It is enacted by the General Assembly as follows:

SECTION 1. Title 31 of the General Laws entitled "MOTOR AND OTHER VEHICLES" is hereby amended by adding thereto the following chapter:

CHAPTER 19.6

REGULATION OF ELECTRIC BICYCLES

31-19.6-1. Regulation.

Electric bicycles are to be regulated like bicycles. The same rules of the road apply to both electric bicycles and human-powered bicycles pursuant to the provisions of this title.

31-19.6-2. Exemptions from regulation.

An electric bicycle or a person operating an electric bicycle is not subject to the provisions of this title applicable to motor vehicles, including, but not limited to, registration, certificates of title, operators' licenses, financial responsibility, recreational vehicles, motor vehicle dealers, or commercial motor vehicles.

31-19.6-3. Classes.

There shall be three (3) classes of electric bicycles:

(1) Class 1: Bicycle equipped with an electric motor that provides assistance only when the rider is pedaling, and that ceases to provide assistance when the electric bicycle reaches twenty miles per hour (20 mph).

(2) Class 2: Bicycle equipped with a throttle-actuated electric motor that ceases to provide assistance when the electric bicycle reaches twenty miles per hour (20 mph).
assistance when the electric bicycle reaches twenty miles per hour (20 mph).

(3) Class 3: Bicycle equipped with an electric motor that provides assistance only when the rider is pedaling, and that ceases to provide assistance when the electric bicycle reaches twenty-eight miles per hour (28 mph).

31-19.6-4. Helmets required - Age of operators.

(a) Helmets, as defined in § 31-19-2.1, are required for riders fifteen (15) years of age or younger for all three (3) classes of electric bicycles and for all riders of Class 3 electric bicycles.

(b) Persons under sixteen (16) years of age may not ride a Class 3 electric bicycle, unless as a passenger.

31-19.6-5. Speedometer.

All Class 3 electric bicycles shall be equipped with a speedometer that is capable of displaying the speed the electric bicycle is traveling in miles per hour.

31-19.6-6. Municipal regulations.

(a) Local governments shall not restrict the use of electric bicycles except to regulate the speed they may travel or in order to comply with other laws or legal obligations.

(b) A person shall not operate a Class 3 electric bicycle on a bicycle lane or multi-use path in excess of the posted or applicable speed limit, or if there is no posted or applicable speed limit, twenty miles per hour (20 mph).

31-19.6-7. Labels on electronic bicycles.

On or after January 1, 2023, manufacturers and distributors of electric bicycles shall apply a label that is permanently affixed, in a prominent location, to each electric bicycle. The label shall contain the classification number, top assisted speed, and motor wattage of the electric bicycle and shall be printed in Arial font in at least nine (9) point type.

SECTION 2. Section 31-1-3 of the General Laws in Chapter 31-1 entitled “Definitions and General Code Provisions” is hereby amended to read as follows:

31-1-3. Types of vehicles.

(a)(1) “Antique motor car” means any motor vehicle that is more than twenty-five (25) years old. Unless fully inspected and meeting inspection requirements, the vehicle may be maintained solely for use in exhibitions, club activities, parades, and other functions of public interest. The vehicle may also be used for limited enjoyment and purposes other than the previously mentioned activities, but may not be used primarily for the transportation of passengers or goods
over any public highway.

(2) After the vehicle has met the requirements of state inspection, a registration plate may be issued to it on payment of the standard fee. The vehicle may be operated on the highways of this and other states, and may, in addition to the registration plate, retain the designation "antique" and display an "antique plate."

(3) For any vehicle that is more than twenty-five (25) years old, the division of motor vehicles may also issue or approve, subject to rules and regulations that may be promulgated by the administrator, a "year of manufacture plate" for the vehicle that is an exact replica plate designating the exact year of manufacture of the vehicle. The year of manufacture plate, as authorized by this subsection, need only be attached to the rear of the vehicle.

(b)(1) "Antique motorcycle" means any motorcycle that is more than twenty-five (25) years old. Unless fully inspected and meeting inspection requirements, the vehicle shall be maintained solely for use in exhibitions, club activities, parades, and other functions of public interest. The vehicle may also be used for limited enjoyment and purposes other than the previously mentioned activities, but may not be used primarily for the transportation of passengers or goods over any public highway; and

(2) After the vehicle has met the requirements of state inspection, a registration plate may be issued to it, on payment of the standard fee, and the vehicle may be operated on the highways of this and other states, and may, in addition to the registration plate, retain the designation "antique" and display an "antique plate."

