17 referred to in subsection (3) of this section, other than a chief executive officer or equivalent  
18 individual.

19           (+) (5) "Wages" means all amounts at which the labor or service rendered is

1 recompensed, whether the amount is fixed or ascertained on a time, task, piece, commission  
2 basis, or other method of calculating the amount.

3 SECTION 2. Chapter 28-14 of the General Laws entitled "Payment of Wages" is hereby  
4 amended by adding thereto the following sections:

5 **28-14-32. Lien for unpaid wages.**

6 When an employer fails or refuses to make wage payments as prescribed by law or  
7 agreement between the parties, the employee who has performed the service may establish a lien  
8 for unpaid wages.

9 **28-14-33. Prerequisites for a lien for unpaid wages.**

10 To establish a lien for unpaid wages under §28-14-35, an employee shall first provide to  
11 the employer personally or by prepaid registered or certified mail, in either case return receipt  
12 requested, a written wage lien notice that:

13 (1) States the amount due to the employee for the service; and

14 (2) Contains a general description of the property to be charged with the lien for unpaid  
15 wages sufficient for identification.

16 **28-14-34. Challenging a lien for unpaid wages.**

17 (a) An employer may dispute a lien for unpaid wages by filing in the superior court for  
18 the county in which the employee's services were rendered, within thirty (30) days after receipt of  
19 such notice as described in §28-14-33, a complaint that contains:

20 (1) The name of the employer that owes the employee the wages and the name of the  
21 employee to whom the wages are owed;

22 (2) A copy of the notice that was provided to the employer pursuant to §28-14-33;

23 (3) A statement of any defense to the lien for unpaid wages; and

24 (4) An affidavit containing a statement of facts in support of defenses raised.

25 (b) The employer or employee may request an evidentiary hearing.

26 (c) If the court issues an order establishing a lien for unpaid wages, the employee shall be  
27 entitled to court costs and reasonable attorney's fees.

28 (d) If the court determines the effort to establish a lien for unpaid wages to have been  
29 frivolous, made in bad faith, or with the purpose of harassing the employer, the employer shall be  
30 entitled to court costs and reasonable attorney's fees.

31 **28-14-35. Establishing a lien for unpaid wages.**

32 (a) If no complaint is filed disputing a lien for unpaid wages, such lien is established  
33 thirty (30) days after service of notice as described in §28-14-33.

34 (b) If an employer files a complaint, the court shall establish a temporary lien on the

1 identified property and determine, within thirty (30) days of the filing of the complaint, whether  
2 to issue an order establishing a lien for unpaid wages as described in §28-14-35 based upon the  
3 preponderance of the evidence.

4 **28-14-36. Recordation of lien for unpaid wages.**

5 (a) If the employer fails to file a timely complaint disputing the notice of a wage lien, or  
6 if the superior court orders the establishment of a lien for unpaid wages, the employee may record  
7 the lien for unpaid wages by filing wage lien notice, described in §28-14-33, in the land evidence  
8 records in the city or town in which the services were rendered within one-hundred eighty (180)  
9 days after the lien for unpaid wages is established.

10 (b) A lien for unpaid wages filed under this section shall be considered a secured claim  
11 that has priority for the date of delivery of the wage lien notice.

12 **28-14-37. Satisfaction of a lien for unpaid wages.**

13 If payment is made for the amount of wages and penalties claimed in the wage lien notice  
14 or order of the superior court establishing the lien for unpaid wages, the recorded lien shall be  
15 released.

16 **28-14-38. Enforcement of a lien for unpaid wages.**

17 (a) A lien for unpaid wages shall be enforced in the same manner as any other judgment  
18 under state law.

19 (b) An action to enforce a lien for unpaid wages shall be brought within ten (10) years of  
20 the date of filing of the lien notice.

21 **28-14-39. Contract provisions in contravention of this section void.**

22 Any provision of an employment contract that violates this section is void as against  
23 public policy of the state.

24 **28-14-40. Director initiated for unpaid wages.**

25 In addition to the foregoing provisions, the director may seek to establish a lien for  
26 unpaid wages on behalf of an employee.
