9 the purpose of providing either employment, vocational support, residential and/or day support
10 services for adults with developmental disabilities in Rhode Island.

11 **40.1-24.6-2. Purpose.** -- The purpose of this chapter is to authorize operators of
12 developmental disability agencies, acting as a group, to self-insure health care costs for
13 employees, retirees and other beneficiaries and to allow a third-party administrator to administer
14 said program.

15 **40.1-24.6-3. Authorization to self-insure; Establishment of fund.** -- (a) Operators of
16 developmental disability agencies are hereby authorized and empowered to self-insure health care
17 provided to their employees, and their dependents and their retirees and their dependents and to
18 create and establish a fund for this purpose.

1 (b) The fund shall have an oversight board consisting of a designated representative from
2 each participating developmental disability agency. The oversight board will be responsible for
3 drafting and adopting rules and regulations for the management and operation of the fund,
4 consistent with actuarial sound principal and in accordance with the requirements established in §
5 40.1-24.6-9.

6 **40.1-24.6-4. Obligations of participating entities.** -- Operators of developmental
7 disability agencies intending to self-insure and participate in the self-insurance fund shall enter
8 into contractual agreement with one another which shall, among other provisions, describe and
9 define each operator's obligations relative to funding, length of commitment, and participation in
10 the program. Such an agreement shall also define and delineate the terms upon which an operator
11 may disaffiliate from the fund and agreement.

12 **40.1-24.6-5. Amount of fund.** -- Self-insurance funds may be established to insure the
13 health costs of the employees, their covered dependents, and the retirees and their covered

16 **40.1-24.6-6. Payment to and from fund.** -- (a) The self-insurance funds shall be used by
17 the operators of developmental disability agencies as non-lapsing, revolving funds for carrying
18 out the provisions of this chapter.

19 (b) The financial notes and obligations issued by the fund pursuant to the provisions of
20 this chapter will not be deemed to constitute a debt or liability of the state or political subdivision

2 company. This group stop-loss policy coverage shall include a specific deductible stop-loss