(c) "Authorized emergency vehicle" means vehicles of the fire department (fire patrol); police vehicles; vehicles of the department of corrections while in the performance of official duties; vehicles used by the state bomb squad within the office of state fire marshal; vehicles of municipal departments or public service corporations designated or authorized by the administrator as ambulances and emergency vehicles; and privately owned motor vehicles of volunteer firefighters or privately owned motor vehicles of volunteer ambulance drivers or attendants, as authorized by the department chief or commander and permitted by the Rhode Island Association of Fire Chiefs and Rhode Island Association of Police Chiefs Joint Committee for Volunteer Warning Light Permits.

(d) "Automobile" means, for registration purposes, every motor vehicle carrying passengers other than for hire.

(e) "Bicycle" means every vehicle having two (2) tandem wheels, except scooters and similar devices, propelled exclusively by human power, and upon which a person may ride.

(f) "Camping recreational vehicle" means a vehicular type camping unit, certified by the
manufacturer as complying with ANSI A119.2 Standards, designed primarily as temporary living
quarters for recreation that has either its own motor power or is mounted on, or towed by, another
vehicle. The basic units are tent trailers, fifth-wheel trailers, motorized campers, travel trailers, and
pick-up campers.

(g) "Electric motorized bicycle" means a motorized bicycle that may be propelled by
human power or electric motor power, or by both, with an electric motor rated not more than two
horsepower, that is capable of a maximum speed of not more than twenty-five (25)

(2) (S.A.E.) horsepower, that is capable of a maximum speed of not more than twenty-eight (28) miles per hour.

(h) "Electric personal assistive mobility device" ("EPAMD") is a self-balancing, non-
tandem two-wheeled (2) device, designed to transport only one person, with an electric propulsion
system that limits the maximum speed of the device to fifteen (15) miles per hour.

(i) "Fifth-wheel trailer": A towable recreational vehicle, not exceeding four hundred (400)
square feet in area, designed to be towed by a motorized vehicle that contains a towing mechanism
that is mounted above or forward of the tow vehicle's rear axle and that is eligible to be registered
for highway use.

(j) "Hearse" means every motor vehicle used for transporting human corpses. A hearse
shall be considered an automobile for registration purposes.

(k) "Jitney or bus" means: (1) A "public bus" that includes every motor vehicle, trailer,
semi-trailer, tractor trailer, or tractor trailer combination, used for the transportation of passengers
for hire, and operated wholly or in part upon any street or highway as a means of transportation
similar to that afforded by a street railway company, by indiscriminately receiving or discharging
passengers, or running on a regular route or over any portion of one, or between fixed termini; or
(2) A "private bus" that includes every motor vehicle other than a public bus or passenger van
designed for carrying more than ten (10) passengers and used for the transportation of persons, and
every motor vehicle other than a taxicab designed and used for the transportation of persons for
compensation.

(l) "Motorcycle" means only those motor vehicles having not more than three (3) wheels
in contact with the ground and a saddle on which the driver sits astride, except bicycles with helper
motors as defined in subsection (n) of this section.

(m) "Motor-driven cycle" means every motorcycle, including every motor scooter, with a
motor of no greater than five (5) horsepower, except bicycles with helper motors as defined in
subsection (n) of this section.

(n) "Motorized bicycles" means two-wheel (2) vehicles that may be propelled by human
power or helper power, or by both, with a motor rated not more than four and nine-tenths (4.9)
horsepower and not greater than fifty (50) cubic centimeters, that are capable of a maximum speed
of not more than thirty (30) miles per hour.

(o) "Motorized camper": A camping recreational vehicle, built on, or permanently attached
to, a self-propelled motor vehicle chassis cab or van that is an integral part of the completed vehicle.

(p) "Motorized tricycles" means tricycles that may be propelled by human power or helper
motor, or by both, with a motor rated no more than 1.5 brake horsepower that is capable of a
maximum speed of not more than thirty (30) miles per hour.

(q) "Motorized wheelchair" means any self-propelled vehicle, designed for, and used by, a
person with a disability that is incapable of speed in excess of eight (8) miles per hour.

(r) "Motor scooter" means a motor-driven cycle with a motor rated not more than four and
nine-tenths (4.9) horsepower and not greater than fifty (50) cubic centimeters that is capable of a
maximum speed of not more than thirty (30) miles per hour.

