract of hire for purposes of qualifying for benefits under chapters 29 --  
29 38 of this title. Any reference to an employee who had been injured shall, where the employee is  
30 dead, include a reference to his or her dependents as defined in this section, or to his or her legal  
31 representatives, or, where he or she is a minor or incompetent, to his or her conservator or  
32 guardian. A "seasonal occupation" means those occupations in which work is performed on a  
33 seasonal basis of not more than sixteen (16) weeks.

34 (5) "Employer" includes any person, partnership, corporation, or voluntary association,

1 and the legal representative of a deceased employer; it includes the state, and the city of  
2 Providence. It also includes each city, town, and regional school district in the state that votes or  
3 accepts the provisions of chapters 29 -- 38 of this title in the manner provided in this chapter or is  
4 a party to an appeal from an order of the retirement board filed pursuant to the provisions of  
5 Rhode Island general law § 45-21.2-9.

6 (6) "General or special employer":

7 (i) "General employer" includes but is not limited to temporary help companies and  
8 employee leasing companies and means a person who for consideration and as the regular course  
9 of its business supplies an employee with or without vehicle to another person.

10 (ii) "Special employer" means a person who contracts for services with a general  
11 employer for the use of an employee, a vehicle, or both.

12 (iii) Whenever there is a general employer and special employer wherein the general  
13 employer supplies to the special employer an employee and the general employer pays or is  
14 obligated to pay the wages or salaries of the supplied employee, then, notwithstanding the fact  
15 that direction and control is in the special employer and not the general employer, the general  
16 employer, if it is subject to the provisions of the Workers' Compensation Act or has accepted that  
17 Act, shall be deemed to be the employer as set forth in subdivision (5) of this section and both the  
18 general and special employer shall be the employer for purposes of §§ 28-29-17 and 28-29-18.

19 However, for injuries occurring on or after July 1, 2016, excepting injuries where the  
20 special employer is making payment of workers' compensation benefits directly to the injured  
21 temporary employee as provided for in this section if the special employer has acted or failed to  
22 act with reckless disregard for the safety of a temporary employee as defined in this section, and  
23 such reckless disregard for the safety of the temporary employee was a proximate cause of said  
24 temporary employee's injury, the special employer only in such event, shall not be deemed the  
25 employer for purposes of this section.

26 (iv) Effective January 1, 2003, whenever a general employer enters into a contract or  
27 arrangement with a special employer to supply an employee or employees for work, the special  
28 employer shall require an insurer generated insurance coverage certification, on a form prescribed  
29 by the department, demonstrating Rhode Island workers' compensation and employer's liability  
30 coverage evidencing that the general employer carries workers' compensation insurance with that  
31 insurer with no indebtedness for its employees for the term of the contract or arrangement. In the  
32 event that the special employer fails to obtain and maintain at policy renewal and thereafter this  
33 insurer generated insurance coverage certification demonstrating Rhode Island workers'  
34 compensation and employer's liability coverage from the general employer, the special employer

1 is deemed to be the employer pursuant to the provisions of this section. Upon the cancellation or  
2 failure to renew, the insurer having written the workers' compensation and employer's liability  
3 policy shall notify the certificate holders and the department of the cancellation or failure to  
4 renew and upon notice, the certificate holders shall be deemed to be the employer for the term of  
5 the contract or arrangement unless or until a new certification is obtained.

6 (7) (i) "Injury" means and refers to personal injury to an employee arising out of and in  
7 the course of his or her employment, connected and referable to the employment.

8 (ii) An injury to an employee while voluntarily participating in a private, group, or  
9 employer-sponsored carpool, vanpool, commuter bus service, or other rideshare program, having  
10 as its sole purpose the mass transportation of employees to and from work shall not be deemed to  
11 have arisen out of and in the course of employment. Nothing in the foregoing provision shall be  
12 held to deny benefits under chapters 29 -- 38 and chapter 47 of this title to employees such as  
13 drivers, mechanics, and others who receive remuneration for their participation in the rideshare  
14 program. Provided, that the foregoing provision shall not bar the right of an employee to recover  
15 against an employer and/or driver for tortious misconduct.

16 (8) "Maximum medical improvement" means a point in time when any medically  
17 determinable physical or mental impairment as a result of injury has become stable and when no  
18 further treatment is reasonably expected to materially improve the condition. Neither the need for  
19 future medical maintenance nor the possibility of improvement or deterioration resulting from the  
20 passage of time and not from the ordinary course of the disabling condition, nor the continuation  
21 of a pre-existing condition precludes a finding of maximum medical improvement. A finding of  
22 maximum medical improvement by the workers' compensation court may be reviewed only  
23 where it is established that an employee's condition has substantially deteriorated or improved.

