It is enacted by the General Assembly as follows:

1 SECTION 1. Chapter 42-102 of the General Laws entitled “Governor's Workforce Board

6 program administered by the community college of Rhode Island (“CCRI”) in conjunction with the
7 governor’s workforce board Rhode Island (the “board”) established pursuant to this chapter, and

19 or any combination thereof, that will enable the CNA to enhance their clinical skills.

1 (c) The number of participants in the CNA initiative shall be capped at no more than one

6 community college of Rhode Island, in conjunction with the board and the department, shall
7 provide a report on the CNA initiative to the respective finance committees and the committees
8 charged with oversight of health care in the general assembly, so long as the scholarship program
9 is being implemented. This report shall include the number of students involved, the cost for the
10 CNA initiative, the number of students receiving certificates or other awards though participation
11 in the CNA initiative, and any recommendations as to the CNA initiative.

12 (f) The CNA initiative shall commence on July 1, 2020, and shall end on July 1, 2024.
