STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2022

---

HOUSE RESOLUTION

PROCLAIMING THE MONTH OF JANUARY 2022, TO BE "FIREFIGHTER CANCER  
AWARENESS MONTH" IN THE STATE OF RHODE ISLAND

Introduced By: Representatives Casimiro, Casey, Shekarchi, Blazejewski, Filippi, Noret,  
Kazarian, Solomon, Alzate, and Shallcross Smith

Date Introduced: January 11, 2022

Referred To: House read and passed

1           WHEREAS, Tragically, occupational cancer has surpassed heart disease as the leading  
2 line-of-duty cause of death among firefighters. From 2015 to 2020, 75 percent of the firefighters  
3 added to the International Association of Fire Fighters (IAFF) National Fallen Fire Fighters  
4 Memorial died from occupational cancer; and

5           WHEREAS, In response to this growing problem, the IAFF and the Firefighter Support  
6 Network are teaming up and combining resources to tackle this growing problem and are working  
7 tirelessly and striving daily to reduce the impact of cancer on firefighters through better education  
8 and prevention resources within fire departments across the nation and with a particular focus on  
9 early detection; and

10           WHEREAS, According to the Firefighter Cancer Support Network, firefighters have a  
11 nine percent higher risk of being diagnosed with cancer and a fourteen percent higher risk of  
12 dying from cancer than the general United States population according to research conducted by  
13 the CDC/National Institute for Occupational Health and Safety (NIOSH). The cancers most  
14 responsible for this higher risk are respiratory (lung and mesothelioma), GI (oral cavity,  
15 esophageal, large intestine) and kidney; and

16           WHEREAS, Overall, firefighters have a greater risk of getting certain cancers than the  
17 general public with testicular cancer being 2.02 times higher, mesothelioma being 2 times higher,  
18 multiple myeloma 1.53 times higher, non-Hodgkin's lymphoma being 1.51 times higher, skin  
19 cancer being 1.39 times higher, malignant melanoma being 1.31 times higher, brain cancer being

1 1.31 times higher, prostate cancer being 1.28 times higher, colon cancer being 1.21 times higher,  
2 and leukemia being 1.14 times higher; and

3 WHEREAS, America and Rhode Island's firefighters are dedicated public safety  
4 professionals who often risk life and limb to protect people's lives and property. They deserve our  
5 support and the resources necessary to do everything possible to reduce their greater chances of  
6 being diagnosed with and perishing from cancer; now, therefore be it

7 RESOLVED, That this House of Representatives of the State of Rhode Island hereby  
8 proclaims the Month of January 2022, to be "Firefighter Cancer Awareness Month" in the State  
9 of Rhode Island; and be it further

10 RESOLVED, That the Secretary of State be and hereby is authorized and directed to  
11 transmit a duly certified copy of this resolution to the International Association of Fire Fighters  
12 (IAFF).
