23	time consistent with notices required under any applicable COBRA continuation provision.
24	(3) The certification described in this subsection is a written certification of:

81	subsection if the health insurance carrier offering the coverage provides for the certification in
32	accordance with this subsection.
33	(5) In the case of an election taken pursuant to subsection (e) of this section by a group
34	health plan or a health insurance carrier, if the plan or carrier enrolls an individual for coverage

under the plan and the individual provides a certification of creditable coverage, upon request
the plan or carrier, the entity which issued the certification shall promptly disclose to the
requisition plan or carrier information on coverage of classes and categories of health benefit
available under that entity's plan or coverage, and the entity may charge the requesting plan
carrier for the reasonable cost of disclosing the information.

(3) The employee's or dependent's coverage described in subsection (j)(1):
(i) Was under a COBRA continuation provision and the coverage under that provision
was exhausted; or
(ii) Was not under a continuation provision and either the coverage was terminated as
result of loss of eligibility for the coverage (including as a result of legal separation, divorce

(30) days after the date of exhaustion of coverage described in paragraph (3)(i) of this subsection
or termination of coverage or employer contribution described in paragraph (3)(ii) of the

(k) (1) If a group health plan makes coverage available with respect to a dependent of

individual, the individual is a participant under the plan (or has met any waiting period applicable

1	to becoming a participant under the plan and is eligible to be enrolled under the plan but for a
2	failure to enroll during a previous enrollment period), and a person becomes a dependent of the
3	individual through marriage, birth, or adoption or placement through adoption, the group health
4	plan shall provide for a dependent special enrollment period during which the person (or, if not
5	enrolled, the individual) may be enrolled under the plan as a dependent of the individual, and in
6	the case of the birth or adoption of a child, the spouse of the individual may be enrolled as a
7	dependent of the individual if the spouse is eligible for coverage.
8	(2) A dependent special enrollment period shall be a period of not less than thirty (30)
9	days and shall begin on the later of:
10	(i) The date dependent coverage is made available; or

12	may be).
13	(3) If an individual seeks to enroll a dependent during the first thirty (30) days of a
14	dependent special enrollment period, the coverage of the dependent shall become effective:

23	option may impose an affiliation period for the coverage option, but only if that period is applied
24	uniformly without regard to any health status related factors, and the period does not exceed two
25	(2) months (or three (3) months in the case of a late enrollee).
26	(2) For the purposes of this subsection, an affiliation shall begin on the enrollment date.
27	(3) An affiliation period under a plan shall run concurrently with any waiting period
28	under the plan.
29	(4) The director may approve alternative methods from those described under this
30	subsection to address adverse selection.
31	(m) For the purpose of determining creditable coverage pursuant to this chapter, no
32	period before July 1, 1996, shall be taken into account. Individuals who need to establish

5	for which certification is not required because it relates to an event occurring before June 30,
6	1996, the individual may present other credible evidence of coverage in order to establish the
7	period of creditable coverage. The group health plan and a health insurance carrier shall not be
8	subject to any penalty or enforcement action with respect to the plan's or carrier's crediting (or not
9	crediting) the coverage if the plan or carrier has sought to comply in good faith with the
0	applicable requirements of this section.
1	(o) Notwithstanding the provisions of any general or public law to the contrary, for plan
2	or policy years beginning on and after January 1, 2014, a group health plan and a health insurance

4	benefits with respect to a participant or beneficiary because of a preexisting condition exclusion.
5	27-18.6-5. Continuation of coverage Renewability (a) Notwithstanding any of the
6	provisions of this title to the contrary, a health insurance carrier that offers health insurance
7	coverage in the large group market in this state in connection with a group health plan shall renew
8	or continue in force that coverage at the option of the plan sponsor of the plan.
9	(b) A health insurance carrier may non-renew non-renew or discontinue health insurance
20	coverage offered in connection with a group health plan in the large group market based only or

