4 the ordinary course of the employer's business.

5 **33-27.1-4. User direction for disclosure of digital assets. --** (a) A user may use an
6 online tool to direct the custodian to disclose to a designated recipient or not disclose some or all
7 of the user's digital assets, including the content of electronic communications. If the online tool
8 allows the user to modify or delete a direction at all times, a direction regarding disclosure using
9 an online tool overrides a contrary direction by the user in a will, trust, power of attorney, or other
10 record.

11 (b) If a user has not used an online tool to give direction under subsection (a) of this
12 section or if the custodian has not provided an online tool, the user may allow or prohibit in a

19 right of a custodian or a user under a terms-of-service agreement to access and use digital assets
20 of the user.

21 (b) This chapter does not give a fiduciary or designated recipient any new or expanded
22 rights other than those held by the user for whom, or for whose estate, the fiduciary or designated
23 recipient acts or represents.

24 (c) A fiduciary's or designated recipient's access to digital assets may be modified or
25 eliminated by a user, by federal law, or by a terms-of-service agreement if the user has not
26 provided direction under §33-27.1-4.

27 **33-27.1-6. Procedure for disclosing digital assets. --** (a) When disclosing digital assets
28 of a user under this chapter, the custodian may at its sole discretion:

30 (2) Grant a fiduciary or designated recipient partial access to the user's account sufficient
31 to perform the tasks with which the fiduciary or designated recipient is charged; or

32 (3) Provide a fiduciary or designated recipient a copy in a record of any digital asset that,
33 on the date the custodian received the request for disclosure, the user could have accessed if the
34 user were alive and had full capacity and access to the account.

1 (b) A custodian may assess a reasonable administrative charge for the cost of disclosing
2 digital assets under this chapter.

3 (c) A custodian need not disclose under this chapter a digital asset deleted by a user.

4 (d) If a user directs or a fiduciary requests a custodian to disclose under this chapter
5 some, but not all, of the user's digital assets, the custodian need not disclose the assets if
6 segregation of the assets would impose an undue burden on the custodian. If the custodian
7 believes the direction or request imposes an undue burden, the custodian or fiduciary may seek an
8 order from the court to disclose:

9 (1) A subset limited by date of the user's digital assets;

10 (2) All of the user's digital assets to the fiduciary or designated recipient;

11 (3) None of the user's digital assets; or

13 **33-27.1-7. Disclosure of content of electronic communications of deceased user. -- If**
14 a deceased user consented or a court directs disclosure of the contents of electronic
15 communications of the user, the custodian shall disclose to the personal representative of the
16 estate of the user the content of an electronic communication sent or received by the user if the
17 representative gives the custodian:

18 (1) A written request for disclosure in physical or electronic form;

19 (2) A certified copy of the death certificate of the user;

20 (3) A certified copy of the letter of appointment of the representative or a small estate
21 affidavit or court order;

23 power of attorney, or other record evidencing the user's consent to disclosure of the content of
24 electronic communications; and

25 (5) If requested by the custodian:

26 (i) A number, username, address, or other unique subscriber or account identifier
27 assigned by the custodian to identify the user's account;

28 (ii) Evidence linking the account to the user; or

29 (iii) A finding by the court that:

30 (A) The user had a specific account with the custodian, identifiable by the information
31 specified in subsection (i) of this section;

33 18 U.S.C. §2701 et seq., as amended, 47 U.S.C. §222 et seq., as amended, or other applicable
34 law;

1 (iv) Unless the user provided direction using an online tool, the user consented to
2 disclosure of the content of electronic communications; or

3 (v) Disclosure of the content of electronic communications of the user is reasonably
4 necessary for administration of the estate.

5 **33-27.1-8. Disclosure of other digital assets of deceased user. -- Unless the user**
6 **prohibited disclosure of digital assets or the court directs otherwise, a custodian shall disclose to**
7 **the personal representative of the estate of a deceased user a catalogue of electronic**
8 **communications sent or received by the user and digital assets, other than the content of**
9 **electronic communications of the user, if the representative gives the custodian:**

10 (1) A written request for disclosure in physical or electronic form;

11 (2) A certified copy of the death certificate of the user;

12 (3) A certified copy of the letter of appointment of the representative or a small estate

16 assigned by the custodian to identify the user's account;

17 (ii) Evidence linking the account to the user;

18 (iii) An affidavit stating that disclosure of the user's digital assets is reasonably necessary
19 for administration of the estate; or

20 (iv) A finding by the court that:

21 (A) The user had a specific account with the custodian, identifiable by the information
22 specified in subsection (4)(i) of this section; or

23 (B) Disclosure of the user's digital assets is reasonably necessary for administration of the
24 estate.

25 **33-27.1-9. Disclosure of content of electronic communications of principal. -- To the**
26 **extent a power of attorney expressly grants an agent authority over the content of electronic**

30 (2) An original or copy of the power of attorney expressly granting the agent authority
31 over the content of electronic communications of the principal;

2 assigned by the custodian to identify the principal's account; or

5 by the court, directed by the principal, or provided by a power of attorney, a custodian shall
6 disclose to an agent with specific authority over digital assets or general authority to act on behalf
7 of a principal a catalogue of electronic communications sent or received by the principal and
8 digital assets, other than the content of electronic communications, of the principal if the agent
9 gives the custodian:

10 (1) A written request for disclosure in physical or electronic form;

11 (2) An original or a copy of the power of attorney that gives the agent specific authority
12 over digital assets or general authority to act on behalf of the principal;

14 effect; and

15 (4) If requested by the custodian:

27 the content of an electronic communication sent or received by an original or successor user and

31 (2) A certified copy of the trust instrument that includes consent to disclosure of the
32 content of electronic communications to the trustee;

6 **user.** -- Unless otherwise ordered by the court, directed by the user, or provided in a trust, a
7 custodian shall disclose, to a trustee that is not an original user of an account, a catalogue of
8 electronic communications sent or received by an original or successor user and stored, carried, or
