It is enacted by the General Assembly as follows:

42-46-1. Public policy.

It is essential to the maintenance of a democratic society that public business be performed in an open and public manner and that the citizens be advised of and aware of the performance of public officials and the deliberations and decisions that go into the making of public policy. Advances in technology should be used to allow and enable the public increased opportunities to observe the performance and deliberations of their public officials as well as provide greater access to material used in the course of the making of public policy.

As used in this chapter:

(1) "Meeting" means the convening of a public body to discuss and/or act upon a matter over which the public body has supervision, control, jurisdiction, or advisory power. As used herein, the term "meeting" expressly includes, without limiting the generality of the foregoing, so-called "workshop," "working," or "work" sessions or "retreats".

(2) "Joint meeting" means the convening of two (2) or more public bodies to discuss or act upon a matter over which the public bodies have supervision, control, jurisdiction, or advisory power. As used herein, the term "meeting" expressly includes, without limiting the generality of
the foregoing, so-called "workshop," "working," or "work sessions," or "retreats."

(3) "Open call" means a public announcement by the chairperson of the committee that
the meeting is going to be held in executive closed session and the chairperson must indicate
which exception of § 42-46-5 is being involved.

(4) "Public body" means any department, agency, commission, committee, board,
council, bureau, or authority or any subdivision thereof of state or municipal government or any
library that funded at least twenty-five percent (25%) of its operational budget in the prior budget
year with public funds, and shall include all authorities defined in § 42-35-1(b). As used herein,
the term "public body" expressly includes, without limiting the generality of the foregoing, so-
called "advisory panels," "review panels," "review committees," or "task forces." For purposes of
this section, any political party, organization, or unit thereof meeting or convening is not and
should not be considered to be a public body; provided, however, that no such meeting shall be
used to circumvent the requirements of this chapter. For purposes of this section, members-elect
of a public body shall be subject to the requirements of this chapter.

(5) "Quorum", unless otherwise defined by applicable law, means a simple majority of
the membership of a public body. For purposes of this section, ex officio nonvoting members, and
members of a public body who have recused himself or herself pursuant to §§ 36-14-5 and 36-14-
6 shall not be included in calculating whether a public body meets a quorum.

(6) "Rolling quorum" means any series of gatherings of members of a public body at
which:

(i) Less than a quorum is present, whether in person or by means of electronic
communication, at any individual gathering;

(ii) The members of the public body attending one or more of the gatherings collectively
constitute a quorum; and

(iii) The series of gatherings was held to discuss or act upon a matter over which the
public body has supervision, control, jurisdiction, or advisory power.

(7) "Prevailing plaintiff" includes those persons and entities deemed "prevailing parties"

(8) "Recordation" means the recording of the sound or video of an open meeting by use
of any electronic device designed to capture audio, photographs, or video of the public body.

(9) "Ceremonial speech or comment" means any comment or speech made by a member

of a public body meant to express thanks, condolences, or other expressions of good will, fellowship, or fraternity.

(a) By open call, a public body may hold a meeting closed to the public upon an affirmative vote of the majority of its members. A meeting closed to the public shall be limited to matters allowed to be exempted from discussion at open meetings by § 42-46-5. The vote of each member on the question of holding a meeting closed to the public and the reason for holding a closed meeting, by a citation to a subdivision of § 42-46-5(a), and a statement specifying the nature of the business to be discussed, shall be recorded and entered into the minutes of the meeting.

(b) No public body shall discuss in closed session any public matter which does not fall within the citations to § 42-46-5(a) referred to by the public body in voting to close the meeting, even if these discussions could otherwise be closed to the public under this chapter.

(c) All votes taken in closed sessions shall be disclosed once the session is reopened; provided, however, a the specific vote taken in a closed session need not be disclosed for the period of time during which its disclosure would jeopardize any strategy, negotiation or investigation undertaken pursuant to discussions conducted under § 42-46-5(a); and further provided, however, the public body must disclose that a vote did occur. The subject and results from a vote not disclosed at a meeting shall be disclosed at the next regularly scheduled meeting of the public body unless the public body takes a vote in a properly noticed closed session pursuant to § 42-46-5 affirming that disclosure of the vote would continue to jeopardize a strategy, negotiation or investigation exempt from disclosure under § 42-46-5(a) and announces in public that such a vote was taken.