23	terms of the health insurance coverage or the carrier has not received timely premium payments;
24	(2) The plan sponsor has performed an act or practice that constitutes fraud or made an
25	intentional misrepresentation of material fact under the terms of the coverage; within two (2)
26	years from the date of coverage application. After two (2) years, the carrier may non-renew under
27	this subsection only if the plan sponsor has failed to reimburse the carrier for the costs associated
28	with the fraud or misrepresentation;
29	(3) The plan sponsor has failed to comply with a material plan provision relating to
80	employer contribution or group participation rules, as permitted by the director commissioner
31	pursuant to rule or regulation;
32	(4) The carrier is ceasing to offer coverage in accordance with subsections (c) and (d) of
3	this section;
34	(5) The director commissioner finds that the continuation of the coverage would:

1	(i) Not be in the best interests of the policyholders or certificate holders; or
2	(ii) Impair the carrier's ability to meet its contractual obligations;
3	(6) In the case of a health insurance carrier that offers health insurance coverage in the
4	large group market through a <u>restricted provider</u> network plan, there is no longer any enrollee in
5	connection with that plan who resides, lives, or works in the service area of the carrier (or in an
6	area for which the carrier is authorized to do business); and
7	(7) In the case of health insurance coverage that is made available in the large group
8	market only through one or more bona fide associations, the membership of an employer in the
9	association (on the basis of which the coverage is provided) ceases, but only if the coverage is
10	terminated under this section uniformly without regard to any health status-related factor relating
11	to any covered individual.
12	(c) In any case in which a carrier decides to discontinue offering a particular type of
13	group health insurance coverage offered in the large group market, coverage of that type may be
14	discontinued by the carrier only if:
15	(1) The carrier provides notice of the decision to all affected plan sponsors, participants,
16	and beneficiaries at least ninety (90) days prior to the date of discontinuation of coverage;
17	(2) The carrier offers to each plan sponsor provided coverage of this type in the large
18	group market the option to purchase any other health insurance coverage currently being offered
19	by the carrier to a group health plan in the market; and
20	(3) In exercising this option to discontinue coverage of this type and in offering the
21	option of coverage under subdivision (3)(2) of this subsection, the carrier acts uniformly without
22	regard to the claims experience of those plan sponsors or any health status-related factor relating
23	to any participants or beneficiaries covered or new participants or beneficiaries who may become
24	eligible for coverage.
25	(d) In any case in which a carrier elects to discontinue offering and to nonrenew non-
26	<u>renew</u> all of its health insurance coverage in the large group market in this state, the carrier shall:
27	(1) Provide advance notice to the director commissioner, to the insurance commissioner
28	in each state in which the carrier is licensed, and to each plan sponsor (and participants and
29	beneficiaries covered under that coverage and to the insurance commissioner in each state in
30	which an affected insured individual is known to reside) of the decision at least one hundred
31	eighty (180) days prior to the date of the discontinuation of coverage. Notice to the insurance
32	commissioner shall be provided at least three (3) working days prior to the notice to the affected
33	plan sponsors, participants, and beneficiaries; and

1	group market and not renew coverage under any health insurance coverage issued to a large
2	employer.

5	state for a period of five (5) years from the date of notice to the director commissioner.
6	(f) At the time of coverage renewal, a health insurance carrier may modify the health
7	insurance coverage for a product offered to a group health plan in the large group market.
8	(g) In applying this section in the case of health insurance coverage that is made
9	available by a carrier in the large group market to employers only through one or more
10	associations, a reference to a "plan sponsor" is deemed, with respect to coverage provided to an
11	employer member of the association, to include a reference to that employer.
12	27-18.6-6. Applicability Exclusion of certain plans (a) The requirements of this
13	chapter do not apply to any group health plan (and health insurance coverage offered in
14	connection with a group health plan) for any plan year if, on the first day of the plan year, the
15	plan does not meet the definition of large employer and is subject to the provisions of chapter 50
16	of this title.
17	(b) (1) The requirements of this chapter apply with respect to group health plans only:
18	(i) In the case of a plan that is a nonfederal governmental plan; and
19	(ii) With respect to group health insurance coverage offered in connection with a group
20	health plan (including a plan that is a church plan or a governmental plan).
21	(2) If the plan sponsor of a nonfederal governmental plan which is a group health plan to
22	which this chapter otherwise applies makes an election (in the form and manner as the secretary
23	of the United States Department of Health and Human Services may prescribe by regulation),
24	then the requirements of this subsection insofar as they apply directly to group health plans (and
25	not merely to group health insurance coverage) do not apply to those governmental plans for the
26	period except as provided in this section.
27	(3) An election applies for a single specified plan year (which may be extended through
28	subsequent elections), or in the case of a plan provided pursuant to a collective bargaining
29	agreement, for the term of that agreement.
30	(4) Under the election in subdivision (3), the plan shall provide for notice to enrollee (on
31	an annual basis and at the time of enrollment under the plan) of the fact and consequences of the
32	election, and certification and disclosure of creditable coverage under the plan with respect to
33	enrollees in accordance with § 27–18.6–3(i).
34	(c) The requirements of this chapter do not apply to any group health plan (and group

