STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2022

AN ACT

RELATING TO HEALTH AND SAFETY -- ZERO-EMISSION LAWN CARE DEVICES

Introduced By: Representatives Speakman, McEntee, McGaw, Cassar, Ajello, Alzate, Kislak, Cortvriend, Donovan, and Carson

Date Introduced: March 03, 2022

Referred To: House Environment and Natural Resources

It is enacted by the General Assembly as follows:

SECTION 1. Title 23 of the General Laws entitled "HEALTH AND SAFETY" is hereby amended by adding thereto the following chapter:

CHAPTER 97

ZERO-EMISSION LAWN CARE DEVICES

This chapter shall be known and may be cited as the "Zero-Emission Lawn Care Devices Act."

(a) The director of the department of environmental management shall promulgate rules and regulations which shall require that all lawn care devices used in the state shall be zero-emissions by 2027.

(b) For purposes of this section, the following terms shall have the following meanings:

(1) "Lawn care device" means any device powered mechanically, which is intended to be used or is actually used for the mowing of grass, the cutting or chipping of trees, tree roots or tree branches, or the clearing of leaves or other vegetation from lawns, sidewalks, public streets or public highways and shall include, but not be limited to, such devices as lawn mowers and lawn mower attachments, lawn edger's, leaf blowers, leaf vacuums, mulchers and chipiners.

(2) "Authority" means the Rhode Island office of energy resources.

(c) The authority, in consultation with the director of the department of environmental
management, other state agencies and the United States environmental protection agency, shall develop and propose strategies, in coordination with other state agencies and the United States environmental protection agency, to achieve one hundred percent (100%) zero-emissions from lawn care device operations in the state by 2028; provided that, issues of affordability and accessibility for disadvantaged communities is taken into account. In implementing the provisions of this chapter, the authority shall act consistently with safety, technological feasibility and cost-effectiveness.

(d) The authority, in consultation with the Rhode Island commerce corporation, the department of environmental management, the public utilities commission, and other state agencies, local agencies and other interested parties, shall develop and submit to the house and senate a zero-emissions lawn care device market development strategy by January 31, 2023, and update every three (3) years thereafter, that ensures coordinated and expeditious implementation of the system of policies, programs and regulations necessary to achieve the goals and orders established by this chapter.

SECTION 2. This act shall take effect upon passage.