42-46-5. Purposes for which meeting may be closed -- Use of electronic communications -- Judicial proceedings -- Disruptive conduct. Purposes for which meeting may be closed.

(a) A public body may hold a meeting closed to the public pursuant to § 42-46-4 for one or more of the following purposes:

(1) Any discussions of the job performance, character, or physical or mental health of a person or persons provided that such person or persons affected shall have been notified in advance in writing and advised that they may require that the discussion be held at an open meeting.

Failure to provide such notification shall render any action taken against the person or persons affected null and void. Before going into a closed meeting pursuant to this subsection, the
public body shall state for the record that any the affected persons to be discussed have been so notified and this statement shall be noted in the minutes of the meeting.

(2) Meetings or work sessions pertaining to collective bargaining or litigation, or work sessions pertaining to collective bargaining or litigation provided, however, a public body may not enter closed session for purposes of discussion with a representative for a group of employees.

(3) Meetings to discuss actual or imminent litigation. For purposes of this section, a public body may only enter closed session for matters of actual or threatened in writing, litigation concerning the public body or persons employed by the public body. Mere presence of the public body’s legal counsel does not satisfy the requirements for a closed session. In citing to this subsection, the public body shall list the case caption, the case number, and court or administrative agency where the matter is being litigated if litigation has been filed in court or an administrative agency.

(4) Discussion regarding the matter of security including, but not limited to, the deployment of security personnel or devices.

(5) Any investigative proceedings regarding allegations of misconduct, either civil or criminal.

(6) Any discussions or considerations related to the acquisition or lease of real property for public purposes, or of the disposition of publicly held property wherein advanced public information would be detrimental to the interest of the public.

(7) Any discussions related to or concerning a prospective business or industry locating in the state of Rhode Island when an open meeting would have a detrimental effect on the interest of the public.

(8) A matter related to the question of the investment of public funds where the premature disclosure would adversely affect the public interest. Public funds shall include any investment plan or matter related thereto, including, but not limited to, state lottery plans for new promotions.

(9) Any executive sessions of a local school committee exclusively for the purposes:

(i) of conducting student disciplinary hearings; or (ii) of reviewing other matters which relate to the privacy of students and their records, including all hearings of the various juvenile hearing boards of any municipality; provided, however, that any affected student shall have been notified in advance in writing and advised that he or she may require that the discussion be held in an open meeting.

Failure to provide such notification shall render any action taken against the student or
students affected null and void. Before going into a closed meeting pursuant to this subsection, the public body shall state for the record that any students to be discussed have been so notified and this statement shall be noted in the minutes of the meeting.

(10) Any hearings on, or discussions of, a grievance filed pursuant to a collective bargaining agreement.

(11) Any discussion of the personal finances of a prospective donor to a library.

(b) No meeting of members of a public body or use of electronic communication, including telephonic communication and telephone conferencing, shall be used to circumvent the spirit or requirements of this chapter; provided, however, these meetings and discussions are not prohibited.

(1) Provided, further however, that discussions of a public body via electronic communication, including telephonic communication and telephone conferencing, shall be permitted only to schedule a meeting.

(2) Provided, further however, that a member of a public body may participate by use of electronic communication or telephone communication while on active duty in the armed services of the United States.

(3) Provided, further however, that a member of that public body, who has a disability as defined in chapter 87 of title 42 and:

(i) Cannot attend meetings of that public body solely by reason of his or her disability; and

(ii) Cannot otherwise participate in the meeting without the use of electronic communication or telephone communication as a reasonable accommodation, may participate by use of electronic communication or telephone communication in accordance with the process below.

