6 trade in value of the vehicle towards the purchase of an appropriate vehicle for use for activities
7 reasonably related to law enforcement duties.

8 (2) The law enforcement agency may sell any forfeited property, which is not required
9 by this chapter to be destroyed and which is not harmful to the public. The proceeds from the sale
10 are to be distributed in accordance with subdivision (3) of this subsection.

12 this subsection and as to moneys, coin and currency, negotiable instruments, securities, or other
13 things of value as referred to in subsection (a) of this section, the distribution shall be as follows:

16 forfeited. Of the remainder, twenty percent (20%) of the proceeds shall be provided to the
17 attorney general's department to be used for further drug-related law enforcement activities
18 including, but not limited to, investigations, prosecutions and the administration of this chapter;
19 seventy percent (70%) of the proceeds shall be divided among the state and local law
20 enforcement agencies proportionately based upon their contribution to the investigation of the
21 criminal activity related to the asset being forfeited; and ten percent (10%) of the proceeds shall
22 be provided to the department of health for distribution to substance abuse treatment programs.

23 (B) The law enforcement agencies involved in the investigation with the assistance of the
24 attorney general shall by agreement determine the respective proportionate share to be received
25 by each agency. If the agencies are unable to reach agreement, application shall be made by one
26 or more of the agencies involved to the presiding justice of the superior court, who shall
27 determine the respective proportionate share attributable to each law enforcement agency. The
28 proceeds from all forfeitures shall be held by the general treasurer in a separate account until such
29 time as an allocation is determined by agreement of the agencies or by the presiding justice. It
30 shall be the duty and responsibility of the general treasurer to disburse the allocated funds from
31 the separate account to the respective law enforcement agencies.

32 (ii) Each state or local law enforcement agency shall be entitled to keep the forfeited
33 money or the proceeds from sales of forfeited property. The funds shall be used for law
34 enforcement purposes and investigations of violations of this chapter. The funds received by a

1 state law enforcement agency shall be maintained in a separate account by the general treasurer.
2 The funds received by a local law enforcement agency shall be maintained in a separate account
3 by the local agency's city or town treasurer.

4 (c) (1) There is established in the state's treasury a special fund to be known as the asset
5 forfeiture fund in which shall be deposited the excess proceeds of forfeitures arising out of
6 criminal acts occurring before July 1, 1987. The asset forfeiture fund shall be used to fund drug-
7 related law enforcement activity and the treatment and rehabilitation of victims of drug abuse.
8 The fund shall be administered through the office of the general treasurer. The presiding justice of
9 the superior court shall have the authority to determine the feasibility and amount of disbursement
10 to those state or local law enforcement agencies which have made application.

11 (2) Upon the application of any law enforcement agency of the state of Rhode Island
12 when a special need exists concerning the enforcement of the provisions of this chapter, the
13 attorney general or his or her designee may apply to the presiding justice of the superior court for
14 the release from the general treasury of sums of money. When the presiding justice upon
15 consideration of the reasons set forth by that agency deems them to be reasonable and necessary
16 to the accomplishment of a goal within the powers and duties of that law enforcement agency, he
17 or she may issue an order ex parte providing for the release of the funds.

18 (d) Each law enforcement agency making any seizure(s) which result(s) in a forfeiture
19 pursuant to this section shall certify and file with the state treasurer between January 1 and
20 January 30 an annual report detailing the property or money forfeited during the previous
21 calendar year and the use or disposition of the property or money. The report shall be made in the
22 form and manner as may be provided or specified by the treasurer and these annual law
23 enforcement agency reports shall be provided to the local governmental body governing the
24 agency and to the house and senate judiciary committees.

25 (e) Any law enforcement agency whose duty it is to enforce the laws of this state relating
26 to controlled substances is empowered to authorize designated officers or agents to carry out the
27 seizure provisions of this chapter. It shall be the duty of any officer or agent authorized or
28 designated or authorized by law, whenever he or she shall discover any property or monies which
29 have been or are being used in violation of any of the provisions of this chapter, or in, upon or by
30 means of which any violation of this chapter has taken or is taking place, to seize the property or
31 monies and to place it in the custody of the person as may be authorized or designated for that
32 purpose by the respective law enforcement agency pursuant to those provisions.

33 (f) For purposes of this section and section 30-14-2 only, the Rhode Island national
34 guard shall be deemed a law enforcement agency eligible to participate in the forfeiture of money

1 and assets seized through counterdrug operations in which members of the guard support federal,
2 state or municipal efforts.
