STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2018

—————
A N A C T

RELATING TO EDUCATION -- HEALTH AND SAFETY OF PUPILS

Introduced By: Representatives McNamara, Morin, O'Brien, Solomon, and Casimiro

Date Introduced: January 03, 2018

Referred To: House Health, Education & Welfare

It is enacted by the General Assembly as follows:

1 SECTION 1. Chapter 16-21 of the General Laws entitled "Health and Safety of Pupils" is
2 hereby amended by adding thereto the following section:

3 **16-21-5.1. Carbon monoxide detectors required in school buildings.**

4 Effective January 1, 2019, all school buildings where students are in attendance for any
5 portion of the day shall be required to have carbon monoxide detectors installed and maintained
6 therein, in accordance with the applicable provisions of the National Fire Protection Association
7 ("NFPA") Code and the state fire safety code ("state code"), chapter 28.1 of title 23. The fire
8 safety code board of appeal and review (the "board") established pursuant to chapter 28.3 of title
9 23 shall have authority to promulgate rules and regulations necessary to enforce the provisions of
10 this section. Provided, in the event the state fire marshal determines that neither the NFPA code
11 nor the state code have provisions in place to govern such installation, then the state fire marshal
12 may use the provisions of NFPA Code 1/NFPA 101, 2015 editions, NFPA Code 720, 2012
13 edition, the state fire code, and any additional requirements provided under those codes for
14 licensed nursery or day care services, as guidance in the installation of carbon monoxide detectors
15 in schools, until such time as the board promulgates applicable rules and regulations.

16 SECTION 2. This act shall take effect upon passage.
