RELATING TO EDUCATION

Introduced By: Representatives Ranglin-Vassell, Lyle, Lombardi, Hull, and McNamara

Date Introduced: January 24, 2020

Referred To: House Finance

It is enacted by the General Assembly as follows:

SECTION 1. Chapter 16-8 of the General Laws entitled "Federal Aid [See Title 16 Chapter 97 - The Rhode Island Board of Education Act]" is hereby amended by adding thereto the following section:

16-8-10.2. Treatment of students receiving school meals assistance.

(a) All public and secondary schools at which pupils are served breakfast and lunch under §§ 16-8-10 and 16-8-10.1, shall ensure that a pupil whose parent or guardian has unpaid school meal fees is not denied a reimbursable meal of the pupil's choice because of the fact that the pupil's parent or guardian has unpaid meal fees and shall ensure that the pupil is not shamed or treated differently from other pupils. This subsection does not prohibit a school from serving an alternative reimbursable meal to a pupil who may need one for dietary or religious reasons, or as a regular menu item.

(b) School personnel and volunteers at a school that serves nutritionally adequate meals to pupils during the instructional day shall not allow any disciplinary action that is taken against a pupil to result in the denial or delay of a nutritionally adequate meal.

(c) A school shall not take any action directed at a pupil to collect an unpaid school meal fee. A school may attempt to collect unpaid school meal fees from a parent or guardian, but shall not use a debt collector, as defined in Section 803 of the federal Consumer Credit Protection Act (15 U.S.C. Sec. 1692a).

(d) A school shall notify a parent or guardian of the negative balance of a pupil's school meal fees.
meal account no later than ten (10) days after the pupil's school meal account has reached a negative balance. Before sending this notification to the parent or guardian, the school shall exhaust all options and methods to directly certify the pupil for free or reduced price meals. If the school is not able to directly certify the pupil, the school shall provide the pupil's parent or guardian with a paper copy or electronic link to an application with the notification and contact the parent or guardian to encourage application submission.

(e) Nothing in this section is intended to allow for the indefinite accrual of unpaid school meal fees.

SECTION 2. This act shall take effect upon passage.
This act requires schools to ensure that a pupil whose parent or guardian has unpaid
school meal fees is not denied a meal of the pupil's choice because of the fact that the pupil's
parent or guardian has unpaid meal fees and ensure that the pupil is not shamed or treated
differently from other students.

This act would take effect upon passage.
