17 of the Ballpark and a mixed use real estate development in an adjacent area which may include
18 retail, entertainment, restaurant, public park, civic space, hotel, office space and residential
19 components as part of a larger redevelopment of downtown Pawtucket (the "Downtown

9 of financing the Ballpark construction and land acquisition, which shall include all related
10 expenses of acquisition by purchase or through eminent domain; and

11 WHEREAS, The Downtown Redevelopment Project may generate additional State and
12 City revenues that exceed the revenues required to finance public payments on the bonds; and
