Date Introduced: February 01, 2018

1 SECTION 1. Chapter 42-66 of the General Laws entitled "Elderly Affairs Department" is
2 hereby amended by adding thereto the following section:

3 **42-66-18. Community senior services grant program.**

4 (a) Establishment and purpose. In recognition of the continued growth in the number of
5 persons age sixty-five (65) and older living in the community, there is established in the division
6 of elderly affairs in the department of human services, the community senior services grant
7 program to provide financial assistance and incentives to local governments and nonprofit
8 agencies to operate senior centers and other senior services programs that help older residents to
9 remain living in the community. Such services include, but are not limited to, outreach, social
10 services, health promotion, physical fitness, recreation, life-long learning, transportation
11 assistance and caregiver support services for persons age sixty-five (65) and older.

12 (b) Appropriations. For fiscal year 2019, the total amount of funds appropriated for the
13 community senior services grant program shall be that amount needed to award each municipality
14 the sum of five dollars (\$5.00) per each non-institutionalized person age sixty-five (65) and older
15 as reported by the 2010 U.S. Census Bureau or an amount equal to its fiscal year 2018 state senior
16 services grant awarded by the division, whichever is greater, as its basic grant. In the event that
17 the municipality does not directly operate local senior centers and programs, the division shall, in
18 consultation with the municipality's chief elected or appointed official or the official's designee,

1 distribute and award the municipality's basic grant to community nonprofit agencies which are
2 operating senior centers and/or senior programs. However, for fiscal year 2019 no municipal or
3 nonprofit community senior center or senior program shall receive an award which is less than
4 the amount of their fiscal year 2018 state grant from the division. For fiscal years 2020 through
5 2024, the general assembly shall increase funding for the community senior services grant
6 program by an amount needed to increase the minimum basic grant by one dollar (\$1.00) each
7 year until the minimum basic grant reaches an amount of ten dollars (\$10.00) per each non-
8 institutionalized person age sixty-five (65) and older within the municipality.

9 (c) Eligibility. To be eligible for the community senior services grant program a
10 municipality or nonprofit agency must contribute an equal amount of cash or in-kind resources
11 for senior program support that it provided in state fiscal year 2018 and submit to the division for
12 its approval a plan detailing the services and/or programs to be provided with grant funds, how
13 the proposed plan meets the needs of local seniors and how the local share match will be met. In
14 addition, the grantee must demonstrate that there exists with the local senior center or
15 municipality, or there are plans to establish, a local senior advisory committee whose membership
16 shall include a majority of persons age sixty-five (65) and older. The purpose of the local senior
17 advisory committee shall be to provide advice to local officials and members of the legislature
18 whose districts lie within the municipality on the service needs and interests of persons age sixty-
19 five (65) and older. In approving grant proposals, the division shall take into consideration how
20 the spending plan addresses the municipality's comprehensive plan as it relates to services and
21 programs for seniors and the goals and objectives of the state plan on aging as submitted to the
22 Federal Administration on Aging.

23 SECTION 2. This act shall take effect upon passage.
