against individuals because of their race or color, religion, sex, sexual orientation, gender identity
or expression, disability, age, or country of ancestral origin;

(iv) To refuse to reasonably accommodate an employee’s or prospective employee’s
disability unless the employer can demonstrate that the accommodation would pose a hardship on

(2)(i) For any employment agency to fail or refuse to properly classify or refer for employment or otherwise discriminate against any individual because of his or her race or color, religion, sex, sexual orientation, gender identity or expression, disability, age, or country of ancestral origin; or

(ii) For any employment agency, placement service, training school or center, labor organization, or any other employee referring source to comply with an employer’s request for the referral of job applicants if the request indicates, either directly or indirectly, that the employer will not afford full and equal employment opportunities to individuals regardless of their race or color, religion, sex, sexual orientation, gender identity or expression, disability, age, or country of ancestral origin;

(3) For any labor organization:

(i) To deny full and equal membership rights to any applicant for membership because of his or her race or color, religion, sex, sexual orientation, gender identity or expression, disability, age, or country of ancestral origin;

(iii) To fail or refuse to classify properly or refer for employment, or otherwise to discriminate against any member because of his or her race or color, religion, sex, sexual orientation, gender identity or expression, disability, age, or country of ancestral origin; or

(iv) To refuse to reasonably accommodate a member’s or prospective member’s disability unless the labor organization can demonstrate that the accommodation would pose a hardship on the labor organization’s program, enterprise, or business;

(4) Except where based on a bona fide occupational qualification certified by the commission or where necessary to comply with any federal mandated affirmative action programs, for any employer or employment agency, labor organization, placement service, training school or center, or any other employee referring source, prior to employment or admission to membership of any individual, to:

(5) For any employer or employment agency, labor organization, placement service, training school or center, or any other employee referring source to discriminate in any manner against any individual because he or she has opposed any practice forbidden by this chapter, or because he or she has made a charge, testified, or assisted in any manner in any investigation, proceeding, or hearing under this chapter;

(6) For any person, whether or not an employer, employment agency, labor organization, or employee, to aid, abet, incite, compel, or coerce the doing of any act declared by this section to be an unlawful employment practice, or to obstruct or prevent any person from complying with the provisions of this chapter or any order issued pursuant to this chapter, or to attempt directly or indirectly to commit any act declared by this section to be an unlawful employment practice;

(ii) If a standard fidelity bond or an equivalent bond is required for the position for which the applicant is seeking employment and his or her conviction of one or more specified criminal offenses would disqualify the applicant from obtaining such a bond, an employer may include a
question or otherwise inquire whether the applicant has ever been convicted of any of those
oxenses; and

(iii) Notwithstanding, any employer may ask an applicant for information about his or her
criminal convictions at the first interview or thereafter, in accordance with all applicable state and

there is an applicable collective bargaining agreement in effect on June 7, 1988, until the
termination of that agreement, in order to come into compliance with §§ 28-5-6, 28-5-7 and 28-5-
38, to reduce the benefits or the compensation provided any employee on June 7, 1988, either
directly or by failing to provide sufficient contributions to a fringe benefit fund or insurance
program.

(ii) Where the costs of these benefits on June 7, 1988, are apportioned between employers
and employees, the payments or contributions required to comply with §§ 28-5-6, 28-5-7 and 28-

reasons unrelated to compliance with §§ 28-5-6, 28-5-7 and 28-5-38.

Management" is hereby amended to read as follows:

(a) The governor shall be responsible for meeting the dangers to the state and people
presented by disasters.

