It is enacted by the General Assembly as follows:

1 SECTION 1. Section 37-13-13 of the General Laws in Chapter 37-13 entitled "Labor and

3 **37-13-13. Furnishing payroll record to the awarding authority.**

4 (a) Every contractor and subcontractor awarded a contract for public works as defined by
5 this chapter shall furnish a certified copy of his or her payroll records of his or her employees
6 employed on the project to the awarding authority on a monthly basis for all work completed in the
7 preceding month on a uniform form prescribed by the director of labor and training.
8 Notwithstanding the foregoing, certified payrolls for department of transportation or other public

16 works are being constructed and the general or primary contract is one million dollars (\$1,000,000)
17 or more, a daily log of employees employed each day on the public works project. The log shall

12 amount attributed or due to the offending subcontractor as determined by the awarding authority.
13 The department may also impose a penalty of up to five hundred dollars (\$500) for each calendar
14 day of noncompliance with this section, as determined by the director of labor and training. Mere
15 errors and/or omissions in the daily logs maintained under subsection (c) shall not be grounds for
