14 (5) The declaration of emergency ordered the closure of businesses, parks, limitations of
15 social gatherings, to name just few temporary and sometimes permanent effects of the scourge of
16 COVID-19.

17 (6) Through scientific research of unprecedented magnitude, the United States government
18 finally approved vaccines in late 2020.

2 a risk to citizens of the United States and elsewhere.

3 SECTION 2. Chapter 21-27 of the General Laws entitled "Sanitation in Food

11 subject to the provisions of chapter 13 of title 21, for the sale or delivery to the customer on the
12 premises. For purposes of this section, "live market" means a market or sales site in which a vendor