health insurance coverage offered in connection with a group health plan) in relation to its 1 2 provision of limited, excepted benefits if the benefits are provided under a separate policy, 3 certificate, or contract of insurance, or are not an integral part of the plan, and if the plan complies 4 with all other applicable state and federal laws and regulations. 5 (d) The requirements of this chapter do not apply to any group health plan (and group health insurance coverage offered in connection with a group health plan) in relation to its 6 7 provision of noncoordinated, excepted benefits, if the plan complies with all other applicable state 8 and federal laws and regulations and if all of the following conditions are met: 9 (1) The benefits are provided under a separate policy, certificate, or contract of 10 insurance; 11 (2) There is no coordination between the provision of benefits and any exclusion of 12 benefits under any group health plan maintained by the same plan sponsor; and 13 (3) The benefits are paid with respect to an event without regard to whether benefits are 14 provided with respect to that event under any group health plan maintained by the same plan 15 sponsor. 16 (e) The requirements of this chapter do not apply to any group health plan (and group 17 health insurance coverage) in relation to its provision of supplemental, excepted benefits if the 18 benefits are provided under a separate policy, certificate, or contract of insurance, and if the plan 19 complies with all other applicable state and federal laws and regulations. 20 (f) (1) For purposes of this chapter, any plan, fund, or program which would not be (but 21 for this subsection) an employee welfare benefit plan and which is established or maintained by a 22 partnership, to the extent that the plan, fund, or program provides medical care (including items 23 and services paid as medical care) to present or former partners in the partnership or to their 24 dependents (as defined under the terms of the plan, fund or program), directly or through 25 insurance, reimbursement, or otherwise, shall be treated as an employee welfare benefit plan 26 which is a group health plan. 27 (2) In the case of a group health plan, the term "employer" also includes the partnership 28 in relation to any partner. 29 (3) In the case of a group health plan, the term "participant" also includes: 30 (i) In connection with a group health plan maintained by a partnership, an individual who 31 is a partner in relation to the partnership; or 32 (ii) In connection with a group health plan maintained by a self-employed individual 33 (under which one or more employees are participants), the self-employed individual, if that

individual is, or may become, eligible to receive a benefit under the plan or the individual's

3	contained in this chapter to the contrary, except as provided in § 27-18.6-3(n), in the case of a
4	group health plan maintained pursuant to one or more collective bargaining agreements between
5	employee representatives and one or more employers ratified before July 13, 2000, this chapter
6	does not apply to plan years beginning before the later of:
7	(1) The date on which the last of the collective bargaining agreements relating to the plan
8	terminates (determined without regard to any extension of the collective bargaining agreement
9	agreed to after July 13, 2000); or
10	(2) July 1, 1997.
11	(b) For purposes of subdivision (a)(1) of this section, any plan amendment made
12	pursuant to a collective bargaining agreement relating to the plan which amends the plan solely to
13	conform to any requirement of this chapter shall not be treated as a termination of the collective
14	bargaining agreement.
15	27-18.6-9. Rules and regulations The director commissioner may promulgate rules
16	and regulations necessary to effectuate the purposes of this chapter.

