STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2012

—————
A N A C T

RELATING TO TAXATION - SALES AND USE TAXES - LIABILITY AND
COMPUTATION

Introduced By: Representatives O'Neill, E Coderre, and Johnston

Date Introduced: February 09, 2012

Referred To: House Finance

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 44-18-30C. of the General Laws in Chapter 44-18 entitled "Sales
2 and Use Taxes - Liability and Computation" is hereby amended to read as follows:

3 ~~44-18-30C. Exemption from or stabilization of sales and use taxes for municipal~~
4 ~~economic development zones -- West Warwick. --~~ Exemption from or stabilization of sales
5 and use taxes for municipal economic development zones. -- (a) Findings. - The general
6 assembly makes the following findings of fact:

7 (1) Various sections of several towns in the state, including, but not limited to, the town
8 of West Warwick, are deteriorated, blighted areas which have created very difficult challenges to
9 economic development;

10 (2) Several areas of the state are in a distressed financial condition as defined by section
11 45-13-12(b) and cannot finance economic development projects on its own without the
12 participation of private enterprise;

13 (3) The general assembly has found that it is nearly impossible for private enterprise
14 alone to meet these challenges;

15 (4) In certain sections of financially distressed communities, the serious challenges of
16 economic development and/or redevelopment have not been met by private enterprise alone and
17 the impact is being felt throughout the community;

18 (5) Legislation enacted to encourage redevelopment of the deteriorated, blighted areas

1 through the formation of local redevelopment agencies has had very limited success;

2 (6) Various states, such as New Jersey, Pennsylvania and Michigan have had a great deal
3 of success in generating economic development by exercising the authority to exempt and/or
4 stabilize taxes;

5 (7) The state of Rhode Island has generated economic growth by redirecting and/or
6 exempting certain commercial and retail activity from the imposition of sales, use and income
7 taxes with recent examples being the Providence Place Mall, the Arts Districts in the cities of
8 Providence, Pawtucket and Westerly, and financial services and aquaculture industries;

9 (8) Most recently, municipalities in our state have had great success in attracting large
10 commercial development, including financial services, manufacturing, and major energy
11 facilities, due in large part to the authority to exempt and/or stabilize property, tangible and/or
12 inventory taxes;

13 (9) Attracting large non-residential developments or encouraging expansion of existing
14 commercial entities can be extremely important to municipalities, where the quality of public
15 education is largely dependent on the local tax base, thereby expanding the commercial tax base
16 and reducing reliance upon the residential tax base;

17 (10) The ability to attract this development and increase the non-residential tax base, in
18 turn, improves municipalities' ability to finance school systems, municipal services and
19 infrastructure, thereby improving the quality of life;

20 (11) In addition to increasing the local non-residential tax base, this development creates
21 construction jobs, permanent jobs, and spurs additional investment by private enterprises; and

22 (12) Providing authority to offer tax exemptions from, or to stabilize, the imposition of
23 sales and use taxes will attract and assist in expanding, revitalizing and redeveloping the tax base
24 in our municipalities, thereby providing long-term economic benefits and development.

25 (b) Exemption or stabilization of sales and use taxes imposed on sales from businesses
26 located in a municipal economic development zone.

27 (1) In order to ~~attract new construction and development~~ promote revitalization in a
28 municipal economic development zone (MED) as provided in this section, upon the designation
29 of such a zone as set forth in subsection (c) of this section, all businesses engaging in qualifying
30 sales and located in new construction in a MED zone (a MED zone business) shall be exempt
31 from the requirement to charge and collect fifty percent (50%) of the current sales and use tax
32 pursuant to sections 44-18-18 and 44-18-20 for a period of ten (10) years. Sales and use taxes
33 collected in a MED zone shall be returned to the same MED zone in accordance with the
34 provisions of this section. The ten (10) year exemption period for all MED zone businesses shall

1 begin to run from the latest to occur of: (i) the date that is three (3) years from the effective date
2 of the January session 2003 amendments [July 17, 2003] or (ii) the date that is two (2) years from
3 the date upon which the city or town council designates the MED zone for its municipality; or
4 (iii) the date the first MED zone business obtains a certification of exemption as set forth in
5 subdivision (c)(6) of this section.

6 (2) For purposes of this section, "qualifying sales" for a MED zone business shall not
7 include gambling activities, or the retail sales of motor vehicles, furniture, home furnishings
8 including mattresses and oriental rugs, tobacco products, or packaged alcoholic beverages.

9 (3) "Qualifying sales" shall be sales at which the point of sale is located within the same
10 MED zone and point of delivery is located within the same MED zone.

11 (c) Creation of the municipal economic development zone.

12 (1) The city or town council of a financially distressed community may designate in
13 accordance with the provisions of this section one MED zone in the municipality, provided that

21 of not less than ten (10) acres, but not more than thirty (30) acres in the area served by adequate
22 utilities and transportation facilities.

23 (2) The city or town council of any financially distressed city or town, as set forth in
24 subdivision (1) of this subsection, in creating a MED zone, shall have the power and authority of
25 a redevelopment agency, as provided in chapter 32 of title 45, to undertake the redevelopment of
26 a MED zone.

27 (3) The city or town council, in designating a MED zone, shall after public notice,
28 hearing and vote as provided by section 45-32-4, comply with the plan requirements of section
29 45-32-8 and shall be responsible for carrying on the plan. The city or town council in
30 implementing the MED zone plan shall have the power of eminent domain as set forth in section
31 45-32-24, and the provisions of sections 45-32-25 -- 45-32-41 shall apply to all such
32 condemnations.

33 (4) All sales and use taxes collected within a MED zone shall be reimbursed to the
34 municipality in which the MED zone is located, and may be expended by the municipality to

1 implement the capital improvement component of the MED zone plan for MED zone property or
2 for property located within one mile of the MED zone or for such other capital improvements as
3 the municipality may determine are required to mitigate MED zone impacts.

4 (5) West Warwick. - The following area or portions of them of the town of West
5 Warwick may be designated as the town's municipal economic development zone by the town