(4) The governor’s commission on disabilities is authorized and directed to:

(i) Establish rules and regulations for determining whether a member of a public body is not otherwise able to participate in meetings of that public body without the use of electronic communication or telephone communication as a reasonable accommodation due to that member’s disability;

(ii) Grant a waiver that allows a member to participate by electronic communication or telephone communication only if the member’s disability would prevent him/her from being physically present at the meeting location, and the use of such communication is the only reasonable accommodation; and

(iii) Any waiver decisions shall be a matter of public record.
This chapter shall not apply to proceedings of the judicial branch of state government or probate court or municipal court proceedings in any city or town.

This chapter shall not prohibit the removal of any person who willfully disrupts a meeting to the extent that orderly conduct of the meeting is seriously compromised.

**42-46-6. Notice.**

(a) All public bodies shall give written notice of their regularly scheduled meetings at the beginning of each calendar year. The notice shall include the dates, times, and places of the meetings and shall be provided to members of the public upon request and to the secretary of state at the beginning of each calendar year in accordance with subsection (f). If the dates, times, or places of the regularly scheduled meetings are changed during the calendar year, the public body shall update the written notice and refile them with the secretary of state in accordance with subsection (f) of this section.

(b) Public bodies shall give supplemental written public notice of any meeting within a minimum of forty-eight (48) hours, excluding weekends and state holidays in the count of hours, before the date of the hearing. This supplemental notice shall include the date the notice was posted; the date, time, and place of the meeting; and a statement specifying the nature of the business to be discussed. Copies of the supplemental notice shall be maintained by the public body for a minimum of one year in a format that allows for their physical retrieval. Nothing contained herein shall prevent a public body, other than a school committee, from adding additional items to the agenda by majority vote of the members. School committees may, however, add items for informational purposes only, pursuant to a request, submitted in writing, by a member of the public during the public comment session of the school committee's meetings. Said informational items may not be voted upon unless they have been posted in accordance with the provisions of this section. Such additional items shall be for informational purposes only and may not be voted on except where necessary to address an unexpected occurrence that requires immediate action to protect the public or to refer the matter to an appropriate committee or to another body or official. Nothing contained herein shall prevent a public body from adding additional items to the agenda by majority vote of the members; provided, however, such items shall not be used to circumvent the notice requirement of subsection (b) of this section. Such additional items shall be for informational purposes only and may not be voted on except when necessary to address an unexpected occurrence that requires immediate action to protect the public or to refer the matter to an appropriate committee or to another body or official.

(c) Written public notice shall include, but need not be limited to, posting a copy of the...
supplemental notice at the principal office of the public body holding the meeting, or if no principal office exists, at the building in which the meeting is to be held, and in at least one other prominent place within the governmental unit, and electronic filing of the supplemental notice with the secretary of state pursuant to subsection (f) of this section, and making a copy available on the public body's website if a website is maintained; however, nothing contained herein shall prevent a public body from holding an emergency meeting, upon an affirmative vote of the majority of the members of the body when the meeting is deemed necessary to address an unexpected occurrence that requires immediate action to protect the public. If an emergency meeting is called, a meeting notice and agenda shall be posted as soon as practicable and shall be electronically filed with the secretary of state pursuant to subsection (f) and, upon meeting, the public body shall state for the record and minutes why the matter must be addressed in less than forty-eight (48) hours in accordance with subsection (b) of this section and only discuss the issue or issues that created the need for an emergency meeting. Nothing contained herein shall be used in the circumvention of the spirit and requirements of this chapter.

(d) Nothing within this chapter shall prohibit any public body, or the members thereof, from responding to comments initiated by a member of the public during a properly noticed open forum even if the subject matter of a citizen's comments or discussions were not previously posted, provided such matters shall be for informational purposes only and may not be voted on except where necessary to address an unexpected occurrence that requires immediate action to protect the public or to refer the matter to an appropriate committee or to another body or official. Nothing contained in this chapter requires any public body to hold an open forum session to entertain or respond to any topic nor does it prohibit any public body from limiting comment on any topic at such an open forum session. No public body, or the members thereof, may use this section to circumvent the spirit or requirements of this chapter.

