(E) Meets certain other requirements as set forth by the council; and
(F) Has received certification from the council pursuant to the rules and regulations

(ii) In the event that an applicant for certification meets the criteria of subdivisions
(4)(i)(A) and (4)(i)(C) to (F), but fails to meet the requirements of subdivision (4)(i)(B) solely
because the amount of wages paid to the owner or owners of the business has decreased from the
prior calendar year, the Council may, for good cause shown, certify the applicant as a qualified
business. The applicant shall have the burden to show, notwithstanding its failure to meet the
requirements of subdivision (4)(i)(B) above, that the applicant has met the intent of this chapter.

For the purposes of this provision, owner shall mean a person who has at least twenty percent
(20%) of the indicia of ownership of the applicant.

(1) A credit equal to fifty percent (50%) of the total amount of wages paid to those
enterprise job employees comprising the five percent (5%) new jobs referenced in § 42-64.3-
3(4)(i)(A). The wages subject to the credit shall be reduced by any direct state or federal wage
assistance paid to employers for the employee(s) in the taxable year. The maximum credit
allowed per taxable year under the provisions of this subsection shall be two thousand five
hundred dollars ($2,500), per employee. A taxpayer who takes this business tax credit shall not be

this subdivision (2) shall not be entitled to a credit pursuant to subdivision (1) of this section for
the employees.

(3) Any tax credit as provided in subdivision (1) or (2) of this section shall not reduce the
tax below the minimum tax. Fiscal year taxpayers must claim the tax credit in the year into which
the December 31st of the certification year falls. The credit shall be used to offset tax liability
pursuant to the provisions of either chapters 11, 13, 14, 17, or 30 of title 44, but not more than
one chapter.

(4) In the case of a corporation, the credit allowed under this section is only allowed
against the tax of that corporation included in a consolidated return that qualifies for the credit
and not against the tax of other corporations that may join in the filing of a consolidated tax
return.

(5) In the case of multiple business owners, the credit provided in subdivision (1) or (2)
of this section is apportioned according to the ownership interests of the qualified business.

(6) The tax credits established pursuant to this section may be carried forward for a

Room reseller or reseller shall include, but not be limited to, sellers of travel packages as defined in this section.

Notwithstanding the provisions of any other law, where said reservation or transfer of occupancy is done using a room reseller or reseller, the application of the sales and use under §§ 44-18-18 and 44-18-20, and the hotel tax under § 44-18-36.1 shall be as follows: The room reseller or reseller is required to register with and shall collect and pay to the tax administrator the sales and use and hotel taxes, with said taxes being calculated upon the amount of rental and other fees paid by the occupant to the room reseller or reseller, less the amount of any rental and other fees paid by the room reseller or reseller to the hotel. (c) The tax administrator is authorized to promulgate rules and regulations in accordance with the provisions of chapter 42-35 to carry out the provisions, policies, and purposes of this chapter.

In recognition of the work being performed by the Streamlined Sales and Use Tax Governing Board, upon any federal law which requires remote sellers to collect and remit taxes, effective the first (1st) day of the first (1st) state fiscal quarter following the change, the rate imposed under § 44-18-36.1(b) shall be one and one-half percent (1.5%).

(b) The division of taxation may not enter into a contingent fee contract under which the person directly conducts a field audit.

(c) The division of taxation shall publish an annual report setting forth the number of contracts entered into under paragraph (a), the amount collected and the percentage of the contingency fee arrangement of each contract.
