Date Introduced: March 15, 2017

Referred To: Senate Judiciary

It is enacted by the General Assembly as follows:

SECTION 1. Title 16 of the General Laws entitled "EDUCATION" is hereby amended by adding thereto the following chapter:

CHAPTER 107

STUDENT JOURNALISTS' FREEDOM OF EXPRESSION ACT

16-107-1. Short title.

This act shall be known and may be cited as the "Student Journalists' Freedom of Expression Act".

As used in this section:

(1) "School-sponsored media" means any material that is prepared, substantially written, published, or broadcast by a student journalist at an institution under the supervision of the council on elementary and secondary education, either public or private, distributed, or generally made available to members of the student body, and prepared under the direction of a student media advisor.

(2) "Student journalist" means a student of an institution under the supervision of the council on elementary and secondary education, either public or private, who gathers, compiles, writes, edits, photographs, records, or prepares information for dissemination in school-sponsored media.
(3) "Student media advisor" means an individual employed, appointed, or designated by
an institution under the supervision of the council on elementary and secondary education, either
public or private, to supervise or provide instruction relating to school-sponsored media.

16-107-3. Student journalists' freedom of expression -- Civil remedy.

(a) Except as provided in subsection (b) of this section, a student journalist has the right
to exercise freedom of speech and of the press in both school-sponsored media and non-school-
ponsored media, regardless of whether the media is supported financially by the school, local
education agency (LEA), or uses the facilities of the school or LEA, or produced in conjunction
with a class in which the student is enrolled. Subject to subsection (b) of this section, a student
journalist is responsible for determining the news, opinion, feature, and advertising content of
school-sponsored media. This subsection may not be construed to prevent a student media advisor
from teaching professional standards of English and journalism to student journalists.

(b) This section does not authorize or protect expression by a student that:

(1) Is libelous or slanderous;

(2) Constitutes an unwarranted invasion of privacy;

(3) Violates federal or state law; or

(4) So incites students as to create a clear and present danger of the commission of an
unlawful act, the violation of school district policy, or the material and substantial disruption of
the orderly operation of the institution. Administrators must base a forecast of material and
substantial disruption on specific facts, including past experience in the school and current events
influencing student behavior, and not on undifferentiated fear or apprehension.

(c) A student journalist may not be disciplined for acting in accordance with subsection
(a) of this section.

(d) A student media advisor may not be dismissed, suspended, disciplined, reassigned,
transferred, or otherwise retaliated against for:

(1) Acting to protect a student journalist engaged in conduct under subsection (a) of this
section; or

(2) Refusing to infringe on conduct that is protected by this chapter or the First
Amendment to the United States Constitution.

(e) Each institution, school or LEA subject to this statute may adopt a written student
freedom of expression policy in accordance with this section. The policy must include reasonable
provisions for the time, place, and manner of student expression. The policy may also include
limitations to language that may be defined as profane, harassing, threatening, or intimidating.

(f) No institution subject to this statute may sanction a student operating as an
independent journalist.

(g) Any student, individually or through a parent or guardian, or student media advisor may institute proceedings for injunctive or declaratory relief in any court of competent jurisdiction to enforce the rights provided in this section.

SECTION 2. This act shall take effect upon passage.
This act would create the Student Journalists’ Freedom of Expression Act protecting student journalists’ right to exercise freedom of speech in school-sponsored media.
