5 each issue may be issued in the form of zero coupon bonds, capital appreciation bonds, serial bonds

12 in § 45-38.2-1(6), from the school building authority capital fund under chapter 38.2 of chapter 45.
13 The amount of borrowing authorized pursuant to this act shall be reduced by the amount of any
14 grant received by the town from the school building authority capital fund. Bonds, notes or other
15 evidences of indebtedness shall not be issued under this act unless the town has received a letter

1 from the Rhode Island department of education ("RIDE") confirming that the then-current school

3 financial assistance from the school building authority capital fund, or pursuant to any other law
4 hereafter enacted providing for funds to municipalities for school housing purposes, is not less than
5 thirty-five percent (35%) for those expenditures which are eligible for state aid. This act shall

11 manager and the director of finance and shall be issued and sold in such amounts as the town council
12 may authorize. The manner of sale, denominations, maturities, interest rates and other terms,
13 conditions and details of any bonds or notes issued under this act may be fixed by the proceedings
14 of the town council authorizing the issue or by separate resolution of the town council or, to the
15 extent provisions for these matters are not so made, they may be fixed by the officers authorized to
16 sign the bonds or notes. Notwithstanding anything contained in this act to the contrary, the town
17 may enter into financing agreements with the Rhode Island health and educational building
18 corporation pursuant to chapter 7 of title 16 and chapter 38.1 of title 45 and, with respect to bonds
19 or notes issued in connection with such financing agreements, if any, the town may elect to have
20 the provisions of chapter 38.1 of title 45 apply to the issuance of the bonds or notes issued hereunder
21 to the extent the provisions of chapter 38.1 of title 45 are inconsistent herewith. In addition, the
22 town may enter into financing agreements with the Rhode Island infrastructure bank pursuant to
23 the provisions of chapter 12.2 of title 46 and, with respect to bonds or notes issued in connection
24 with such financing agreements, if any, the town may elect to have the provisions of chapter 12.2
25 of title 46 apply to the issuance of the bonds or notes issued hereunder to the extent the provisions
26 of chapter 12.2 of title 46 are inconsistent herewith. Such election may be fixed by the proceedings
27 of the town council authorizing such issuance of by separate resolution of the town council, or, to
28 the extent provisions for these matters are not so made, they may be fixed by the officers authorized
29 to sign the bonds or notes. The proceeds derived from the sale of the bonds shall be delivered to
30 the director of finance, and such proceeds exclusive of premiums and accrued interest shall be
31 expended: (1) For the construction, renovation, improvement, alteration, repair furnishing and
32 equipping of schools and school facilities in the town and all costs related thereto; (2) For payment
33 of the principal or interest on temporary notes issued under section 4; (3) In payment of capitalized
34 interest on bonds or notes; (4) In repayment of advances under section 5; or (5) In payment of

1 related costs of issuance of any bonds or notes. No purchaser of any bonds or notes under this act
2 shall be in any way responsible for the proper application of the proceeds derived from the sales
3 thereof. The project shall be carried out and all contracts made therefor on behalf of the town by
4 the town manager, subject to approval of the town council. The proceeds of bonds or notes issued
5 under this act, any applicable federal or state assistance and other monies referred to in sections 7
6 and 10, shall be deemed appropriated for the purposes of this act without further action than that
7 required by this act. The bond issue authorized by this act may be consolidated for the purposes of
8 issuance and sale with any other bond issue of the town heretofore or hereafter authorized; provided
9 that, notwithstanding any such consolidation, the proceeds from the sale of the bonds authorized
10 by this act shall be expended for the purposes set forth above.

11 SECTION 4. The town council may by resolution authorize the issue from time to time of
12 interest bearing or discounted notes in anticipation of the issue of bonds or in anticipation of the
13 receipt of federal or state aid for the purposes of this act. The amount of original notes issued in
14 anticipation of bonds may not exceed the amount of bonds which may be issued under this act
15 (without any reduction for any grant to be received from the school building authority capital fund),
16 and the amount of original notes issued in anticipation of federal or state aid may not exceed the
17 amount of available federal or state aid as estimated by the director of finance. Temporary notes
18 issued hereunder shall be signed by the manual or facsimile signatures of the director of finance,
19 the town manager and the president of the town council shall be payable within five (5) years from
20 their respective dates, but the principal of and interest on notes issued for a shorter period may be
21 renewed or paid from time to time by the issue of other notes thereunder; provided the period from
22 the date of an original note to the maturity or any note issued to renew or pay the same debt or the
23 interest thereon shall not exceed five (5) years. Any temporary notes in anticipation of bonds issued
24 under this section may be refunded prior to the maturity of the notes by the issuance of additional
25 temporary notes; provided that, no such refunding shall result in any amount of such temporary
26 notes outstanding at any one time in excess of two hundred percent (200%) of the amount of bonds
27 which may be issued under this act; and provided further that, if the issuance of any such refunding
28 notes results in any amount of such temporary notes outstanding at any one time in excess of the
29 amount of bonds which may be issued under this act, the proceeds of such refunding notes shall be
30 deposited in a separate fund established with the bank which is paying agent for the notes being
31 refunded. Pending their use to pay the notes being refunded, monies in the fund shall be invested
32 for the benefit of the town by the paying agent at the direction of the director of finance in any
33 investment permitted under section 5. The monies in the fund and any investments held as a part
34 of the fund shall be held in trust and shall be applied by the paying agent solely to the payment or

1 prepayment of the principal of and interest on the notes being refunded. Upon payment of all
2 principal of and interest on the notes, any excess monies in the fund shall be distributed to the town.
3 The town may pay the principal of and interest on notes in full from other than the issuance of
4 refunding notes prior to the issuance of bonds pursuant to section 1 hereof. In such case, the town's
5 authority to issue bonds or notes in anticipation of bonds under this act shall continue; provided
6 that: (1) The town council passes a resolution evidencing the town's intent to pay off the notes
7 without extinguishing the authority to issue bonds or notes; and (2) That the period from the date
8 of an original note to the maturity date of any other note shall not exceed five (5) years.

