AN ACT
RELATING TO LABOR AND LABOR RELATIONS - TIP PROTECTION

Introduced By: Representatives Morales, Felix, Williams, Alzate, Kislak, Tanzi, Speakman, Henries, Vella-Wilkinson, and McEntee

Date Introduced: February 16, 2022

Referred To: House Labor

It is enacted by the General Assembly as follows:

SECTION 1. Title 28 of the General Laws entitled "LABOR AND LABOR RELATIONS"
is hereby amended by adding thereto the following chapter:

CHAPTER 14.1
TIP PROTECTION

Whenever used in this chapter:

(1) "Employer" means any individual, firm, partnership, association, joint stock company, trust, corporation, receiver, or other like officer appointed by a court of this state, and any agent or officer of any of the previously mentioned classes, employing any person in this state.

(2) "Service charge" means a compulsory fee charged by an employer to a patron.

(3) "Tip" means voluntary monetary compensation received directly or indirectly by the employee for services rendered.

(4) "Tipped employee" means any employee engaged in an occupation in which the employee customarily and regularly receives more than thirty dollars ($30.00) a month in tips.

(a) A tip is the sole property of the tipped employee. Any arrangement between the employer and the tipped employee whereby any part of the tip received becomes the property of the employer is prohibited.

(b) The requirement that an employee must retain all tips does not preclude a valid tip
pooling or sharing arrangement among employees who customarily and regularly receive tips; provided, an employer must notify its employees of any required tip pool contribution amount, and may not retain any of the employees' tips for any other purpose, except as provided in § 28-14.1-4.

Service charges are part of the employer's gross receipts. Sums distributed to employees from service charges cannot be counted as tips received, but may be used to satisfy the employer's minimum wage and overtime requirements pursuant to the provisions of §§ 28-12-4.1 and 28-12-5. If an employee receives tips in addition to the compulsory service charge, those tips may be considered in determining whether the employee is a tipped employee and in the application of the tip credit.

Where tips are charged on a credit card and the employer must pay the credit card company a percentage on each sale, the employer may deduct that percentage from the employee's tips, provided that the employer notifies the employee of the deduction. This charge on the tip may not reduce the employee's wage below the required minimum wage. The amount due to the employee must be paid no later than the regular pay day and may not be held while the employer is awaiting reimbursement from the credit card company.

SECTION 2. This act shall take effect upon passage.
