1 SECTION 2. Chapter 16-32 of the General Laws entitled "University of Rhode Island
2 [See Title 16 Chapter 97 - The Rhode Island Board of Education Act]" is hereby amended by
3 adding thereto the following sections:

4 **16-32-4.1. Appropriation of state funds for the land grant programs. --** Beginning in
5 the fiscal year commencing July 1, 2016, the general assembly shall annually appropriate a sum
6 to the board of governors for higher education for the exclusive purpose of defraying the
7 expenses of the land grant programs as defined in §16-32-3, to provide state funds to meet federal
8 mandates that federal funds be matched by state funds, such funds to be expended under the
9 direction of the board of governors for higher education and officers of the university. The
10 required match will be based on the full amount of federal funds awarded to the station under the
11 Hatch, McIntire-Stennis, and Animal Health formula allocations of the preceding year and on the
12 full amount of federal funds awarded to cooperative extension under the Smith-Lever formula
13 allocations of the preceding year.

14 **16-32-4.2. Appropriations of state funds for the Rhode Island sea grant program. --** Beginning in fiscal year 2016, the general assembly shall annually appropriate a sum to the board
15 of governors for higher education for the exclusive purpose of defraying the expenses of the
16 Rhode Island sea grant program to provide state funds to meet federal mandates that federal funds
17 be matched by state funds, such funds to be expended under the direction of the board of
18 governors for higher education and officers of the university. The required match will be based on
19 the full amount of federal funds awarded to the sea grant program under United States
20 Department of Commerce allocations of the preceding year.

22 **16-32-4.3. Use of funds to enhance land grant and sea grant programs. --** The annual
23 appropriation of funds for the land grant and sea grant programs shall be in addition to, and
24 separate from any funds regularly appropriated to the university under §16-32-9, and there shall
25 be no reduction of appropriations to the university pursuant to §16-32-9. Funds appropriated for
26 land grant programs shall be used exclusively to enhance the activities and capacities of the
27 station, cooperative extension, and sea grant programs, and are not to be used to replace normal
28 salaries for academic faculty or staff, or operating funds for academic departments, or for normal
29 maintenance operations of the university, or for any other purpose not in accord with the purpose
30 of enhancement of the land grant and sea grant programs. The use of funds may be used for
31 summer salary recontracting of faculty on academic year appointments to participate in land grant
32 or sea grant programs, for technical staff conducting land grant or sea grant program activities,
33 for support of undergraduate or graduate students collaborating in land grant or sea grant program
34 activities, and for capital acquisitions and physical plant improvements directly in support of the

1 land grant or sea grant programs, and for all other expenditures directly in support of the land
2 grant or sea grant programs, including use as a state matching contribution to grants received
3 from federal agencies to support research or outreach conducted and administered conjointly with
4 activities of the station, cooperative extension, or Rhode Island sea grant. The expenditure of
5 funds shall follow rules promulgated in the official federal manuals of the station, cooperative
6 extension, and sea grant, including rules governing approval for projects and activities and
7 expenditure of funds for approved projects and activities.

8 SECTION 3. This act shall take effect upon passage.
