(c)(1) Notwithstanding subsections (a) and (b) of this section, the minimum number of prepaid orders for special motor vehicle registration plates that either have been authorized pursuant to this chapter, but have not been issued or printed as of the effective date of this act, because the minimum number of prepaid orders for the plates has not been reached or are authorized pursuant to this chapter after the effective date of this act, may be reduced to one hundred fifty (150) sets of plates per plate type if the applicable sponsoring nonprofit entity delivers to the division of motor

12 if multiple orders and thirteen thousand five hundred dollar (\$13,500) nonrefundable payments are

13 received from different sponsoring nonprofit entities, the division of motor vehicles shall be
