Permits that have been issued for a full year shall not be required to be renewed for the period of time for which payment has been made and the application and other required documentation has been completed and filed. Provided, that neither the department of transportation nor the local authorities may approve the issuance of permits for divisible loads weighing in excess of one hundred four thousand-eight hundred pounds (104,800 lbs.), gross vehicle weight, for five-axle (5) vehicles and seventy-six thousand six hundred fifty pounds (76,650 lbs.), gross vehicle weight, for three-axle (3) vehicles.

(3) Commencing in fiscal year 2004, the Director of the Rhode Island Department of
Transportation is authorized to remit, on a monthly or less frequent basis as shall be determined by
the Director of the Rhode Island Department of Transportation, or his or her designee, or at the

Director of the Department of Administration, to an indenture trustee, administrator, or other third
party fiduciary, in an amount not to exceed two cents ($0.02) per gallon of the gas tax imposed, in

shall be dedicated to the department of transportation, subject to annual appropriation by the general
assembly. The director of transportation shall submit to the general assembly, budget office and

together with a budget for proposed expenditures for the succeeding fiscal year in compliance with
§§ 35-3-1 and 35-3-4. On order of the director of transportation, the state controller is authorized
and directed to draw his or her orders upon the general treasurer for the payments of any sum or

department of transportation, not to exceed the amount authorized by the general assembly, the
general treasurer is authorized, with the approval of the governor and the director of administration,
in anticipation of the receipts of monies enumerated in § 31-36-20 to advance sums to the fund, for
the purposes specified in § 31-36-20, any funds of the state not specifically held for any particular
purpose. However, all the advances made to the fund shall be returned to the general fund
immediately upon the receipt by the fund of proceeds resulting from the receipt of monies to the

(b) Provided, however, that beginning with fiscal year 2015 and annually thereafter, the department of transportation will allocate necessary funding to programs that are designed to eliminate structural deficiencies of the state's bridge, road, and maintenance systems and infrastructure.

(c) Provided, further, that beginning July 1, 2015, five percent (5%) of available proceeds in the Rhode Island highway maintenance account shall be allocated annually to the Rhode Island public transit authority for operating expenditures.

(d) Provided, further, that from July 1, 2017, through June 30, 2020, in addition to the amount above, the Rhode Island public transit authority shall receive an amount of not less than five million dollars ($5,000,000) each fiscal year.

(e) Provided, further, that the Rhode Island public transit authority shall convene a coordinating council consisting of those state agencies responsible for meeting the needs of low-income seniors and persons with disabilities, along with those stakeholders that the authority deems appropriate and are necessary to inform, develop, and implement the federally required Coordinated Public Transit Human Services Transportation Plan.

The council shall develop, as part of the state's federally required plan, recommendations for the appropriate and sustainable funding of the free-fare program for low-income seniors and persons with disabilities, while maximizing the use of federal funds available to support the transportation needs of this population.

The council shall report these recommendations to the governor, the speaker of the house of representatives, and the president of the senate no later than November 1, 2018.

(f) Provided, further, that beginning July 1, 2019, the department of transportation shall reimburse the division of motor vehicles for the cost of salaries and benefits for customer service representatives (I & II) or equivalent positions incurred for collecting monies described in § 39-18.1-4 (b).
