STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2017

A N A C T

RELATING TO EDUCATION - SOCIAL SERVICES

Introduced By: Representatives Donovan, Blazejewski, Ranglin-Vassell, Amore, and Regunberg

Date Introduced: June 08, 2017

Referred To: House Health, Education & Welfare

It is enacted by the General Assembly as follows:

1 SECTION 1. PREAMBLE

2 WHEREAS, Child Opportunity Zones, a Rhode Island community school initiative,
3 benefit students and operate in urban, suburban and rural communities;

4 WHEREAS, Using a school as a hub for a community, child opportunity zones (COZs)
5 integrate academic, health, and social services to offer a range of support and opportunities that
6 lead to improved school learning;

7 WHEREAS, The Child Opportunity Zones address the needs of the whole child, ensuring
8 that they are healthy, safe, engaged, supported and challenged, and are aligned with the Rhode
9 Island and national whole child initiatives and federal education laws; and

10 WHEREAS, By providing learning opportunities outside of normal school hours,
11 including, but not limited to, before and after school programs and summer programs and evening
12 programs, students and their families can be more engaged in their communities.

13 SECTION 2. Sections 16-73-1 and 16-73-2 of the General Laws in Chapter 16-73
14 entitled "Education - Social Services [See Title 16 Chapter 97 - The Rhode Island Board of
15 Education Act]" are hereby amended to read as follows:

16 **16-73-1. Legislative findings.**

17 It is found and declared that:

18 (1) [All children are capable of success and schools are the centers of vibrant](#)
19 [communities.](#) The growing social needs of children directly affect their ability to perform

1 successfully in school because health, emotional, social, and family problems can impede
2 learning.

3 (2) Schools are most effective when families take active roles in the education of
4 children. Community schools are in a unique position to provide the vital links between
5 education, social services, and health care to children and their families.

6 (3) It is important that schools be assisted in fulfilling the critical function of
7 coordinating the delivery of comprehensive social services at or near the site of public schools to
8 address the particular needs of each school community.

9 **16-73-2. Creation of plan.**

10 ~~The commissioner of elementary and secondary education, under the direction of the~~
11 ~~board of regents for elementary and secondary education, and in cooperation with directors of the~~
12 ~~departments of health, administration, children, youth, and families, mental health, retardation,~~
13 ~~and hospitals, and the office of higher education (after this referred to as the~~ The ~~children's~~
14 ~~cabinet)~~ shall ~~develop a~~ incorporate into its strategic plan ~~for creating~~ "child opportunity zones"
15 as a means to deliver comprehensive and coordinated social services at or near public school
16 sites. ~~, and pursuant to this,~~ The commissioner of elementary and secondary education shall
17 ~~undertake activities including but not limited to the award of~~ ~~demonstration, planning, and~~
18 ~~training~~ and administration of grants to further the purpose set forth in this chapter.

19 SECTION 3. Chapter 16-73 of the General Laws entitled "Education - Social Services
20 [See Title 16 Chapter 97 - The Rhode Island Board of Education Act]" is hereby amended by
21 adding thereto the following sections:

22 **16-73-1.1. Definition.**

23 "Child opportunity zone", Rhode Island's community school initiative, means a site at or
24 near a school that provides: early childhood initiatives; before-school, after-school, and summer
25 enrichment programs; health and mental health services; parent engagement, adult education,
26 workforce development training; or any combination of these programs based upon the students
27 and the community's needs.

28 **16-73-5. Purpose.**

29 The purpose of child opportunity zones is to implement programs related to the specific
30 community needs that ultimately increase student performance in school. The child opportunity
31 zone shall provide a means to integrate education, health, and social services into schools and link
32 families to the school and community resources. The child opportunity zone may operate
33 programs, including, but not limited to: early childhood initiatives; before-school, after-school
34 and summer enrichment; family engagement initiatives; adult education and family literacy

1 [programs based upon community needs.](#)

2 **16-73-6. Reporting.**

3 [The department of elementary and secondary education shall provide an annual report by](#)
4 [August 1 of each year to the president of the senate and speaker of the house of representatives](#)
5 [regarding the number of children and families served, and appropriate outcome data for each](#)
6 [program operated by a child opportunity zone.](#)

7 SECTION 4. This act shall take effect upon passage.
