1 SECTION 1. Section 31-3.1-4 of the General Laws in Chapter 31-3.1 entitled  
2 "Certificates of Title and Security Interests" is hereby amended to read as follows:

3 **31-3.1-4. Application for first certificate of title.**

4 (a) The application for the first certificate of title of a vehicle in this state shall be made  
5 by the owner to the division of motor vehicles on the form it prescribes and shall contain:

6 (1) The name, residence, and mailing address of the owner;

7 (2) A description of the vehicle including, so far as the following data exists: its make,  
8 model, identifying number, type of body, the number of cylinders, and whether new or used;

9 (3) The date of purchase by applicant, the name and address of the person from whom the  
10 vehicle was acquired, and the names and addresses of any lienholders in the order of their priority  
11 and the dates of their security agreements; and

12 (4) Any further information the division reasonably requires to identify the vehicle and to  
13 enable it to determine whether the owner is entitled to a certificate of title, and the existence or  
14 nonexistence of security interests in the vehicle.

15 (b) If the application refers to a vehicle purchased from a dealer, it shall contain the name  
16 and address of any lienholder holding a security interest created or reserved at the time of the sale  
17 and the date of this security agreement and be signed by the dealer as well as the owner, and the  
18 dealer or buyer shall promptly mail or deliver the application to the division. The buyer shall also  
19 complete a security lien statement as provided in § 31-3.1-19.

1 (c) If the application refers to a vehicle last previously registered in another state or  
2 country, the application shall contain or be accompanied by:

3 (1) Any certificate of title issued by the other state or country;

4 (2) Any other information and documents the division reasonably requires to establish the  
5 ownership of the vehicle and the existence or nonexistence of security interest in it; and

6 (3) The certificate of a person authorized by law that the identifying number of the  
7 vehicle has been inspected and found to conform to the description given in the application, or  
8 any other proof of the identity of the vehicle the division reasonably requires.

9 (d) Chiefs of police, their designees, who shall be employees of the police department, or,  
10 in an emergency, the administrator of the division of motor vehicles or his or her designee shall  
11 conduct the inspection of the vehicle identifying number, and certify, on forms provided by the  
12 division, that it has been found to conform to the description given in the application or any other  
13 form of the identity of the vehicle the division reasonably requires. An inspection and
