AN ACT
RELATING TO FOOD AND DRUGS -- ADULT USE OF CANNABIS ACT

Introduced By: Representatives Slater, Ajello, Edwards, Lima, and Walsh

Date Introduced: February 16, 2017

Referred To: House Judiciary

It is enacted by the General Assembly as follows:

SECTION 1. Title 21 of the General Laws entitled "FOOD AND DRUGS" is hereby amended by adding thereto the following chapters:

CHAPTER 28.10
ADULT USE OF CANNABIS ACT

This chapter shall be known and may be cited as the "Adult Use of Cannabis Act."

21-28.10-2. Legislative findings.

The general assembly hereby finds and declares that:

(1) Prohibiting the possession, cultivation, and sale of cannabis to adults has proven to be an ineffective, unfair, and costly policy for the state of Rhode Island. In the absence of a legal, tightly regulated market, an illicit cannabis industry has thrived, undermining the public health and safety of Rhode Islanders.

(2) Virtually every objective scientific study has found cannabis to be less harmful to the consumer and society than alcohol. There is no evidence that cannabis use contributes to criminality or violence, but the policy of cannabis prohibition, which leaves criminals in control of the market, does.

(3) Colorado, Washington, Oregon, Alaska, California, Nevada, Massachusetts, and Maine have each enacted measures to regulate cannabis in a manner similar to alcohol. These states have chosen to replace illegal cannabis dealers with legitimate, taxpaying businesses.
(4) The regulation and taxation of cannabis for adult use in other states is working successfully. Revenue is being diverted away from the illicit drug market and into projects such as school construction and substance abuse treatment; far fewer people are receiving criminal records for cannabis offenses; and the regulated cannabis market has created thousands of new jobs and contributed to economic growth.

(5) Recognizing that a majority of Rhode Islanders support ending the failed policy of cannabis prohibition, Rhode Island joins these other states in replacing cannabis prohibition with regulation and taxation.

For purposes of this chapter:

(2) "Cannabis cultivation facility" means an entity that is registered pursuant to chapter 28.11 of title 21, to be exempt from state penalties for cultivating, preparing, packaging, and selling cannabis to a retailer, processor, or another cannabis cultivation facility, but not for manufacturing or selling cannabis products or selling cannabis to the general public.

(b) Notwithstanding subsection (a) of this section, municipalities may prohibit specific classes of cannabis establishments from operating within their jurisdiction if the residents of the municipality have approved, by a simple majority referendum in the course of regularly scheduled election, a proposal to ban cannabis cultivation facilities, retailers, processors, or cannabis testing facilities. (b) Except as otherwise provided in this subsection, in a prosecution for a violation of this section, it is a complete defense that before allowing a person who is under twenty-one (21) years of age into the room where cannabis is sold or stored, a staff member for the cannabis establishment was shown a document which appeared to be issued by an agency of a federal, state, tribal, or foreign sovereign government and which indicated that the person who was allowed onto the premises of the cannabis establishment was twenty-one (21) years of age or older at the time the person was allowed onto the premises. The complete defense set forth in this subsection does not apply if:

(iii) Except where regulations attendant to this chapter specifically modify or provide otherwise, rules similar to the rules of §3-8-6, applying to alcohol retailers, shall apply to cannabis retailers.

(2) Sell, give, deliver, or otherwise furnish cannabis or cannabis products to any person who is twenty-one (21) years of age or older unless the cannabis or cannabis products have undergone random sample testing for potency and contaminants at a cannabis testing facility or other laboratory equipped to test cannabis and cannabis products that has been approved by the office of cannabis coordination.

(3) Except as provided in this section, sell, deliver, give, or otherwise furnish more than the following quantities of cannabis or cannabis products to a person in a single transaction:

(i) Cannabis or cannabis products; and

(ii) Any other otherwise distinct and identifiable goods or services.

(b) The prohibitions on dispensing cannabis in subsections (a)(2) and (a)(3) of this section do not apply in instances where the retailer holds a valid registration as a compassion center under chapter 28.6 of title 21 and has verified that the person is a qualifying patient or
primary caregiver registered under chapter 28.6 of title 21 and the amount of cannabis dispensed
is within the qualifying patient’s limits.

(c) In addition to any other penalty provided pursuant to specific statutes, a retailer who
violates this section is guilty of a misdemeanor and shall be punished by a fine of not more than
one thousand dollars ($1,000).

(a) A cannabis cultivation facility shall not:

violates this section is guilty of a misdemeanor and shall be punished by a fine of not more than
one thousand dollars ($1,000).

c) Under the direction of the office of cannabis coordination, the division of taxation shall have the authority to collect the proceeds of the excise tax on retail cannabis sales and disburse the funds to the cannabis regulation fund pursuant to §21-28.11-17.

21-28.11-17. Restricted receipt account and distribution of funds.