30	(3) The small employer carriers are permitted to develop separate rates for individuals
31	age sixty five (65) or older for coverage for which Medicare is the primary payer and coverage

33	subsection.
34	(4) For each health benefit plan offered by a carrier, the highest premium rate for each

family composition type the age sixty-five (65) years of age or older bracket shall not exceed four

Two groups that are otherwise identical, but which have different prior year rate factors may, however, have rating factors that produce premiums that differ because of the requirements of subdivision 27-50-5(a)(6). Nothing in this section shall be construed to prevent a group health plan and a health insurance carrier offering health insurance coverage from establishing premium discounts or rebates or modifying otherwise applicable copayments or deductibles in return for adherence to programs of health promotion and disease prevention, including those included in affordable health benefit plans, provided that the resulting rates comply with the other requirements of this section, including subdivision (a)(5) of this section.

6	(2) A group health plan and a health insurance carrier offering health insurance coverage
7	may vary benefits, including cost-sharing mechanisms (such as a deductible, copayment, or
8	coinsurance) based on whether an individual has met the standards of a wellness program that
9	satisfies the requirements of federal and state laws and regulations.
10	(e) For the purposes of this section, a health benefit plan that contains a restricted
11	network provision shall not be considered similar coverage to a health benefit plan that does not
12	contain such a provision, provided that the restriction of benefits to network providers results in
13	substantial differences in claim costs.
14	(f) The health insurance commissioner may establish regulations to implement the
15	provisions of this section and to assure that rating practices used by small employer carriers are
16	consistent with the purposes of this chapter, including regulations that assure that differences in
17	rates charged for health benefit plans by small employer carriers are reasonable and reflect
18	objective differences in plan design or coverage (not including differences due to the nature of the
19	groups assumed to select particular health benefit plans or separate claim experience for
20	individual health benefit plans) and to ensure that small employer groups with one eligible
21	subscriber are notified of rates for health benefit plans in the individual market.
22	(g) In connection with the offering for sale of any health benefit plan to a small
23	employer, a small employer carrier shall make a reasonable disclosure, as part of its solicitation
24	and sales materials, of all of the following:

34	complete and detailed description of its rating practices and renewal underwriting practices

1 including information and documentation that demonstrate that its rating methods and practices 2 are based upon commonly accepted actuarial assumptions and are in accordance with sound 3 actuarial principles. Any changes to the carrier's rating and underwriting practices shall be subject 4 to the provisions of §§27-18-8, 27-41-27.2, and 42-62-13. 5 (2) Each small employer carrier shall file with the commissioner annually on or before March 15 an actuarial certification certifying that the carrier is in compliance with this chapter 6 7 and that the rating methods of the small employer carrier are actuarially sound. The certification 8 shall be in a form and manner, and shall contain the information, specified by the commissioner. 9 A copy of the certification shall be retained by the small employer carrier at its principal place of 10 business. 11 (3) A small employer carrier shall make the information and documentation described in 12 subdivision (1) of this subsection available to the commissioner upon request. Except in cases of 13 violations of this chapter, the information shall be considered proprietary and trade secret 14 information and shall not be subject to disclosure by the director to persons outside of the 15 department except as agreed to by the small employer carrier or as ordered by a court of 16 competent jurisdiction. 17 (4) For the wellness health benefit plan described in § 27-50-10, the rates proposed to be 18 charged and the plan design to be offered by any carrier shall be filed by the carrier at the office 19 of the commissioner no less than thirty (30) days prior to their proposed date of use. The carrier 20 shall be required to establish that the rates proposed to be charged and the plan design to be 21 offered are consistent with the proper conduct of its business and with the interest of the public. 22 The commissioner may approve, disapprove, or modify the rates and/or approve or disapprove the plan design proposed to be offered by the carrier. Any disapproval by the commissioner of a 23 24 plan design proposed to be offered shall be based upon a determination that the plan design is not 25 consistent with the criteria established pursuant to subsection 27-50-10(b). 26 (i) The requirements of this section apply to all health benefit plans issued or renewed on 27 or after October 1, 2000. 28 <u>27-50-6. 31	anticipated annual expenditures from the reinsurance fund in excess of ninety-five percent (95%)
32	of the total funds available for distribution from the fund.
33	(h) In the event the available funds in the affordable health reinsurance fund as created in

9	such contracts.