24 (9) "Physician" means medical doctor, surgeon, dentist, licensed psychologist,  
25 chiropractor, osteopath, podiatrist, or optometrist, as the case may be.

26 (10) "Suitable alternative employment" means employment or an actual offer of  
27 employment which the employee is physically able to perform and will not exacerbate the  
28 employee's health condition and which bears a reasonable relationship to the employee's  
29 qualifications, background, education, and training. The employee's age alone shall not be  
30 considered in determining the suitability of the alternative employment.

31 (11) "Independent contractor" means a person who has filed a notice of designation as  
32 independent contractor with the director pursuant to § 28-29-17.1 or as otherwise found by the  
33 workers' compensation court.

34 (12) "Leased employee" means an employee leased to a special employer by a labor-

1 leasing firm under an agreement between the special employer and the labor-leasing firm, to  
2 perform duties related to the conduct of the special employer's business. "Leased employee" does  
3 not include a "temporary employee."

4 (13) "Temporary employee" means an employee who is furnished to a special employer  
5 to substitute for a "permanent employee" or for a "leased employee" as defined in this section, or  
6 to meet seasonal or short-term workload conditions of the special employer.

7 **28-29-6.1. Secondary provision of workers' compensation insurance.** -- (a) Whenever  
8 a general contractor or a construction manager enters into a contract with a subcontractor for  
9 work to be performed in Rhode Island, the general contractor or construction manager shall at all  
10 times require an insurer-generated insurance coverage certification, on a form prescribed by the  
11 department, demonstrating Rhode Island workers' compensation and employer's liability coverage  
12 written documentation evidencing that the subcontractor carries workers' compensation insurance  
13 with no indebtedness for its employees for the term of the contract or is an independent contractor  
14 pursuant to the provisions of § 28-29-17.1. In the event that the general contractor or construction  
15 manager fails to obtain ~~the~~ and maintain at policy renewal this insurer-generated coverage  
16 certification demonstrating Rhode Island workers' compensation, and employer's liability  
17 coverage written documentation from the subcontractor, the general contractor or construction  
18 manager shall be deemed to be the employer pursuant to provisions of § 28-29-2. Upon the  
19 cancellation or failure to renew, the insurer having written the workers' compensation and  
20 employer's liability policy shall notify the certificate holders and the division of workers'  
21 compensation of the cancellation, or failure to renew; and, thereafter, the certificate holders shall  
22 be deemed to be the employer for the duration of the contract or arrangement unless or until a  
23 new certificate has been obtained.

24 (b) For the purposes of this section, "construction manager" means an individual  
25 corporation, partnership, or joint venture or other legal entity responsible for supervising and  
26 controlling all aspects of construction work to be performed on the construction project, as  
27 designated in the project documents, in addition to the possibility of performing some of the  
28 construction services itself. For the purposes of this section, the construction manager need have  
29 no contractual involvement with any of the parties to the construction project other than the  
30 owner, or may contract directly with the trade contractors pursuant to its agreement with the  
31 owner.

32 (c) This section only applies to a general contractor, subcontractor, or construction  
33 manager deemed an employer subject to the provisions of Chapters 29 -- 38 of this title, as  
34 provided in § 28-29-6.

1 (d) Whenever the workers' compensation insurance carrier is obligated to pay workers'  
2 compensation benefits to the employee of an uninsured subcontractor, the workers' compensation  
3 insurance carrier shall have a complete right of indemnification to the extent benefits are paid  
4 against either the uninsured subcontractor, uninsured general contractor or uninsured construction  
5 manager.

6 SECTION 3. Section 28-33-19 of the General Laws in Chapter 28-33 entitled "Workers'  
7 Compensation - Benefits" is hereby amended to read as follows:

29 (2) Where any bodily member or portion of it has been rendered permanently stiff or  
30 useless, compensation in accordance with the above schedule shall be paid as if the member or  
31 portion of it had been completely severed; provided, that if the stiffness or uselessness is less than  
32 total, then compensation shall be paid for that period of weeks in proportion to the applicable  
33 period where the member or portion of it has been completely severed as the instant percentage of  
34 stiffness or uselessness bears to the total stiffness or total uselessness of the bodily members or

1 portion of them.

2 (3) In case of the following specified injuries there shall be paid in addition to all other  
3 compensation provided for in chapters 29 -- 38 under this title a weekly payment equal to one-  
4 half ( 1/2) of the average weekly earnings of the injured employee, but in no case more than  
5 ninety dollars (\$90.00) nor less than forty-five dollars (\$45.00) per week. Payment under this

8 (i) For permanent disfigurement of the body the number of weeks may not exceed five  
9 hundred (500) weeks, which sum shall be payable in a one time payment within fourteen (14)  
10 days of the entry of a decree, order, or agreement of the parties in addition to all other sums under  
11 this section wherever it is applicable.