(a) Fees and taxes collected pursuant to this chapter shall be deposited in a restricted receipt account entitled "cannabis regulation fund."

(b) The amounts on deposit in the account for receipts of cannabis excise taxes and fees shall be disbursed in the following manner:

1. After sufficient funds are appropriated from the cannabis regulation fund to provide for the expenses related to implementation and regulatory enforcement of this chapter, fifty percent (50%) of remaining funds shall be deposited into the state's general fund and ten percent (10%) shall be disbursed to municipalities, proportional to the total number of cannabis establishments in each municipality. Five percent (5%) shall be disbursed to the state police for the purpose of enforcing laws against impaired driving and training additional law enforcement officers to become drug recognition experts. Thirty-five percent (35%) shall be disbursed to the department of behavioral healthcare, developmental disabilities and hospitals, which shall distribute funding to various programs and agencies for the purpose of providing substance use disorder treatment and recovery services as well as programming for youth substance use prevention.

It is the public policy of the state that contracts related to the operation of a cannabis establishment, compassion center, or hemp cultivator registered pursuant to Rhode Island law shall be enforceable. It is the public policy of the state that no contract entered into by a registered cannabis establishment or hemp cultivator or its employees or agents as permitted pursuant to a valid registration with a department of the state, or by those who allow property to be used by an
establishment, its employees, or its agents as permitted pursuant to a valid registration, shall be
unenforceable on the basis that cultivating, obtaining, manufacturing, distributing, dispensing,
transporting, selling, possessing, or using cannabis or hemp is prohibited by federal law.

(a) Each cannabis establishment that is at the same location as a compassion center must:

(1) Follow all provisions pursuant to chapter 28.6 of title 21 and all regulations related to

from a compassion center pursuant to chapter 28.6 of title 21.

(a) If the office of cannabis coordination fails to adopt regulations to implement this
chapter or fails to begin processing applications for cannabis establishments within twelve (12)
months of the effective date of this chapter, any citizen may commence an action in a court of
competent jurisdiction to compel the office of cannabis coordination to perform the actions
mandated pursuant to the provisions of this chapter.

(a) If any provision of this chapter or its application thereof to any person or
circumstance is held invalid, such invalidity shall not affect other provisions or applications of
this chapter, which can be given effect without the invalid provision or application, and to this
end the provisions of this chapter are declared to be severable.

SECTION 2. Sections 12-1.3-2 and 12-1.3-3 of the General Laws in Chapter 12-1.3
entitled "Expungement of Criminal Records" are hereby amended to read as follows:

12-1.3-2. Motion for expungement.

(a) Any person who is a first offender may file a motion for the expungement of all
records and records of conviction for a felony or misdemeanor by filing a motion in the court in
which the conviction took place; provided, that no person who has been convicted of a crime of
violence shall have his or her records and records of conviction expunged; and provided, that all
outstanding court-imposed or court-related fees, fines, costs, assessments, charges, and/or any other monetary obligations have been paid, unless such amounts are reduced or waived by order of the court.

(b) Subject to subsection (a), a person may file a motion for the expungement of records relating to a misdemeanor conviction after five (5) years from the date of the completion of his or her sentence.

(c) Subject to subsection (a), a person may file a motion for the expungement of records relating to a felony conviction after ten (10) years from the date of the completion of his or her sentence.

(d) Subject to § 12-19-19(c), and without regard to subsections (a) through (c) of this section, a person may file a motion for the expungement of records relating to a deferred sentence upon its completion, after which the court will hold a hearing on the motion.

(e) With regard to subsections (a) through (c) of this section, a person may file a motion for the expungement of records related to an offense that has been either decriminalized or legalized subsequent to the date of such conviction, after which the court will hold a hearing on the motion in the court in which the original conviction took place.

12-1.3-3. Motion for expungement -- Notice -- Hearing -- Criteria for granting.

(a) Any person filing a motion for expungement of the records of his or her conviction pursuant to § 12-1.3-2 shall give notice of the hearing date set by the court to the department of the attorney general and the police department that originally brought the charge against the person at least ten (10) days prior to that date.

(b) The court, after the hearing at which all relevant testimony and information shall be considered, may, in its discretion, order the expungement of the records of conviction of the person filing the motion if it finds:

(1) (i) That in the five (5) years preceding the filing of the motion, if the conviction was for a misdemeanor, or in the ten (10) years preceding the filing of the motion, if the conviction was for a felony, the petitioner has not been convicted nor arrested for any felony or misdemeanor; there are no criminal proceedings pending against the person; that the person does not owe any outstanding court-imposed or court-related fees, fines, costs, assessments, or charges, unless such amounts are reduced or waived by order of the court, and he or she has exhibited good moral character; or

(ii) That after a hearing held under the provisions of § 12-19-19(c), the court finds that the person has complied with all of the terms and conditions of the deferral agreement including, but not limited to, the payment in full of any court-ordered fines, fees, costs, assessments, and
restitution to victims of crimes; there are no criminal proceedings pending against the person; and
he or she has established good moral character. Provided, that no person who has been convicted
of a crime of violence shall have their records relating to a deferred sentence expunged.

