**H O U S E R E S O L U T I O N**

**CONDEMNING THE RUSSIAN INVASION OF UKRAINE**

Introduced By: Representatives Hull, Shekarchi, Blazejewski, Filippi, J Lombardi,  
McNamara, Ajello, Casey, Williams, and Ranglin-Vassell

Date Introduced: March 01, 2022

Referred To: House read and passed

1           WHEREAS, On February 24, 2022, Russia launched an invasion of Ukraine, its neighbor  
2 to the Southwest. This illegal and immoral act of war is the largest conventional warfare  
3 operation in Europe since World War II ended in 1945; and

4           WHEREAS, Ukraine is a democracy of more than 40 million people led by its  
5 Democratically-elected President Volodymyr Zelensky. Russia is a nation of approximately 145  
6 million led by Vladimir Putin, a former KGB agent, who has been in power in Russia since 2000  
7 and is widely believed across the globe to be a tyrant; and

8           WHEREAS, For centuries, Ukraine and its people have suffered greatly due to actions  
9 taken by Russia, their more powerful neighbor to the East. The Ukrainians declared their  
10 independence in 1917, but were invaded and defeated by Lenin and his Russian forces in 1921.  
11 From 1932 to 1933, the Ukrainian people suffered from a Stalin-induced famine, called  
12 Holodomor in Ukraine, that according to a United Nations statement in 2003, killed  
13 approximately 7-10 million people; and

14           WHEREAS, More recently, in 2014 Russia broke international law by invading and  
15 annexing the Crimean Peninsula from Ukraine. As a result, Russia's actions were condemned by  
16 the United Nations and they were suspended by the G8, (Group of 8), which was an inter-  
17 governmental political forum from 1997 to 2014, consisting of the United States, Canada, the  
18 United Kingdom, France, Germany, Italy, Japan and Russia, which met regularly and sought to  
19 foster stability and economic prosperity across the globe. Tragically, as recent events show,  
20 Russian President Vladimir Putin has no interest in these noble ideas. Since 2014, Putin and

1 Russia also sowed rebellion and violence in the Donbas region of Southeastern Ukraine, in  
2 Russia's never-ending quest to de-stabilize the Ukrainian government and democracy in Ukraine;  
3 and

4 WHEREAS, Thus far, the United Nations has estimated that there have been thousands  
5 of casualties, both killed and wounded, since Putin's illegal invasion of Ukraine began four days  
6 ago. The United Nations also estimates that the invasion has created more than 400,000 refugees;  
7 and

8 WHEREAS, Thankfully, the world's reaction has been swift and almost unanimous in its  
9 condemnation of Putin's actions. NATO is unified in its opposition to this invasion and is  
10 supplying the Ukrainian government and military with much-needed weapons and humanitarian  
11 goods. Other non-NATO nations are also assisting the Ukraine Government such as Sweden and  
12 Finland. The United Nations membership has overwhelmingly condemned the Russian attack on  
13 Ukraine, and the United States, the European Union and other allies across the globe are also  
14 enacting very strict and biting economic sanctions against Russia, particularly in the banking and  
15 currency sectors. Also, almost all of Europe and its Western allies have declared their territories  
16 to be no-fly zones for Russian civilian and military aircraft; now, therefore be it

17 RESOLVED, That this House of Representatives of the State of Rhode Island hereby  
18 declares that it vehemently opposes the illegal invasion of Ukraine by Russia and this House  
19 completely supports the Rhode Island Ukrainian-American community in this time of great crisis;  
20 and be it further

21 RESOLVED, That the Secretary of State be and hereby is authorized and directed to send  
22 certified copies of this resolution to the Rhode Island Congressional delegation, and to St.  
23 Michael's Ukrainian Orthodox Church, and St. Michael the Archangel Ukrainian Church, both of  
24 Woonsocket.
