1 SECTION 1. Sections 31-27-2, 31-27-2.1, 31-27-2.5 and 31-27-2.8 of the General Laws
2 in Chapter 31-27 entitled "Motor Vehicle Offenses" are hereby amended to read as follows:

3 **31-27-2. Driving under influence of liquor or drugs.**

4 (a) Whoever drives or otherwise operates any vehicle in the state while under the
5 influence of any intoxicating liquor, drugs, toluene, or any controlled substance as defined in
6 chapter 28 of title 21, or any combination of these, shall be guilty of a misdemeanor, except as
7 provided in subsection (d)(3), and shall be punished as provided in subsection (d) [of this section](#).

8 (b)(4) Any person charged under subsection (a), whose blood alcohol concentration is
9 eight one-hundredths of one percent (.08%) or more by weight, as shown by a chemical analysis
10 of a blood, breath, or urine sample, shall be guilty of violating subsection (a). This provision shall
11 not preclude a conviction based on other admissible evidence. Proof of guilt under this section
12 may also be based on evidence that the person charged was under the influence of intoxicating
13 liquor, drugs, toluene, or any controlled substance defined in chapter 28 of title 21, or any
14 combination of these, to a degree that rendered the person incapable of safely operating a vehicle.
15 The fact that any person charged with violating this section is, or has been, legally entitled to use
16 alcohol or a drug shall not constitute a defense against any charge of violating this section.

17 ~~(2) Whoever drives, or otherwise operates, any vehicle in the state with a blood presence~~
18 ~~of any scheduled controlled substance as defined within chapter 28 of title 21, as shown by~~
19 ~~analysis of a blood or urine sample, shall be guilty of a misdemeanor and shall be punished as~~

1 ~~provided in subsection (d).~~

2 (c) In any criminal prosecution for a violation of subsection (a), evidence as to the
3 amount of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of
4 title 21, or any combination of these, in the defendant's blood at the time alleged as shown by a
5 chemical analysis of the defendant's breath, blood, or urine or other bodily substance, shall be
6 admissible and competent, provided that evidence is presented that the following conditions have
7 been complied with:

8 (1) The defendant has consented to the taking of the test upon which the analysis is made.
9 Evidence that the defendant had refused to submit to the test shall not be admissible unless the
10 defendant elects to testify.

11 (2) A true copy of the report of the test result was [hand delivered at the location of the](#)
12 [test or](#) mailed within seventy-two (72) hours of the taking of the test to the person submitting to a
13 breath test.

14 (3) Any person submitting to a chemical test of blood, urine, or other body fluids shall
15 have a true copy of the report of the test result mailed to him or her within thirty (30) days
16 following the taking of the test.

17 (4) The test was performed according to methods and with equipment approved by the
18 director of the department of health of the state of Rhode Island and by an authorized individual.

19 (5) Equipment used for the conduct of the tests by means of breath analysis had been
20 tested for accuracy within thirty (30) days preceding the test by personnel qualified as
21 hereinbefore provided, and breathalyzer operators shall be qualified and certified by the
22 department of health within three hundred sixty-five (365) days of the test.

23 (6) The person arrested and charged with operating a motor vehicle while under the
24 influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of
25 title 21 or any combination of these in violation of subsection (a), was afforded the opportunity to
26 have an additional chemical test. The officer arresting or so charging the person shall have
27 informed the person of this right and afforded him or her a reasonable opportunity to exercise this
28 right, and a notation to this effect is made in the official records of the case in the police
29 department. Refusal to permit an additional chemical test shall render incompetent and
30 inadmissible in evidence the original report.

31 (d)(1)(i) Every person found to have violated subsection (b)(1) shall be sentenced as
32 follows: for a first violation whose blood alcohol concentration is eight one-hundredths of one

30 consideration any language barrier that may exist as to any person ordered to attend, and shall
31 provide for instruction reasonably calculated to communicate the purposes of the course in
32 accordance with the requirements of the subsection. Any costs reasonably incurred in connection
33 with the provision of this accommodation shall be borne by the person being retrained. A copy of
34 any violation under this section shall be forwarded by the court to the alcohol and drug safety

14 to order the suspension of any license for violations of this section. ~~All trials in the district court
15 and family court of violations of the section shall be scheduled within thirty (30) days of the
16 arraignment date. No continuance or postponement shall be granted except for good cause shown.

27 (k) For the purposes of this section, any test of a sample of blood, breath, or urine for the
28 presence of alcohol that relies in whole or in part upon the principle of infrared light absorption is
29 considered a chemical test.

30 (l) If any provision of this section, or the application of any provision, shall for any
31 reason be judged invalid, such a judgment shall not affect, impair, or invalidate the remainder of
32 the section, but shall be confined in this effect to the provision or application directly involved in

9 reasonable grounds to believe that the person had been driving a motor vehicle while under the
10 influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of
11 title 21, or any combination thereof. The magistrate shall also determine if the person had been
12 informed of the penalties incurred as a result of failing to submit to a chemical test as provided in
13 this section and that the person had been informed of the implied consent notice contained in

31 suspension.

32 ~~(d)~~(e) For the purposes of this section, any test of a sample of blood, breath, or urine for
