3 **16-77.4-3.1. Legislative findings.** – (a) It is the intention of the general assembly, in
4 enacting this legislation, to ensure that all eligible public school students have equal access and

6 (b) The department of education, public school districts, and mayoral academies shall
7 develop policies and procedures to allow all students attending public schools in districts containing

4 academies shall offer an equal number of enrollments to students from urban and non-urban
5 communities.

6 (e) The parent and/or guardian of a student may inform the public school that they do not

8 shall inform the mayoral academy of the parent or guardian's decision, and said student shall not