(e) A school committee may add agenda items not appearing in the published notice required by this section under the following conditions:

(1) The revised agenda is electronically filed with the secretary of state pursuant to subsection (f), and is posted on the school district's website and the two (2) public locations required by this section at least forty-eight (48) hours in advance of the meeting in accordance with subsection (b) of this section;

(2) The new agenda items were unexpected and could not have been added in time for newspaper publication;

(3) Upon meeting, the public body states for the record and minutes why the agenda items could not have been added in time for newspaper publication and need to be addressed at
the meeting;

(4) A formal process is available to provide timely notice of the revised agenda to any person who has requested that notice, and the school district has taken reasonable steps to make the public aware of this process; and

(5) The published notice shall include a statement that any changes in the agenda will be posted on the school district's website and the two (2) public locations required by this section and will be electronically filed with the secretary of state at least forty-eight (48) hours in advance of the meeting in accordance with subsection (b) of this section.

(f) All notices required by this section to be filed with the secretary of state shall be electronically transmitted to the secretary of state in accordance with rules and regulations that shall be promulgated by the secretary of state. This requirement of the electronic transmission and filing of notices with the secretary of state shall take effect one year after this subsection takes effect.

(g) If a public body fails to transmit notices in accordance with this section, then any aggrieved person may file a complaint with the attorney general in accordance with § 42-46-8.

(6) Note where recording is publicly available.

(b) (1) A record of all votes taken at all meetings of public bodies, listing how each member voted on each issue, shall be a public record and shall be posted electronically online on a public body’s website, the secretary of state’s website, and made available to the public at the office of the public body within two (2) weeks seven (7) days of the date of the vote. The minutes

public body within thirty-five (35) twenty-one (21) days of the meeting or at but no later than five
(5) days prior to the next regularly scheduled meeting, whichever is earlier, except where the
disclosure would be inconsistent with §§ 42-46-4 and 42-46-5 or where the public body by
majority vote extends the time period for the filing of the minutes and publicly states the reason.

(2) In addition to the provisions of subsection (b)(1), all volunteer fire companies,
associations, fire district companies, or any other organization currently engaged in the mission of
extinguishing fires and preventing fire hazards, whether it is incorporated or not, and whether it is
a paid department or not, shall post unofficial minutes of their meetings within twenty-one (21)
days of the meeting, but not later than seven (7) days prior to the next regularly scheduled
meeting, whichever is earlier, on the secretary of state's website.

(c) The minutes of a closed session shall be made available at the next regularly
scheduled meeting unless the majority of the body votes to keep the minutes closed pursuant to
§§ 42-46-4 and 42-46-5. At the end of each calendar year, a public body shall make all minutes
closed during the present calendar year available pursuant to this section unless the public body
takes a vote in a properly noticed closed session pursuant to § 42-46-5 and affirms in open
session that the minutes can remain subject to closure pursuant to § 42-64-5.

(d) All public bodies shall keep official and/or approved minutes of all meetings of the
body and shall file a copy of the minutes of all open meetings with the secretary of state for
inspection by the public within thirty-five (35) days of the meeting, or within five (5) days of the
next scheduled meeting, whichever is earlier, and make available on the public body's website if a
website exists; provided that this subsection shall not apply to public bodies whose
responsibilities are solely advisory in nature.

(e) All minutes and unofficial minutes required by this section to be filed with the
secretary of state shall be electronically transmitted to the secretary of state in accordance with
rules and regulations that shall be promulgated by the secretary of state. If a public body fails to
transmit minutes or unofficial minutes in accordance with this subsection, then any aggrieved
person may file a complaint with the attorney general in accordance with § 42-46-8.

(f) A public body may be subject to a fine of not less than one hundred dollars ($100) for
each document found to be in noncompliance with this section.

42-46-8. Remedies available to aggrieved persons or entities.

(a) Any citizen or entity of the state who is aggrieved as a result of violations of the
provisions of this chapter may file a complaint with the attorney general. The attorney general
shall investigate the complaint and if the attorney general determines that the allegations of the

complaint are meritorious, the attorney general may file a complaint on behalf of the complainant in the superior court against the public body. The presence or absence of a person or entity at a meeting of a public body shall not disqualify the person or entity from seeking remedies available under this chapter.

