STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2018

A N A C T

RELATING TO STATE AFFAIRS AND GOVERNMENT -- SOLAR INDUSTRY
ECONOMIC INVESTMENT ACT

Introduced By: Representatives McNamara, Azzinaro, Fogarty, Vella-Wilkinson, and
McLaughlin

Date Introduced: January 18, 2018

Referred To: House Finance

It is enacted by the General Assembly as follows:

1 SECTION 1. Chapter 42-64 of the General Laws entitled "Rhode Island Commerce
2 Corporation" is hereby amended by adding thereto the following sections:

3 **42-64-13.3. Solar energy -- Roof top installations.**

4 (a) Definitions. For the purposes of this section "small business" shall be defined as a
5 person, partnership, corporation, or other form of business entity independently owned and
6 operated, not dominant in its field and which business employs five hundred (500) or fewer
7 employees and has its principal place of business located in the state of Rhode Island.

8 (b) Revolving fund. There is hereby established a revolving fund for the following
9 purpose:

10 (1) Low interest loans shall be made available to any small business for the purposes of
11 financing the installation of solar panels in order to provide energy for the business.

12 (2) Grants shall be made available to any other business for the purposes of financing the
13 installation of solar panels if that business employs and maintains a level of employment of five
14 hundred (500) or fewer employees.

15 **42-64-13.4. Solar energy farms.**

16 The state shall make available to any qualified individuals any of its facilities or land for
17 the purpose of creating solar energy farms. The secretary of commerce shall establish rules and
18 regulations to assist in the administration of this section.

1 SECTION 2. Title 44 of the General Laws entitled "TAXATION" is hereby amended by
2 adding thereto the following chapter:

3 CHAPTER 31.4

4 SOLAR ENERGY PRODUCTION TAX CREDIT

5 **44-31.4-1. Solar energy production investment tax credit.**

6 Any company primarily engaged in solar energy research and development or
7 manufacturing and sale of solar energy products which pays its employees that work a minimum
8 of thirty (30) hours per week within the state a median annual wage equal to or greater than one
9 hundred and twenty-five percent (125%) of the average annual wage paid by all employers in the
10 state to employees that work a minimum of thirty (30) hours per week within the state, and
11 provides benefits typical to the solar energy production industry, shall be allowed a credit of ten
12 percent (10%) of the cost or other basis for federal tax purposes of tangible personal property and
13 other tangible property, including buildings and structural components of buildings acquired,
14 constructed, reconstructed, or leased with situs in Rhode Island and principally used in the
15 production of solar energy products after December 31, 2018.

16 SECTION 3. This act shall take effect upon passage.
