\*\*\*

1           This act would provide that prisoners who committed offenses prior to age eighteen (18)  
2 and were sentenced as adults would be eligible for parole after completing fifteen (15) years of  
3 their sentence. This act would not lengthen their parole eligibility should the prisoner be eligible  
4 for parole earlier than fifteen (15) years.

5           This act would take effect upon passage.