9 SECTION 5. Pending any authorization or issue of bonds hereunder or pending or in lieu
10 of any authorization or issue of notes hereunder, the director of finance, with the approval of the
11 town council, may, to the extent that bonds or notes may be issued hereunder, apply funds in the
12 treasury of the town to the purposes specified in section 2, such advances to be repaid without
13 interest from the proceeds of bonds or notes subsequently issued or from the proceeds of applicable
14 federal or state assistance or from other available funds.

15 SECTION 6. Any proceeds of bonds or notes issued hereunder or of any applicable federal
16 or state assistance, pending their expenditure, may be deposited or invested by the director of
17 finance in demand deposits, time deposits or savings deposits in banks which are members of the
18 Federal Deposit Insurance Corporation or in obligations issued or guaranteed by the United States
19 of America or by any agency or instrumentality thereof or as may be provided in any other
20 applicable law of the State of Rhode Island or resolution of the town council or pursuant to an
21 investment policy of the town.

22 SECTION 7. Any accrued interest received upon the sale of bonds or notes hereunder shall
23 be applied to the payment of the first interest due thereon. Any premiums arising from the sale of
24 bonds or notes hereunder and any earnings or net profit realized from the deposit or investment of
25 funds hereunder shall, in the discretion of the director of finance, be applied to the cost of preparing,
26 issuing, and marketing bonds or notes hereunder to the extent not otherwise provided, to the
27 payment of the cost of the project, to the payment of the principal of or interest on bonds or notes
28 issued hereunder or to any one or more of the foregoing. The cost of preparing, issuing and
29 marketing bonds or notes hereunder may also, in the discretion of the director of finance, be met
30 from bond or note proceeds exclusive of accrued interest or from other monies available therefor.
31 Any balance of bond or note proceeds remaining after payment of the cost of the projects and the
32 cost of preparing, issuing and marketing bonds or notes hereunder shall be applied to the payment
33 of the principal of or interest on bonds or notes issued hereunder. To the extent permitted by
34 applicable federal laws, any earnings or net profit realized from the deposit or investment of funds

1 hereunder may, upon receipt, be added to and dealt with as part of the revenues of the town from
2 property taxes. In exercising any discretion under this section, the director of finance shall be
3 governed by any instructions adopted by resolution of the town council.

4 SECTION 8. All bonds and notes issued under this act and the debts evidenced thereby
5 shall be obligatory on the town in the same manner and to the same extent as other debts lawfully
6 contracted by it and shall be excepted from the operation of § 45-12-2. No such obligation shall at
7 any time be included in the debt of the town for the purpose of ascertaining its borrowing capacity.
8 The town shall annually appropriate a sum sufficient to pay the principal and interest coming due
9 within the year on bonds and notes issued hereunder to the extent that monies therefor are not
10 otherwise provided. If such sum is not appropriated, it shall nevertheless be added to the annual tax
11 levy. In order to provide such sum in each year and notwithstanding any provision of law to the
12 contrary, all taxable property in the town shall be subject to ad valorem taxation by the town without
13 limitation as to rate or amount.

14 SECTION 9. Any bonds or notes issued under the provisions of this act, if properly
15 executed by officers of the town in office on the date of execution, shall be valid and binding
16 according to their terms notwithstanding that before the delivery thereof and payment therefor any
17 or all of such officers shall for any reason have ceased to hold office.

18 SECTION 10. The town, acting by resolution of its town council is authorized to apply for,
19 contract for and expend any federal or state advances or other grants or assistance which may be
20 available for the purposes of this act, and any such expenditures may be in addition to other monies
21 provided in this act. To the extent of any inconsistency between any law of this state and any
22 applicable federal law or regulation, the latter shall prevail. Federal and state advances, with interest
23 where applicable, whether contracted for prior to or after the effective date of this act, may be
24 repaid as project costs under section 2.

25 SECTION 11. Bonds and notes may be issued under this act without obtaining the approval
26 of any governmental agency or the taking of any proceedings or the happening of any conditions
27 except as specifically required by this act for such issue. In carrying out any project financed in
28 whole or in part under this act, including where applicable the condemnation of any land or interest
29 in land, and in the levy and collection of assessments or other charges permitted by law on account
30 of any such project, all action shall be taken which is necessary to meet constitutional requirements
31 whether or not such action is otherwise required by statute; but the validity of bonds and notes
32 issued hereunder shall in no way depend upon the validity or occurrence of such action.

33 SECTION 12. All or any portion of the authority to issue bonds and notes under this act
34 may be extinguished by resolution of the town council, without further action by the general

1 assembly seven (7) years after the effective date of this act.

2 SECTION 13. The director of finance, the town manager and the president of the town
3 council, on behalf of the town, are hereby authorized to execute such documents or other papers as
4 either of them deem necessary or desirable to carry out the intent of this act and are also authorized
5 to take all actions and execute all documents or agreements necessary to comply with federal tax
6 and securities laws, which documents or agreements may have a term coextensive with the maturity
7 of the bonds authorized hereby, including Rule 15c2-12 of the Securities and Exchange
8 Commission (the Rule) and to execute and deliver a continuing disclosure agreement or certificate
9 in connection with the bonds or notes in the form as shall be deemed advisable by such officers in
10 order to comply with the Rule.

11 SECTION 14. The question of the approval of this act shall be submitted to the electors of
12 the town at the next general election, or at a special election (other than a primary), or on a date as
13 shall be designated by the town council. The question shall be submitted in substantially the