(b) A state of emergency shall be declared by executive order or proclamation of the
governor if he or she finds a disaster has occurred or that this occurrence, or the threat thereof, is
imminent. The state of disaster emergency shall continue until the governor finds that the threat or
danger has passed or the disaster has been dealt with to the extent that emergency conditions no
longer exist and terminates the state of disaster emergency by executive order or proclamation, but
no state of disaster emergency may continue for longer than thirty (30) days unless renewed by the
governor. The general assembly, by concurrent resolution, may terminate a state of disaster
emergency at any time. Thereupon, the governor shall issue an executive order or proclamation
ending the state of disaster emergency and what actions are being taken to control the emergency
and what action the public should take to protect themselves. All executive orders or proclamations
issued under this subsection shall indicate the nature of the disaster, the area or areas threatened,
and the conditions that have brought it about or that make possible termination of the state of
disaster emergency. An executive order or proclamation shall be disseminated promptly by means
calculated to bring its contents to the attention of the general public and, unless the circumstances
attendant upon the disaster prevent or impede, promptly filed with the agency, the secretary of state,
and the city and town clerks in the area to which it applies.

(c) An executive order or proclamation of a state of disaster emergency, shall activate the
state and local disaster emergency plans applicable to the political subdivision or area in question
and shall be authority for the deployment and use of any forces to which the plan or plans apply
and for the use or distribution of any supplies, equipment, and materials and facilities assembled,
stockpiled, or arranged to be made available pursuant to this chapter or any other provision of law
relating to disaster emergencies.

(d) During the continuance of any state of disaster emergency the governor is commander-
in-chief of the organized and unorganized militia and of all other forces available for emergency
duty. To the greatest extent practicable, the governor shall delegate or assign command authority
by prior arrangement embodied in appropriate executive orders or regulations, but nothing herein
restricts the governor’s authority to do so by orders issued at the time of the disaster emergency.

(e) In addition to any other powers conferred upon the governor by law, the governor may
exercise the following powers, subject to the provisions of subsection (g) of this section, limited in
scope and duration as is reasonably necessary for emergency response:

1. Suspend the provisions of any regulatory statute prescribing the procedures for conduct
of state business, or the orders, rules, or regulations of any state agency, if strict compliance with
the provisions of any statute, order, rule, or regulation would in any way prevent, hinder, or delay
necessary action in coping with the emergency, provided that the suspension of any statute, order,
rule or regulation will be limited in duration and scope to the emergency action requiring said
suspension;

2. Utilize all available resources of the state government as reasonably necessary to cope
with the disaster emergency and of each political subdivision of the state;

3. Transfer the direction, personnel, or functions of state departments and agencies or units
thereof for the purpose of performing or facilitating emergency services;

4. Subject to any applicable requirements for compensation under § 30-15-11, commandeer or utilize any private property if the governor finds this necessary to cope with the
disaster emergency;

5. Direct and compel the evacuation of all or part of the population from any stricken or
threatened area within the state if the governor deems this action necessary for the preservation of
life or other disaster mitigation, response, or recovery;

(6) Prescribe routes, modes of transportation, and destinations in connection with evacuation;

(7) Control ingress and egress to and from a high risk area, the movement of persons within the area, and the occupancy of premises therein;

(8) Suspend or limit the sale, dispensing, or transportation of alcoholic beverages, firearms, explosives, and combustibles;

(9) Make provision for the availability and use of temporary emergency shelter;

(10) Make and promulgate such rules and regulations as the governor may deem advisable for the assigning, detailing, and making available for duty and use in any city or town of this state any of the personnel, apparatus, or equipment of any police or fire department of any other city or town, or of any volunteer fire company, or of any fire district, and that personnel shall have the same powers, duties, rights, privileges, and immunities as if performing their duties in the city or town in which they normally would be employed, but the personnel shall obey the orders of the police and fire authorities of the city or town to which assigned, detailed, or made available. When assigned, detailed, or made available as aforesaid, the city or town in which the police or firefighters shall perform outside duties shall provide them with subsistence or pay them a reasonable allowance therefor, and shall also be liable for any damage to the apparatus or equipment incurred while being so used; provided, however, that a city or town shall be reimbursed by the state out of the general fund of the state for all expenses incurred under the foregoing provisions of this subsection;