(b) No complaint may be filed by the attorney general after one hundred eighty (180) three hundred sixty-five (365) days from the date of public approval of the minutes of the meeting at which the alleged violation occurred, or, in the case of an unannounced or improperly closed meeting, after one hundred eighty (180) three hundred sixty-five (365) days from the public action of a public body revealing the alleged violation, whichever is greater.

(c) Nothing within this section shall prohibit any individual from retaining private counsel for the purpose of filing a complaint in the superior court within the time specified by this section against the public body which has allegedly violated the provisions of this chapter; provided, however, that if the individual has first filed a complaint with the attorney general pursuant to this section, and the attorney general declines to take legal action, the individual may file suit in superior court within ninety (90) days of the attorney general’s closing of the complaint or within one hundred eighty (180) days of the alleged violation, whichever occurs later.

(d) The court shall award reasonable attorney fees and costs to a prevailing plaintiff, other than the attorney general, except where special circumstances would render such an award unjust. The court may issue injunctive relief and declare null and void any actions of a public body found to be in violation of this chapter. In addition, the court may impose a civil fine not exceeding five thousand dollars ($5,000) against a public body or any of its members found to have committed a willful or knowing violation of this chapter and a civil fine not to exceed one thousand dollars ($1,000) against a public body found to have recklessly violated this chapter. A judgment in the plaintiff's favor shall not be a prerequisite to obtaining an award of attorneys' fees or costs if the court determines that the defendant’s case lacked grounding in fact or in existing law or a good faith argument for extension, modification or reversal of existing law.

(e) Nothing within this section shall prohibit the attorney general from initiating a complaint on behalf of the public interest.

(f) Actions brought under this chapter may be advanced on the calendar upon motion of the petitioner.

(g) The attorney general shall consider all complaints filed under this chapter to have also been filed under § 38-2-8(b) if applicable.

Every year the attorney general shall prepare a report summarizing the complaints.
received pursuant to this chapter, which shall be submitted to the legislature and which shall include information as to how many complaints were found to be meritorious and the action taken by the attorney general in response to those complaints. The attorney general shall publish the full text of all complaints and the action taken by the attorney general in response to those complaints, as well as all advisory opinions issued related to this chapter, on a keyword searchable website.

(a) All public bodies, to comply with the nondiscrimination on the basis of disability requirements of R.I. Const., Art. I, § 2 and applicable federal and state nondiscrimination laws (29 U.S.C. § 794, chapter 87 of this title, and chapter 24 of title 11), shall develop a transition plan setting forth the steps necessary to ensure that all open meetings of said public bodies are accessible to persons with disabilities.

(b) The state building code standards committee shall, by September 1, 1989 adopt an accessibility of meetings for persons with disabilities standard that includes provisions ensuring that the meeting location is accessible to and usable by all persons with disabilities.

(c) This section does not require the public body to make each of its existing facilities accessible to and usable by persons with disabilities so long as all meetings required to be open to the public pursuant to chapter 46 of this title are held in accessible facilities by the dates specified in subsection (e).

(d) The public body may comply with the requirements of this section through such means as reassignment of meetings to accessible facilities, alteration of existing facilities, or construction of new facilities. The public body is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section.

(e) The public body shall comply with the obligations established under this section by July 1, 1990, except that where structural changes in facilities are necessary in order to comply with this section, such changes shall be made by December 30, 1991, but in any event as expeditiously as possible unless an extension is granted by the state building commissioner for good cause.

(f) Each municipal government and school district shall, with the assistance of the state building commission, complete a transition plan covering the location of meetings for all public bodies under their jurisdiction. Each chief executive of each city or town and the superintendent of schools will submit their transition plan to the governor's commission on disabilities for review and approval. in advance of the meeting to allow a person to request in a timely manner the presence of an
interpreter or other reasonable accommodation for the meeting.

(h) The provisions of §§ 45-13-7 -- 45-13-10, inclusive, shall not apply to this section.
