STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2019

—————
A N A C T

RELATING TO LABOR AND LABOR RELATIONS -- MECHANICAL TRADES

Introduced By: Senators Lombardi, Lombardo, Ciccone, Archambault, and McCaffrey

Date Introduced: March 21, 2019

Referred To: Senate Labor

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 28-27-5 of the General Laws in Chapter 28-27 entitled "Mechanical
2 Trades" is hereby amended to read as follows:

3 **28-27-5. Practices for which master or contractor license required.**

4 (a) No person shall: (1) engage in this state in the business of the mechanical trades as a
5 master or as an employer of the mechanical trades, (2) enter into contracts or agreements for the
6 installation, maintenance, repair, or servicing in the mechanical trades, (3) advertise or represent
7 in any form or matter that they are masters or that they will install pipefitting or refrigeration/air
8 conditioning, or air distribution systems or perform fire protection sprinkler work, unless those
9 persons possess a valid license issued by the department of labor and training under this chapter.
10 All masters shall carry this license on their person at all times while so engaged, and shall affix
11 their master's license number to any advertisement and/or contract they execute and/or bid they
12 file with any consumer for their professional services and to any applicable permit required for
13 the performance of those services.

14 (b) A person holding a valid master license under this chapter shall not be required to
15 obtain an additional license under this chapter to perform sheet metal work [for repair or](#)
16 [renovation](#) when AC air handling equipment is ten (10) tons or less or when heating equipment
17 does not exceed 250,000 BTUs. A person holding a valid master license under this chapter can
18 bid or quote or solicit bids for the installation, maintenance, repair and perform all work and the
19 servicing of sheet metal work, but must subcontract the aforementioned work to a properly

1 licensed sheet metal contractor to perform the work only when AC air handling equipment is in
2 excess of ten (10) tons, ~~or~~ when heating equipment exceeds 250,000 BTUs or when working on
3 new construction. The subcontractor must secure the proper state or municipal permits for the
4 work subcontracted to be performed.

5 SECTION 2. This act shall take effect upon passage.