(2) That the petitioner's rehabilitation has been attained to the court's satisfaction and the
expungement of the records of his or her conviction is consistent with the public interest.

(c) If the court grants the motion, it shall, after payment by the petitioner of a one
hundred dollar ($100) fee to be paid to the court, order all records and records of conviction
relating to the conviction expunged and all index and other references to it removed from public
inspection. A copy of the order of the court shall be sent to any law enforcement agency and other
agency known by either the petitioner, the department of the attorney general, or the court to have
possession of the records. Compliance with the order shall be according to the terms specified by
the court.

(d) The defendant shall be advised at the hearing that any and all bail money relating to a
case that remains on deposit and is not claimed at the time of expungement shall be escheated to
the state's general treasury in accordance with chapter 12 of title 8.

(e) In cases of expungement sought pursuant to §12-1.3-2(d), the court shall, after a
hearing at which it finds that all conditions of the original criminal sentence have been completed
and any and all fines, fees, and costs related to conviction have been paid in full, order the
expungement without cost to the petitioner. At said hearing, should the petitioner demonstrate, by
prima facie evidence, that the conviction of said offense resulted from conduct that is a
decriminalized civil violation under current law or has been legalized subsequent to the
conviction, the burden shifts to the state to demonstrate that the conviction does not qualify for
relief under this chapter.

SECTION 5. Sections 31-27-2 and 31-27-2.4 of the General Laws in Chapter 31-27
entitled "Motor Vehicle Offenses" are hereby amended to read as follows:

**31-27-2. Driving under influence of liquor or drugs.**

chapter 28 of title 21, or any combination of these, shall be guilty of a misdemeanor, except as

(b) (1) Any person charged under subsection (a), whose blood alcohol concentration is
eight one-hundredths of one percent (.08%) or more by weight, as shown by a chemical analysis
of a blood, breath, or urine sample, shall be guilty of violating subsection (a). This provision shall
not preclude a conviction based on other admissible evidence. Proof of guilt under this section
may also be based on evidence that the person charged was under the influence of intoxicating
liquor, drugs, toluene, or any controlled substance defined in chapter 28 of title 21, or any
combination of these, to a degree that rendered the person incapable of safely operating a vehicle.
The fact that any person charged with violating this section is, or has been, legally entitled to use
alcohol or a drug shall not constitute a defense against any charge of violating this section. A
person twenty-one (21) years of age or older or a person exempt from criminal penalties for the
medical use of marijuana pursuant to chapter 28.6 of title 21 shall not be considered under the
influence of marijuana solely because of the presence of marijuana metabolites or components of marijuana.

(2) Except as provided in this subsection, whoever drives, or otherwise operates, any vehicle in the state with a blood presence of any scheduled controlled substance as defined within chapter 28 of title 21, as shown by analysis of a blood or urine sample, shall be guilty of a misdemeanor and shall be punished as provided in subsection (d).

(c) In any criminal prosecution for a violation of subsection (a), evidence as to the amount of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of title 21, or any combination of these, in the defendant's blood at the time alleged as shown by a chemical analysis of the defendant's breath, blood, or urine or other bodily substance, shall be admissible and competent, provided that evidence is presented that the following conditions have been complied with:

(1) The defendant has consented to the taking of the test upon which the analysis is made. Evidence that the defendant had refused to submit to the test shall not be admissible unless the defendant elects to testify.

(2) A true copy of the report of the test result was mailed within seventy-two (72) hours of the taking of the test to the person submitting to a breath test.

(3) Any person submitting to a chemical test of blood, urine, or other body fluids shall have a true copy of the report of the test result mailed to him or her within thirty (30) days following the taking of the test.

(4) The test was performed according to methods and with equipment approved by the director of the department of health of the state of Rhode Island and by an authorized individual.

(5) Equipment used for the conduct of the tests by means of breath analysis had been tested for accuracy within thirty (30) days preceding the test by personnel qualified as hereinbefore provided, and breathalyzer operators shall be qualified and certified by the department of health within three hundred sixty-five (365) days of the test.

(6) The person arrested and charged with operating a motor vehicle while under the influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of title 21, or, any combination of these in violation of subsection (a), was afforded the opportunity to have an additional chemical test. The officer arresting or so charging the person shall have informed the person of this right and afforded him or her a reasonable opportunity to exercise this right, and a notation to this effect is made in the official records of the case in the police department. Refusal to permit an additional chemical test shall render incompetent and inadmissible in evidence the original report.