(s) "Motor vehicle" means every vehicle that is self-propelled or propelled by electric
power obtained from overhead trolley wires, but not operated upon rails, except vehicles moved
exclusively by human power, an EPAMD and electric motorized bicycles as defined in subsection
(g) of this section, and motorized wheelchairs.

(t) "Motor vehicle for hire" means every motor vehicle other than jitneys, public buses,
hearses, and motor vehicles used chiefly in connection with the conduct of funerals, to transport
persons for compensation in any form, or motor vehicles rented for transporting persons either with
or without furnishing an operator.

(u) "Natural gas vehicle" means a vehicle operated by an engine fueled primarily by natural
gas.

(v) "Park trailer": A camping recreational vehicle that is eligible to be registered for
highway use and meets the following criteria: (1) Built on a single chassis mounted on wheels; and
(2) Certified by the manufacturer as complying with ANSI A119.5.

(w) "Passenger van" means every motor vehicle capable of carrying ten (10) to fourteen
(14) passengers plus an operator and used for personal use or on a not-for-hire basis. Passenger
vans may be used for vanpools, transporting passengers to and from work locations, provided that
the operator receives no remuneration other than free use of the vehicle.

(x) "Pedal carriage" (also known as "quadricycles") means a nonmotorized bicycle with
four (4) or more wheels operated by one or more persons for the purpose of, or capable of,
transporting additional passengers in seats or on a platform made a part of or otherwise attached to
the pedal carriage. The term shall not include a bicycle with trainer or beginner wheels affixed to
it, nor shall it include a wheelchair or other vehicle with the purpose of operation by or for the
transportation of a person with a disability, nor shall it include a tricycle built for a child or an adult
with a seat for only one operator and no passenger.

(y) "Pick-up camper": A camping recreational vehicle consisting of a roof, floor, and sides
designed to be loaded onto and unloaded from the back of a pick-up truck.

(z) "Rickshaw" (also known as "pedi cab") means a nonmotorized bicycle with three (3)
wheels operated by one person for the purpose of, or capable of, transporting additional passengers
in seats or on a platform made a part of, or otherwise attached to, the rickshaw. This definition shall
not include a bicycle built for two (2) where the operators are seated one behind the other, nor shall it
include the operation of a bicycle with trainer or beginner wheels affixed thereto, nor shall it
include a wheelchair or other vehicle with the purpose of operation by or for the transportation of
a person with a disability.

(aa) "School bus" means every motor vehicle owned by a public or governmental agency,
when operated for the transportation of children to or from school; or privately owned, when
operated for compensation for the transportation of children to or from school.

(bb) "Suburban vehicle" means every motor vehicle with a convertible or interchangeable
body or with removable seats, usable for both passenger and delivery purposes, and including motor
vehicles commonly known as station or depot wagons or any vehicle into which access can be
gained through the rear by means of a hatch or trunk and where the rear seats can be folded down
to permit the carrying of articles as well as passengers.

(cc) "Tent trailer": A towable recreational vehicle that is mounted on wheels and
constructed with collapsible partial side walls that fold for towing by another vehicle and unfold
for use and that is eligible to be registered for highway use.

(dd) "Trackless trolley coach" means every motor vehicle that is propelled by electric
power obtained from overhead trolley wires, but not operated on rails.

(ee) "Travel trailer": A towable recreational vehicle, not exceeding three hundred twenty
square feet (320 sq. ft.) in area, designed to be towed by a motorized vehicle containing a towing
mechanism that is mounted behind the tow vehicle's bumper and that is eligible to be registered for
highway use.

(ff) "Vehicle" means every device in, upon, or by which any person or property is or may
be transported or drawn upon a highway, except devices used exclusively upon stationary rails or
tracks.

SECTION 3. This act shall take effect January 1, 2023.
EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N A C T
RELATING TO MOTOR AND OTHER VEHICLES -- REGULATION OF ELECTRIC BICYCLES

***

1 This act would regulate electric bicycles in the same manner as human-powered bicycles,
2 classify electric bicycles into three (3) classes, require all electric bicycles to have a label affixed
3 to the bicycle, be equipped with a speedometer and would permit electric bicycles to be capable of
4 a maximum speed of twenty-eight (28) miles per hour.
5 This act would take effect January 1, 2023.
