15 state by a manufacturer, unless all of the following apply:

17 state agency or the Organization for Economic Cooperation and Development for the relevant

20 (C) There is a history of use of the ingredient outside of cosmetics at least one year prior  
21 to the manufacturer's reliance on such data.

22 (3) The provisions of subsection (d) of this section shall not apply to:

23 (i) A cosmetic product if the cosmetic in its final form was tested on animals before January
