31 (a) Each student loan servicer shall maintain complete records of each student education

4 department may grant a student loan servicer additional time to make such records available.

5 **19-33-7. Reporting requirements.**

6 (a) Each registrant shall annually, on or before March 31, file a report with the  
7 department, giving any relevant information that the department may reasonably require  
8 concerning the business and operations during the preceding calendar year of registrant within the  
9 state. At the time of filing each report, the sum of fifty-five dollars (\$55.00) per registration shall  
10 be paid by the registrant to the department. Any registrant that delays the transmission of any  
11 report required by the provisions of this chapter beyond the limit, unless additional time is  
12 granted, in writing, for good cause, the department shall assess a penalty of twenty-five dollars  
13 (\$25.00) for each day of the delay.

14 **19-33-8. Responsibilities of student loan servicers.**

15 (a) A student loan servicer shall provide annually, and at the request of a student loan  
16 borrower, the terms of their loan, progress toward repayment, and eligibility for any loan relief  
17 programs including, but not limited to, income driven repayment plans, public service loan  
18 forgiveness, forbearance and deferment.

19 (b) A student loan servicer shall establish policies and procedures, and implement them  
20 consistently, in order to facilitate evaluation of private student loan alternative repayment  
21 arrangement requests, including providing accurate information regarding any private student  
22 loan alternative repayment arrangements that may be available to the borrower through the  
23 promissory note, or that may have been marketed to the borrower through marketing materials.

24 (c) A private student loan alternative repayment arrangement shall consider the  
25 affordability of repayment plans for a distressed borrower, as well as the investor, guarantor, and  
26 insurer guidelines, and previous outcome and performance information.

27 (d) If a student loan servicer offers private student loan repayment arrangements, a  
28 student loan servicer shall consistently present and offer those arrangements to borrowers with  
29 similar financial circumstances.

30 (e) If a borrower inquires of a servicer of private student loans about consolidating or  
31 refinancing a federal student loan into a private student loan, the servicer of private student loans  
32 must disclose in advance of the refinancing or consolidation, any benefits or protections exclusive  
33 to federal student loans that may be lost as a result of the consolidation or refinancing.

34 (f) A student loan servicer shall respond to a written inquiry from a student loan

1 borrower, or the representative of a student loan borrower, within ten (10) business days after  
2 receipt of the request, and provide information relating to the request and, if applicable, the action  
3 the student loan servicer will take to correct the account or an explanation for the student loan  
4 servicer's position that the borrower's account is correct.

5 (1) The ten (10) day period described in subsection (e) of this section may be extended  
6 for not more than fifteen (15) days, if before the end of the ten (10) day period the student loan  
7 servicer, notifies the borrower or the borrower's representative of the extension, and the reasons  
8 for the delay in responding.

9 (2) After receipt of a written request related to a credit reporting dispute on a borrower's  
10 payment on a student education loan, a student loan servicer shall not furnish adverse information  
11 to a consumer reporting agency regarding a payment that is the subject of the written inquiry.

12 (g) Except as provided by federal law or required by a student loan agreement, a student  
13 loan servicer shall inquire of a borrower how to apply an overpayment to a student education  
14 loan. A borrower's direction on how to apply an overpayment to a student education loan shall  
15 stay in effect for any future overpayments during the term of a student education loan until the  
16 borrower provides different directions. For purposes of this section, "overpayment" means a  
17 payment on a student education loan in excess of the monthly amount due from a borrower on a  
18 student education loan, also commonly referred to as a prepayment.

19 (h) Where a borrower has multiple loans at the same level of delinquency, a student loan  
20 servicer shall apply partial payments in a manner that minimizes late fees and negative credit  
21 reporting by applying such payments to satisfy as many individual loan payments as possible on a  
22 borrower's account. For purposes of this section, "partial payment" means a payment on a student  
23 loan account that contains multiple individual loans in an amount less than the amount necessary  
24 to satisfy the outstanding payment due on all loans in the student loan account, also commonly  
25 referred to as an underpayment.

26 (i) In the event of the sale, assignment, or other transfer of the servicing of a student  
27 education loan that results in a change in the identity of the person to whom a student loan  
28 borrower is required to send payments or direct any communication concerning the student  
29 education loan, the following provisions apply:

30 (1) As a condition of a sale, an assignment, or any other transfer of the servicing of a  
31 student education loan, a student loan lender shall require the new student loan servicer to honor  
32 all benefits originally represented as available to a student loan borrower during the repayment of  
33 the student education loan and preserve the availability of the benefits, including any benefits for  
34 which the student loan borrower has not yet qualified.

1 (2) A student loan servicer shall transfer to the new student loan servicer all records  
2 regarding the student loan borrower, the account of the student loan borrower, and the student  
3 education loan of the student loan borrower.

4 (3) The records required under subsection (h)(2) of this section shall include the  
5 repayment status of the student loan borrower and any benefits associated with the student  
6 education loan of the student loan borrower.

7 (4) The student loan servicer shall complete the transfer of records required under  
8 subsection (h)(2) of this section within forty-five (45) days after the sale, assignment, or other  
9 transfer of the servicing of a student education loan.

10 (5) The parties shall notify all student loan borrowers impacted by the sale, assignment,  
11 or other transfer of the servicing of a student education loan at least seven (7) days before the next  
12 payment on the loan is due. Notice must include: the identity of the new loan holder and/or  
13 servicer, the effective date of the transfer, the date on which the old servicer will no longer accept  
14 payments, the date on which the new servicer will begin to accept payments, and contact and  
15 billing information for loan payments.

16 (j) A student loan servicer that services a student education loan shall adopt policies and  
17 procedures to verify that the student loan servicer has received all records regarding the student  
18 loan borrower, the account of the student loan borrower, and the student education loan of the  
19 student loan borrower, including the repayment status of the student loan borrower and any  
20 benefits associated with the student education loan of the student loan borrower.

21 (k) When a prior student loan servicer receives a payment intended for the new student  
22 loan servicer, the prior student loan servicer must promptly transfer the payment to the new  
23 servicer, along with the date the prior servicer received the payment.

24 (l) When a new servicer receives a payment from a prior servicer under subsection (j) of  
25 this section, the payment must be applied as of the date received by the prior servicer. A student  
26 loan servicer must implement processes and controls to ensure a student loan borrower does not  
27 incur additional interest, fees, or delinquency due to complications related to the sale, assignment,  
28 or other transfer of the servicing of a student education loan.

2 maintain the proficiency and competence of the examination personnel. All such costs shall be  
3 incurred in accordance with appropriate state of Rhode Island regulations, guidelines, and  
4 procedures.

5 (e) The authority of this chapter shall remain in effect, whether such student loan servicer  
6 or person subject to the provisions of this chapter acts or claims to act under any licensing or  
7 registration law of this state, or claims to act without such authority.

8 (f) No student loan servicer or person subject to examination under this section may
