RELATING TO EDUCATION -- FIELD TRIP FUNDING

Introduced By: Representatives Chippendale, Costantino, Millea, O'Brien, and Newberry
Date Introduced: January 09, 2020
Referred To: House Health, Education & Welfare

It is enacted by the General Assembly as follows:

SECTION 1. Section 16-38-6 of the General Laws in Chapter 16-38 entitled "Offenses Pertaining to Schools [See Title 16 Chapter 97 - The Rhode Island Board of Education Act]" is hereby amended to read as follows:

(a) No public school official or public school employee shall, for any purpose, solicit or exact from any pupil in any public school any contribution or gift of money or any article of value, or any pledge to contribute any money or article of value. This prohibition does not apply to school sponsored field trips in which parents can be asked for funding as long as the school district provides funding to any student whose family cannot afford the cost of the trip. No public school teacher shall accept payment for tutoring directly from the parents of a student under his or her instruction. If a teacher is to be assigned and compensated as a tutor for a student under his or her instruction, the assignment and compensation must be through the school department pursuant to policies and procedures adopted by the school committee. Nothing in this section shall be interpreted to prohibit a teacher from tutoring a student who is not concurrently under his or her instruction in the public school and receiving compensation for the tutoring from the parents of the student.

(b) No commercial goods or services shall be sold to students in the public schools or on public school property, nor shall any commercial materials (flyers, literature, advertisements, commercial materials, or solicitations) be sent home with students from the public school, except
as authorized pursuant to policies and procedures adopted by the local school committee, which
shall, at a minimum, address the following:

(1) The conduct and financial accountability of public school employees and public
school officials engaged in commercial activities for the benefit of public schools;
(2) The use of schoolchildren to deliver commercial materials to parents.
(c) Any approved fundraising activity shall be conducted on a voluntary basis and in
accordance with rules and regulations promulgated by the school committee, which shall at a
minimum, address the following:
(1) The conduct and financial accountability of public school employees and public
school officials engaged in fundraising activities for the benefit of public schools;
(2) The specific circumstances, if any, for door to door solicitations and door to door
sales by public school students for fundraising;
(3) The use of schoolchildren to deliver fundraising materials to parents.
(d) The commissioner of elementary and secondary education shall provide technical
assistance to assist the school committees of the several towns and cities in the formulation of the
local policies and procedures mandated by this section.

SECTION 2. This act shall take effect upon passage.