(11) Designate as a special emergency health and sanitation area, any area within the state that has been seriously damaged by disaster, or in which the existence of any military, naval, or air establishment of the United States of America or of any industrial establishment constructed or enlarged for purposes of national defense, has caused an increase in the population of that area to such an extent as to produce unusual problems of health and sanitation. It is the duty of state health authorities and the local code enforcement officials to make and enforce rules and regulations designed to prevent the introduction of any contagious or infectious disease and to safeguard the public health within the area. The governor may promulgate and enforce additional rules and regulations for the protection of the public health within areas as may be necessary;

(12) Whenever, in the governor’s opinion, due to a disaster there is liable to be a serious shortage in the supply of food, fuel, clothing, antitoxins, serums, immunizing agents, or any other pharmaceutical agents or medical supplies, or any other necessity of life or defense, and the federal authorities are not adequately dealing with the situation, promulgate such rules and regulations as
he or she, from time to time, deems necessary to regulate the sale, purchase, or distribution of those
necessities and to prohibit and prevent the wasting, secreting, hiding, or hoarding of, or profiteering
from, those necessities; additionally, during a declared time of state or national emergency, no
person, firm, or corporation shall increase the price of any item it sells or offers for sale at retail
immediately prior to the proclamation of emergency or during the proclaimed state of emergency.
Nothing in this section shall prohibit the fluctuation in the price of items sold at retail that occurs
during the normal course of business. Any person, firm, or corporation who or that violates any
provision of this subsection shall be fined not more than one hundred dollars ($100);

(13) Do all other things necessary to effectively cope with disasters in the state not
inconsistent with other provisions of law;

(14) Adopt and enforce measures to provide for the safe disposal of infectious waste as
may be reasonable and necessary for emergency response due to a state disaster emergency. Such
measures may include, but are not limited to, the collection, storage, handling, destruction,
treatment, transportation, and disposal of infectious waste;

(15) Adopt and enforce measures to provide for the safe disposal of corpses as may be
reasonable and necessary for emergency response due to a state disaster emergency. Such measures
may include, but are not limited to, the embalming, burial, cremation, interment, disinterment,
transportation, and disposal of corpses; and

(16) Compel a person to submit to a physical examination and/or testing as necessary to
diagnose or treat the person. The medical examination and/or testing may be performed by any
qualified person authorized by the department of health and must not be reasonably likely to result
in serious harm to the affected individual. The medical examination and/or testing shall be
performed immediately upon the order of the department of health without resort to judicial or
quasi-judicial authority. If the department of health is uncertain whether a person who refuses to
undergo medical examination and/or testing may have been exposed to an infectious disease or
otherwise poses a danger to public health, the department of health may subject the individual to
isolation or quarantine pursuant to § 23-8-4.

(f) Nothing contained herein shall be construed to limit or restrict the power of the general
assembly to appropriate any federal funds received by the state of Rhode Island pursuant to § 35-4-22.1.

(g) Powers conferred upon the governor pursuant to the provisions of subsection (e) of this
section for disaster emergency response shall not exceed a period of one hundred eighty (180) days
from the date of the emergency order or proclamation of a state of disaster emergency, unless and
until the general assembly extends the one hundred eighty (180) day period by concurrent
(h) Nothing contained in subsection (g) of this section shall be construed to apply to the following executive orders issued by the governor that shall remain in effect and may be extended by further executive order up to, but not beyond, September 1, 2021:

1. 20-06;
2. 20-19;

5. 20-72;
6. 21-26;

(i) Nothing contained within this section shall be construed as authorizing the governor by executive order or proclamation to require any individual to be vaccinated or to be subject to any penalty, either civil or criminal, for refusing to be vaccinated.

SECTION 4. Section 34-37-4.3 of the General Laws in Chapter 34-37 entitled "Rhode Island Fair Housing Practices Act" is hereby amended to read as follows:
