EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N A C T
RELATING TO ELECTIONS -- MAIL BALLOTS

1 This act would change the amount of time the board of elections has to appoint the
2 bipartisan pairs of supervisors, for mail ballot execution at personal care facilities from twenty (20)
3 days to thirty (30) days. It would expressly prohibit one member of the supervisors from acting
4 singularly. Finally, it would authorize the chairs of each major political party to replace any board-
5 appointed supervisors prior to the day of the election.

6 This act would take effect upon passage.