12 (4) (i) Loss of hearing due to industrial noise is recognized as an occupational disease for  
13 purposes of chapters 29 -- 38 of this title and occupational deafness is defined to be a loss of  
14 hearing in one or both ears due to prolonged exposure to harmful noise in employment. Harmful  
15 noise means sound capable of producing occupational deafness.

16 (ii) Hearing loss shall be evaluated pursuant to protocols established by the workers'  
17 compensation medical advisory board. All treatment consistent with this subsection shall be  
18 consistent with the protocols established by the workers' compensation medical advisory board  
19 subject to § 28-33-5.

20 (iii) If the employer has conducted baseline screenings within one (1) year of exposure to  
21 harmful noise to evaluate the extent of an employee's pre-existing hearing loss, the causative  
22 factor shall be apportioned based on the employee's pre-existing hearing loss and subsequent  
23 occupational hearing loss, and the compensation payable to the employee shall only be that  
24 portion of the compensation related to the present work-related exposure.

25 (iv) There shall be payable as permanent partial disability for total occupational deafness  
26 of one ear, seventy-five (75) weeks of compensation; for total occupational deafness of both ears,  
27 two hundred forty-four (244) weeks of compensation; for partial occupational deafness in one or  
28 both ears, compensation shall be paid for any periods that are proportionate to the relation which  
29 the hearing loss bears to the amount provided in this subdivision for total loss of hearing in one or  
30 both ears, as the case may be. For the complete loss of hearing for either ear due to external  
31 trauma or by other mechanism, acuity loss shall be paid pursuant to this subsection.

32 (v) No benefits shall be granted for tinnitus, psychogenic hearing loss, congenital  
33 hearing loss, recruitment or hearing loss above three thousand (3,000) hertz.

34 (vi) The provisions of this subsection and the amendments insofar as applicable to

1 hearing loss shall be operative as to any occupational hearing loss that occurs on or after  
2 September 1, 2003, except for acuity hearing loss related to a single event which shall become  
3 effective upon passage.

4 (vii) If previous hearing loss, whether occupational or not, is established by an  
5 audiometric examination or other competent evidence, whether or not the employee was exposed  
6 to assessable noise exposure within one year preceding the test, the employer is not liable for the  
7 previous loss, nor is the employer liable for a loss for which compensation has previously been  
8 paid or awarded. The employer is liable only for the difference between the percent of  
9 occupational hearing loss determined as of the date of the audiometric examination conducted by  
10 a certified audiometric technician using an audiometer which meets the specifications established  
11 by the American National Standards Institute (ANSI 3.6-1969, ri973) used to determine  
12 occupational hearing loss and the percentage of loss established by the baseline audiometric  
13 examination. An amount paid to an employee for occupational hearing loss by any other  
14 employer shall be credited against compensation payable by the subject employer for the hearing  
15 loss. The employee shall not receive in the aggregate greater compensation from all employers  
16 for occupational hearing loss than that provided in this section for total occupational hearing loss.  
17 A payment shall not be paid to an employee unless the employee has worked in excessive noise  
18 exposure employment for a total period of at least one hundred eighty (180) days for the  
19 employer for whom compensation is claimed.

20 (viii) No claim for occupational deafness may be filed until six (6) months separation  
21 from the type of noisy work for the last employer in whose employment the employee was at any  
22 time during the employment exposed to harmful noise.

23 (ix) The total compensation due for hearing loss is recovered from the employer who last  
24 employed the employee in whose employment the employee was last exposed to harmful noise  
25 and the insurance carrier, if any, on the risk when the employee was last so exposed, and if the  
26 occupational hearing loss was contracted while the employee was in the employment of a prior  
27 employer, and there was no baseline testing by the last employer, the employer and insurance  
28 carrier which is made liable for the total compensation as provided by this section may petition  
29 the worker's compensation court for an apportionment of the compensation among the several  
30 employers which since the contraction of the hearing loss have employed the employee in a noisy  
31 environment.

32 (b) Where payments are required to be made under more than one clause of this section,  
33 payments shall be made in a one time payment unless the parties otherwise agree. Payment shall  
34 be mailed within fourteen (14) days of the entry of a decree, order, or agreement of the parties.

1           (c) Payments pursuant to this section, except paragraph (a)(3)(ii) of this section, shall be  
2 made only after an employee's condition as relates to loss of use has reached maximum medical  
3 improvement as defined in § 28-29-2(8) and as found pursuant to § 28-33-18(b).

4           SECTION 4. This act shall take effect upon passage.
