EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF

A N A C T

RELATING TO LABOR AND LABOR RELATIONS -- WORKERS' COMPENSATION--
OCCUPATIONAL DISEASES

1 This act would establish that any public safety official or other enumerated employee,
2 including essential state workers, who contract the Coronavirus (Covid-19) shall be entitled to a
3 presumption that the infection was caused as a result of the performance of their duties and would
4 be entitled to workers' compensation benefits without the loss of vacation, sick, personal or other
5 contractually afforded time. It would further prohibit any report of injury or claim relative to a
6 disability related to the Covid-19 virus or the identity of any claimant from being reported to the
7 Immigration and Naturalization Service.

8 This act would take effect upon passage.
