10 ~~**14-4-3. Purposes of chapter -- Placement of children in institutions or homes --**~~

11 ~~**Guardianship and control.**~~ (a) It is declared to be the object of this chapter to provide for  
12 neglected and dependent children, not recognized as vicious or criminal, any influences that will  
13 lead toward an honest, intelligent, and self-supporting manhood and womanhood, the state, so far  
14 as possible, holding to them the parental relation. But if at any time, in the discretion of the

17 power to do so on condition that the child's education shall be provided for by that family in the  
18 public schools of the town or city where they may reside, or in some other suitable public school  
19 or private school; and whenever that course is desirable or necessary, the department of children,  
20 youth, and families may pay any amount that may be agreed upon for the care and support of the  
21 child.

22 ~~(b) The director may in his or her discretion place any child requiring special treatment,~~

28 ~~watchful care, and of taking those children back to his or her immediate supervision at any time~~  
29 ~~when in his or her judgment the welfare of the children requires that action. In case any child~~  
30 ~~shall leave without permission or is taken by any unauthorized person from the children's center~~  
31 ~~or from any family or any institution where it shall have been placed by the director, then the~~  
32 ~~director is authorized to take and restore the child to the children's center or to the family or to the~~  
33 ~~institution.~~

34 ~~(d) In case of any medical emergency arising with respect to any child entrusted to the~~

1 control and custody of the director, he or she shall have the power to authorize medical treatment  
2 for the child, provided notice is given to him or her by any duly licensed physician or dentist that  
3 a medical emergency exists and treatment is immediately necessary for the health of the child  
4 involved. In the event the parents of the child are immediately available and legally competent to  
5 give consent to any treatment, the director shall take all reasonable means to seek their approval  
6 for medical treatment to be rendered.

7 ~~**14-4-3.1. Transfer of children -- Hearing.**~~ (a) Prior to transferring a child from a  
8 foster family home in which the child has resided for a period of at least two (2) years, to a  
9 facility other than the home of the parent, the department of children, youth, and families shall  
10 notify the foster family, in writing, ten (10) days prior to the proposed transfer, that if it disagrees  
11 with the transfer, it is entitled to an administrative hearing in accordance with chapter 35 of title  
12 42. If the foster family desires a hearing, it must notify the department within ten (10) days. After  
13 the notification, the department shall hold a hearing within twenty (20) days of the request.

14 (b) Nothing contained in this chapter shall prevent the department from exercising all  
15 rights and powers provided by chapter 11 of title 40.

16 (c) This section shall apply retroactively to those foster placements existing on and after  
17 January 1, 1981. Otherwise it shall apply prospectively.

18 ~~**14-4-4. Registration of children under care of department.**~~ The department of  
19 children, youth, and families shall provide a book in which shall be registered: (1) the names,  
20 ages, and places of birth of the children under its care; (2) the residence of the parents or  
21 guardians as nearly as can be ascertained; (3) the date when each child is received and from what  
22 city or town, and when he or she leaves the center; and (4) whenever a child is placed in a family,  
23 the name, residence, and occupation of the family. That book shall be open at all times for the  
24 inspection of the probate clerks and the directors of public welfare of the several cities and towns  
25 of the state.

26 ~~**14-4-5. Annual reports.**~~ (a) The director of children, youth and families or his or her  
27 agent shall submit to the family court a written report once per year on each child entrusted to his

29 information concerning: (1) the physical placement of the child; (2) the care and nurturing the  
30 child is receiving; (3) the involvement and support of the parents or other person previously  
31 having custody; and (4) the efforts made by the parent(s) and/or the department in reuniting the  
32 child and parents. In addition, the report shall set forth the permanent plan for the well-being of  
33 the child.

34 (b) As a result of a review of the report, a justice of the family court may order an

1 ~~immediate hearing and summon before the court representatives of the department and the~~  
2 ~~parents or other person previously having custody of the child in order to determine that an~~  
3 ~~appropriate plan for the child is undertaken. An appropriate plan may include: (1) a return of the~~  
4 ~~child to the parents; (2) the child remaining in foster care on a planned basis; or (3) a petition~~  
5 ~~being instituted for the termination of the parental rights of the parents pursuant to § 15-7-7 if the~~  
6 ~~court finds reasonable cause to believe that grounds exist for it. In an order of disposition entered~~  
7 ~~pursuant to this section, the best interest of the child shall be paramount.~~
